**Cover: THE MATTHEW THORNTON HOUSE in Derry Village**

Matthew Thornton was a physician who came to Derry in 1740 at the age of 26. Mr. Thornton was active in Town and State affairs and was one of the three men from New Hampshire to sign the Declaration of Independence (his signature is the last name on the document). It is told that he was having a seige of the gout when he heard of the Declaration, but he drove to Philadelphia with his foot elevated. He was on the building committee when the First Parish Church was being built in 1769. The D.A.R. placed the memorial tablet shown in front of the house in 1909.

EVANGELINE PALMER	GLADYS MACDONALD
Vice Chairman	Treasurer
HERBERT MACGREGOR	GERALD COX
GARY F. SMITH	DONALD HOUSTON
MILDRED GAGE	WARRINGTON WILLIS

## SELECTMEN'S LETTER

The year of 1976 has been one of several "firsts" in the history of the Town of Derry. The first five-man board of selectmen, the first woman member of that board, the first elected budget committee, the vote for the first elected planning board, the first police and municipal employee unions as well as the first time the Town Meeting was on national TV.

This year has also seen the first attempt of a budget committee to remove members of the Board of Selectmen and the Town Manager under RSA 32:10 and also apparantly the first in the recent history of the State of New Hampshire. There have been twenty-six law suits, the Town being named as defendent in all but four of these.

We had a marathon Town Meeting and a special Town Meeting in which the vote by the majority was voided by a decision handed down by the Supreme Court only two or three days before this meeting.

Despite all the trials and tribulations, the Selectmen have successfully negotiated a commitment with the Manchester Water Works for the purchase of water for Town use in the 1980s. This brings the much needed sewer treatment facility one step nearer to reality. The 1976 Town Meeting approved the necessary State, local and Federal funding for the design of the facility. (Phase II)

The selectmen appointed members to the Planning Board who have made an important contribution toward planning growth of the Town. A motion at the 1976 Town Meeting was the basis for appointments to a Town Government Study Group charged with investigating other forms of Town Government. The reports of these committees are to be found elsewhere in the Town Report.

In addition to their regular Monday night meetings, the Selectmen have been involved with committee work in various fields. One Selectman has been actively involved in renovating the Police Station, a job requiring hammer, nails, saw and cement. In their "spare time" the Selectmen and the Town Manager have been compiling an Administrative Manual, have set up rules and regulations for personnel, and have made a thorough review of welfare guide lines.

The basic concerns of the Board of Selectmen, when outside the courtroom, have been reviewing the present operations and planning for the future needs of the Town of Derry.

The major effort this year was to plan for additional internal control as suggested by the Department of Revenue Administration and the Auditor. The major thrust for the Town Meeting for 1977 is to implement the following:

1. Reorganization of Highway, Water and Waste Water Departments under a Public Works Department including a receiving and inventory center for purchased materials.
2. Cash registers for all cash sensitive areas.
3. A new bookkeeping machine for the Town Office.

These proposals have been made to the Budget Committee but not all have received the support of that Committee. We hope the Town meeting will fund these items which we believe to be extremely important for internal control.

Respectfully submitted,  
THE BOARD OF SELECTMEN

Ernest Gaines  
Frederick A. Tompkins  
Donald Bentley  
Janet M. Conroy  
Benjamin C. Newell

## SUMMARY INVENTORY OF PROPERTY VALUATION

The Summary Inventory of Property Valuation and Statement of Appropriations were approved by the Department of Revenue Administration. The assessment of the 1976 taxes were made on the basis of the following figures:

Net Assessed Valuation		\$ 82,678,200.00
Taxes Committed to Collector:		
Town Property Taxes Assessed	\$ 5,063,212.97	
Precinct Taxes Assessed	<u>484,902.68</u>	
Total Gross Property Taxes	5,548,115.65	
Less: Est. War Service Tax Credits	<u>70,593.00</u>	
Net Property Tax Commitment*	\$ 5,477,522.00	
Tax Rate		\$ 61.24

\*The amount of property tax commitment is subject to adjustment by reason of any increase or decrease in War Service Tax Credits which may result based on the above approved rate.

In the event any adjustment was made in the Appropriations Section, we have enclosed a copy of the changes. Revenues and Credits have been approved as shown on the enclosed copy of the third page of the Statement of Appropriations.

The net amounts approved for school and county are as follows:

Net School Appropriations	\$ 4,076,316.52
County Tax Assessment	195,948.98

In arriving at the above approved rate the Overlay has been set in the amount of \$74,627.47.

## SUMMARY INVENTORY OF TAXABLE PROPERTY

Description of Property	1976 Valuation
Land - Improved and Unimproved	\$ 13,459,150.00
Buildings	63,213,600.00
Factory Buildings	3,021,600.00
Public Water Utility (Private-serving public)	76,600.00
Public Utilities - Electric	1,822,000.00
Mobile Homes - Assessed as Personal Property (335)	1,470,350.00
Boats and Launches (53)	<u>34,300.00</u>
Total Valuations Before Exemptions	\$ 83,097,600.00
Blind Exemptions (5)	25,000.00
Elderly Exemptions (102)	<u>394,400.00</u>
Total Exemptions Allowed	<u>419,400.00</u>
1976 Net Valuation on which Tax Rate is Computed	82,678,200.00
1975 Net Valuation	<u>80,771,400.00</u>
Total Increase	\$ 1,906,800.00

Respectfully Submitted,  
Cecile Hoisington, Town Clerk  
Derry, N.H.

November 2, 1976

PROPOSED ZONING AMENDMENTS AND BUILDING CODE ADOPTION

BALLOT

ARTICLE 8. Are you in favor of the adoption of Amendment No. 1 as proposed by the Planning Board for the Town Zoning Ordinance as follows?

(Amendment No. 1, if adopted, would (1) create a high-density zone for single family residences in an area generally described as surrounding the Broadway business district, (2) delete the present multiple dwelling provisions of the existing Zoning Ordinance and reduce the permitted density to 8.6 units per acre, (3) permit multiple dwelling units in only two areas of town one, north of Kendall Pond Road, east of Fordway Extension and Elm Street, and west of an area northerly and southerly of Nesmith Street, (4) regulate minimum residential lot size requirements in accordance with waste disposal capability.)

YES ☒ 2716 NO ☒ 1953

Need 2/3

ARTICLE 9. Are you in favor of the adoption of Amendment No. 2 as proposed by the Planning Board for the Town Zoning Ordinance as follows?

(Amendment No. 2, if adopted, increases the number of permitted uses in the northern industrial zone and prohibits new residential construction in the southern industrial zone. It also changes the zoning classification of a tract of land west of Route 93 from industrial to residential and changes from residential to industrial a tract of land located east of Wadham Road)

YES ☐ 2171 NO ☒ 2332

Need 2/3

ARTICLE 10. Are you in favor of the adoption of the BOCA Basic Housing - Property Maintenance Code 1975, third edition, as amended and proposed by the Planning Board?

YES ☒ 2071 NO ☐ 2036

November 2, 1976

BALLOT FOR ARTICLE 1  
(Election of Planning Board Members)

ARTICLE 1 To see if the Town will vote, in accordance with RSA 364-II(b), to elect a 7-member planning board. 2 members for a 1-year term; 2 members for a 2-year term; and 2 members for a 3-year term, the 7th member to be a Selectman appointed by the Selectmen, and pass any vote relating thereto.

At present all Planning Board members are appointed by the Selectmen. Are you in favor of the adoption of Article 1, as set forth above which provides for elected Planning Board members rather than appointed Planning Board members?

YES ☒ 3951 NO ☐ 1043

BALLOT QUESTIONS

Article 2 (By Petition) Do you favor the continuation of the town manager plan as now in force in this town?  
YES ☒ 1264 NO ☐ 1117

Article 3. Are you in favor of the adoption of Amendment No. 1 as proposed by petition of the voters for this town? (To see if the Town of Derry will vote to rezone to retail business the area 200 feet back on either side of Rte. 102 from Pond Road to English Range Rd. on Chester Rd., by amending Article 1, Section 1100, and adding Section 1190.) (The Planning Board disapproves adoption of this amendment.)  
YES ☐ 711 NO ☒ 1632 2/3

Article 4. Are you in favor of the adoption of Amendment No. 2 as proposed by petition of the voters for this town? (To change zoning classification from general residence zone to retail business zone on land which borders on Northerly and Southerly sides of E. Broadway from Crystal Avenue and Birch Bay Easterly to Marlboro Rd. and Park Ave.) (The Planning Board disapproves adoption of this amendment.)  
YES ☐ 690 NO ☒ 1632 2/3

Article 5. Are you in favor of the adoption of Amendment No. 3 as proposed by petition of the voters for this town? (To change from Residential to Retail Business, beginning at Wyman St. and West Broadway, southwesterly direction on a line parallel to West Broadway and following along the Northerly side 200 feet back, as far as the Londonderry borders.) (The Planning Board disapproves adoption of this amendment.)  
YES ☐ 743 NO ☒ 1547 2/3

Article 6. Shall we adopt the provisions of RSA 72:43-b and 43-c for expanded exemptions on real estate which provide for a resident sixty-five years of age up to seventy-five a five thousand dollar exemption, a resident seventy-five years of age up to eighty, a ten thousand dollar exemption, a resident eighty years of age or older, a twenty thousand dollar exemption, provided that the resident owns the real estate individually or jointly with spouse, or with spouse with whom he has been living for at least 10 years as man and wife, and resident had a net income of less than seven thousand dollars or net income with spouse of less than nine thousand dollars, and owns assets of any kind, tangible or intangible less bona fide encumbrances, not in excess of thirty-five thousand dollars?  
YES ☒ 1723 NO ☐ 561

**WARRANT FOR SPECIAL TOWN MEETING  
DERRY, NEW HAMPSHIRE**

**TO THE INHABITANTS OF THE TOWN OF DERRY QUALIFIED TO VOTE  
IN TOWN AFFAIRS:**

You are hereby notified to meet at 7:30 p.m. at the Grinnell School Auditorium on Tuesday, June 1, 1976, to act upon the following subjects:

**Article 1:** To see if the Town will vote to consider amending, repealing, reaffirming or taking any other action with respect to the ordinance adopted by the Town on March 27, 1976, under Article 20 of the Warrant for the Town's 1976 annual meeting. Said ordinance imposes an annual calendar year restriction on building permits to no more than 25 individual apartment units to any one person, group or corporation for any one project, excluding from said restriction the Nutfield Heights elderly housing project.

**Article 2:** If the Town votes to consider amending said ordinance under the foregoing Article 1, to see if the Town will adopt the following resolution amending said ordinance or any other amendments thereto:

WHEREAS the Town of Derry is experiencing serious problems with its sewage disposal system having had a lagoon reserve capacity as of September 1975 of only 1,350 population equivalent against which subsequent commitments have been made reducing said reserve capacity as of February 19, 1976, to approximately 450 population equivalent, indicating the need for extending the period over which the committed capacity will be utilized and the remaining capacity committed and utilized; and

WHEREAS the rapid addition to said sewage disposal system of many units of apartments, multiple dwellings, condominiums, motels and hotels over a short period of time would severely aggravate said system's problems; and

WHEREAS the Town of Derry will be required in any event to fund massive improvements to its sewage disposal system in order to meet the planned, anticipated and contemplated growth within the Town; and

WHEREAS the timing of said improvements will be accelerated beyond the capacity of the Town to respond unless the rapid addition to said system of apartment, multiple dwelling, motels and hotel units is controlled;

NOW THEREFORE BE IT RESOLVED that this town meeting hereby amends the ordinance adopted by the Town under Article 20 of the Warrant for its 1976 annual meeting so that as amended said ordinance will in its entirety read as follows:

"The Town of Derry or any agent thereof shall not permit new sewer tie-ins or connections for, or new utilizations of the Town's sewage disposal system by, more than 25 individual apartment, multiple dwelling, condominium, motel or hotel units by any one person, group, corporation or other entity or for any one project in any one calendar year, except any project or projects designed and approved to implement the housing assistance plan submitted to the United States Department of Housing and Urban Development by the Town of Derry requesting housing subsidies for the benefit of the elderly citizens of the Town where prior to the 1976 annual town meeting a sewer service reservation from the Town for such project or projects has been obtained."

This ordinance is intended to restrict the number of individual dwelling units in any apartment, multiple dwelling, condominium, motel or hotel project to be newly tied in or connected to the Town's sewer system or otherwise to be newly permitted to utilize its sewage disposal system to a maximum of 25 per year until the sewage disposal system improvements currently being planned by the Town have been implemented to the extent that the capacity of the resulting system is adequate to accept a higher annual rate of new sewer tie-ins or connections or other utilization thereof from such high-density dwellings, condominiums, motels or hotels, or until this ordinance shall be repealed or modified by a subsequent meeting of the Town, excepting from this restriction only such projects for the benefit of the elderly citizens of the Town approved for subsidies by the United States Department of Housing and Urban Development and possessing the requisite sewer service reservation by the time of the 1976 annual town meeting."

Given under our hands and the seal of the Town of Derry this 17 day of May, 1976.

Donald Bentley, Selectman  
Janet Conroy, Selectman  
Benjamin Newell, Selectman

Cecile R. Hoisington, Town Clerk

Joseph V. Stancik, Moderator

COURT REPORTER  
SAMUEL S. GRAY

**PROCEEDINGS**

*(Articles 1 through 6 - By Ballot)*

*(At 1:05 p.m. the meeting was called to order and the rules of the meeting were read by the Moderator. The Moderator informed the audience as to the rule pertaining to non-voters. The Moderator also informed the audience that he had received eleven requests to vote by secret ballot on articles in the Warrant. They were: Articles 7, 12, 17, 18, 19, 20, 21, 23, 24, 25, and 26. The following ensued:)*

THE MODERATOR: Alright. It is my understanding we will take up the articles in the Warrant at this time. We have already disposed of the first six articles, if you look at your Town Report, and we will take up the next article.

MRS. DIMARZIO: I would like to suggest at this time that we take up Article 8, and I'd like to make that a motion.

THE MODERATOR: A motion has been made that we take up Article 8 at this time. Do I hear a second?

MR. FERLAND: Seconded.

THE MODERATOR: The motion has been made and seconded that we take up Article 8 at this time.

*(After discussion the following ensued.)*

MRS. DIMARZIO: I can make the motion subject to the monies that are included in the articles to be voted on by ballot so the motion that I will make will be to make it subject to these articles after they have been voted on so you actually won't be losing anything.

*(After discussion the following ensued.)*

MR. TOMPKINS: Mr. Moderator, I would respectfully amend Mrs. Dimarzio's, or I would move to amend that we take those things up during the regular course of taking up Article 8, all those articles, some of which have petitions for a ballot vote, which have an impact on the budget.

THE MODERATOR: We have done that in the past Mr. Tompkins if I remember correctly.

*(After discussion the following ensued.)*

THE MODERATOR: The question has been moved. There will be no further debate. Does everybody understand the question? All those in favor say, "Aye;" those opposed, "No." The "Ayes" have it. It is a vote and I so declare. We will go to Article 8.

MRS. DIMARZIO: At this time I would move that we accept the Budget Committee's recommended budget of \$2,968,101.

THE MODERATOR: Alright, you heard the motion. Do I hear a second?

MR. BRETON: Seconded.

THE MODERATOR: Any discussion on the motion?

MR. WILSON: There are a number of other articles we have in here and it looks like a number for ballot voting and so I would like to make a motion that we drop the bottom line of this budget, again subject to any impact based on ballot votes, that we amend the Budget Committee's budget by increasing it by \$1,207 based on the following changes: that we provide the Town employees with the same package as the school teachers got, the 3% cost of living, plus steps, plus full insurance which I believe would add, insurance would add \$13,000.

THE MODERATOR: There has already been a motion made and seconded. Will you make that an amendment?

MR. WILSON: I will amend it for \$1,207.

THE MODERATOR: Any seconds on that amendment?

MR. VARNEY: Seconded.

*(After discussion the following ensued.)*

THE MODERATOR: The question has been moved. I feel there has been adequate discussion and we can't keep going on and on and on. The question is on the amendment. The question has been moved and we are going to vote on it. All those in favor of the amendment say, "Aye;" those opposed, "No." The "Nos" have it. The amendment is defeated. No we are back to the original motion of Mrs. Dimarzio. Alright, the question has been moved. Do you know what the question is? Alright, would you repeat it Mrs. Dimarzio?

MRS. DIMARZIO: My motion was to accept the Budget Committee's proposed budget of \$2,968,101, that's the total budget.

THE MODERATOR: Alright, the question has been moved. Do you understand the question? All those in favor say, "Aye;" all those opposed "No." The "Nos" have it. It is a vote and I so declare. What is your pleasure?

MR. PAYNE: I move that we go to Article 18.

MR. MODERATOR: The motion has been made that we go to Article 18.

MR. SMITH: Seconded.

THE MODERATOR: That is one of the ballot Articles. Any discussion?

*(After discussion the following ensued.)*

THE MODERATOR: Just a second, I will read Article 18.

**ARTICLE 18. By Petition: To see if the Town will vote to acquire by purchase or eminent domain the land and buildings owned by the John B. Sullivan Family Trust, this property being known as Map 5, Lot 46, on the Derry Tax Maps, and to fund such acquisition by appropriating \$25,000 from the Capital Reserve Fund and by authorizing the Selectmen to apply for, negotiate, and do all things necessary to obtain and expend therefor funds from Title I of the Housing and Community Development Act of 1974, the Bureau of Outdoor Recreation, U.S. Dept. of Interior, the Society for the Protection of New Hampshire Forests and/or other charitable federal and state agencies.**

Now, any further discussion?

*(After discussion the following ensued.)*

MR. PAYNE: I move to go to Article 18, not to discuss it but to go to it.

THE MODERATOR: It has been moved and seconded and now we are discussing the Article.

MR. PAYNE: My motion was that we move to that Article.

THE MODERATOR: Alright, you want to make a motion to take up Article 18 then?

MR. PAYNE: I made my motion before to take up Article 18. I moved to take up Article 18 at this time.

MRS. DIMARZIO: Seconded.

THE MODERATOR: The motion has been made and seconded that we take up Article 18 and act on it.

*(After discussion the following ensued.)*

THE MODERATOR: The question has been moved that we vote on this Article and it has been seconded. Do you understand the question? At this point we will vote by secret ballot on Article 18.

MR. PAYNE: That was not my motion.

THE MODERATOR: What is your motion.

MR. PAYNE: To move to Article 18.

THE MODERATOR: We are on Article 18. You made two motions Do you understand the question? That is we vote on Article 18 by secret ballot and the question has been moved.

MR. PAYNE: My motion was to move from Article 7 up to Article 18.

THE MODERATOR: We have already moved there.

MR. PAYNE: We didn't vote yes or no on it.

THE MODERATOR: First of all we are going to vote on whether to take up Article 18 and then if it passes we are going to vote on it. This is what I am trying to get to here. Do you understand the question? All those in favor say "Aye;" those opposed, "No." The "Ayes" have it. We are now going to vote by ballot starting with that section over there.

(Whereupon at 1:50 a ballot vote was taken on Article 18.)

(Whereupon the meeting resumed at 2:30.)

THE MODERATOR: Ladies and gentlemen, there is a feeling here that since the polls are supposed to stay open for one hour and that if they're going to close at an earlier time we should have a vote so there will be no question. Alright, Mr. Gaines, so moved and it was seconded by May Casten that we close the ballot box since everybody has had an opportunity to vote. Any discussion. The question has been moved.

Affirmative vote.

MR. ADAMS: It appears very obvious that this is going to be a lengthy meeting Mr. Moderator. I would move that the meeting recess at five o'clock to some future date, presumably next Saturday at the same hour.

MRS. DIMARZIO: Seconded.

THE MODERATOR: Mr. Adams made the motion that we recess at five o'clock if we're not through and it appears to be obvious that we're not going to be through. Any discussion? The question has been moved.

Affirmative vote.

MR. HAYWARD: Mr. Moderator, I move at this time that we take up Article 8, the Town Budget, item by item.

THE MODERATOR: The motion has been made by Mr. Hayward and seconded by Mrs. Casten that we at this time take up Article 8 and take it up item by item. Alright, any discussion on that motion?

Affirmative vote.

(Whereupon Mrs. Dimarzio proceeded to go through the budget item by item starting with town officers' salaries.)

MRS. WOODSIDE moved to take up the budget by categories.

Seconded by Mr. Carter.

(Whereupon Mrs. Dimarzio proceeded with the budget.)

THE MODERATOR: Alright, any further questions on that particular item? Alright, we will go to the next one that was questioned, the engineer, \$18,900. What is the question?

MR. WILSON: Shouldn't we handle the warrant article at this time, Article 7 I believe it is? Do you favor the continuance of the office? If we do away with the office wouldn't we do away with the salary and such?

THE MODERATOR: I would say so. If there's nobody there to collect it. Do you want to make that as a motion to take up Article 7?

MR. WILSON moved to take up Article 7.

Seconded by Mrs. Woodside.

(After discussion the following ensued.)

THE MODERATOR: Any further discussion? The question is that we take up Article 7 at this time. Does everybody understand the question?

MRS. CASTIN: Does that mean that will have to be by ballot?

THE MODERATOR: That is not a ballot question as far as I know. This is an article which had requested a secret ballot and it is entitled to it under the warrant. I will have to go along with it. Now, do you want to take up the item?

(After discussion the following ensued.)

THE MODERATOR: Before we go any further here are the results of Article 18. Yes - 211; No - 185; Blank - 1; Total 397.

The "Yes's" have it.

THE MODERATOR: The question has been moved that we take up article 7 at this time. All those in favor say, "Aye;" those opposed, "No;". The question was that we take up Article 7 at this time. If we take it up and go to it, that means that it's got to be by secret ballot the way we did in Article 18.

(After discussing the following ensued.)

THE MODERATOR: Alright, let's go back. I think I'm going to require a standing vote on that or a show of hands. I don't know which you prefer because it was very close. Let's have it over again by voice vote and let's see if I can discern the difference. You understand what the questions is, that we take up Article 7 at this time. Alright, all those in favor say, "Aye;" those opposed, "No." The "Ayes" have it. It is a vote and I so declare. We will now take up Article 7. What is your pleasure on Article 7?

MR. MACGREGOR moved to vote on Article 7.

Seconded by Mr. Hobsch.

Affirmative Vote.

(Whereupon at 2:55 a ballot vote was taken on Article 7.)

(Whereupon the meeting resumed at 3:15.)

THE MODERATOR: Anybody else want to vote, if not, I'd like to entertain a motion that we be allowed to close the polls at this time and not have them open for the one hour.

MR. GAINES so moved.

Seconded by Mr. Wilson.

Affirmative vote.

(Whereupon Mrs. Dimarzio resumed with the budget beginning with Town Officers' Expenses.)

THE MODERATOR: The next item question was Selectmen's Office

Expense, \$8,250. Are there any questions?

MR. PAYNE: I move we reinsert line 2-5, Conservation Expenses for \$560 just prior to this line.

THE MODERATOR: First of all there is a motion made that we put in an item 2-5 for \$500. Did anybody second that?

MR. WATTS: Seconded.

(After discussion the following ensued.)

THE MODERATOR: Any further discussion on the issue? The question has been moved. Do you understand the question? The question is we insert an item that had been deleted, item 2-5, which is for the Conservation Expenses and funded with \$560.

Affirmative vote.

MR. TOMPKINS: At this time I would like to move we insert line 2-4, \$8,880, for the Town Engineer's staff.

THE MODERATOR: Before we take up your motion, let me give the tally for Article 7. The total vote cast on that particular item was 364. Yes - 166; No - 198. The article is defeated. Alright, since we're taking up the categories' and you have now heard the decision, let's go back to Town Officers' salaries and what is your pleasure under that item?

MR. KEATING: I make the motion that we delete \$18,900 under the Town Officers' salaries.

MRS. WOODSIDE: Seconded.

(After discussion the following ensued.)

MR. KEATING: At this time if Mrs. Woodside would agree, I'd like to withdraw my motion and restate it. \$105,383 minus \$4,816, is that it? Minus \$4,000, right up to April 1st, to pay the Town Engineer right up to March 27th. \$14,098. At this time I just got the figures and I'd like to remove \$14,084 for Town Officers' salaries.

THE MODERATOR: Alright, the motion has been made that we reduce the \$18,900 by \$14,084. That means you appropriate the sum of \$4,830 under item 1-5.

Seconded by Mrs. Woodside.

THE MODERATOR: Alright, any discussion?

(After discussion the following ensued.)

THE MODERATOR: Alright, somebody move the question. Your campaigning here, there's no question about it. The question has been moved. You understand the question? That we delete \$18,900 - sorry, not delete it, but change the \$18,900 figure to \$4,830 so that the total amount under that item will be \$91,299 rather than \$105,383. Does everybody understand the question?

(After discussion the following ensued.)

THE MODERATOR: Alright, the question has been moved and we have to vote on it. You understand the question I hope. All those in favor say, "Aye;" those opposed, "No." The "Ayes" have it. It is a vote and I so declare. Now, you are to vote and accept the item on that category? What is the procedure here? Alright, I will entertain a motion to accept the total item of \$91,299 under that category, Town Officers' salaries.

MRS. DIMARZIO so moved.

Seconded by Mr. Beaulieu.

MRS. WOODSIDE: What line did you put Mr. Tridell under?

MR. CARLTON: 1-5.

MRS. WOODSIDE: Now Mr. Treitel has been hired I believe at \$13,500.

MR. CARLTON: That's correct, that was done under the Water and Sewer Budget.

MRS. WOODSIDE: So it doesn't come under the Sewer Department salary?

MR. CARLTON: It does.

MRS. WOODSIDE: How come it's not under 1-5?

MR. CARLTON: We certainly anticipated that he would move in and take over Mr. Nace's position when Mr. Nace left.

MRS. WOODSIDE: A \$5,000 raise in three weeks.

THE MODERATOR: Alright, Mr. Ferland, did you have a question?

MR. FERLAND: No, she answered the question very well.

THE MODERATOR: Alright, there's been a motion made and seconded that we accept the Town Officers' salaries under item 1 in the sum of \$91,299. Do you understand the question? All those in favor say, "Aye;" those opposed, "No." The "Ayes" have it, its a vote and I so declare and that item passed is \$91,299.

(After discussion the following ensued.)

THE MODERATOR: The next item is Engineer's Supplies and Expenses, \$1,405. The question is why is it so small? The question is why is it in there at all? Anybody have an answer?

MR. BEAULIEU: I move we delete that item.

MRS. DIMARZIO: Seconded.

THE MODERATOR: Any discussion?

MR. TOMPKINS: We've already expended some money in that

account.

THE MODERATOR: Mr. Tompkins states that in that \$1,405 some has been expended.

MR. TOMPKINS: We've expended \$221.42. I don't think in that item there are any outstanding invoices.

THE MODERATOR: Alright, the motion has been made and seconded that we delete that \$1,405. Now, Mrs. Dimarzio?

(After discussion the following ensued.)

THE MODERATOR: Alright the question has been moved. The motion is to delete Item 2-9 and the sum of \$1,405. All those in favor say, "Aye;" those opposed, "No." The "Nos" have it. It is a vote and I so declare.

(After discussion the following ensued.)

MR. CARLTON moved that the amount in the Budget Committee's budget under 2-16 be raised by \$2,000 to the Selectmen's budget figure.

Seconded by Mr. Tompkins.

THE MODERATOR: The motion has been made and seconded that this item be raised from \$3,000 to \$5,000. Any discussion?

(After discussion the following ensued.)

THE MODERATOR: The question has been moved. We are going to have to vote on the question. We can't keep going back, I don't have eyes in back of me. Alright, the question is on whether or not to raise that item from \$3,000 to \$5,000, adding \$2,000. All those in favor say, "Aye;" those opposed, "No." The "Nos" have it. It is a vote and I so declare.

MR. TOMPKINS: The cash register in question happens to be a special cash register that was recommended by the Town Auditor and apparently we're not going to get it.

THE MODERATOR: The next item questioned was Trustee of Trust Funds Expenses, \$3,500.

MR. KATSAKIORES: I want to move that this be reduced to the sum of \$50, reduce it by \$3,450.

(After discussion the following ensued.)

THE MODERATOR: Mr. Katsakiores, from now on when you make your motions, don't speak on it until your motion has been seconded.

MR. CARTER: Seconded.

(After discussion the following ensued.)

THE MODERATOR: Before we go any further, I notice there are quite a few people leaving. This is a little bit out of order, of course we can continue this, we'll have to continue this meeting, it's obvious we've got to close at 5 o'clock. So, at this time, I would like to entertain a motion to when and where we are going to continue this meeting so we'll hopefully have a good turnout.

MR. WILSON: I believe Mr. Adams' motion was that we continue it next Saturday, am I correct?

MR. ADAMS: Yes.

THE MODERATOR: Was that in the original motion?

MR. WILSON: The date was.

THE MODERATOR: That would be 1 o'clock. Let's make a motion.

MR. ADAMS: I so move.

THE MODERATOR: Mr. Adams moves that we continue this meeting after we close at 5 o'clock to next Saturday at 1 P.M.

MRS. DIMARZIO: Second.

THE MODERATOR: Any discussion?

Affirmative vote.

(After discussion the following ensued.)

THE MODERATOR: Alright, the question has been moved. The motion is to reduce item 2-18, Trustee of Trust Funds Expenses from \$3,500 to \$50. All those in favor say, "Aye;" those opposed, "No." The "Nos" have it. It is a vote and I so declare.

(Whereupon the Moderator continued with the items questioned in the budget.)

MR. WILSON: To resolve this problem, I would make a motion to increase item 2-21 by \$600 to pay Mr. Tefft.

THE MODERATOR: Alright, do I hear a second?

MR. KEATING: Seconded.

THE MODERATOR: The motion is to increase this item from \$600 to \$1200 and the \$600 increase to be used to pay the Attorney's fee. The question has been moved. You know what the question is. All those in favor say, "Aye;" those opposed, "No." The "Nos" appear to have it. It is a vote and I so declare.

(After discussion the following ensued.)

MR. COLLETTE: I tried to get my hand up in time to amend the motion to increase that \$600. I didn't succeed but I'd like to make a motion if it's possible to pass in the Town Meeting that in the future any department or any committee that wants to seek legal counsel should go through the Board of Selectmen before they do this on their own; so the motion would be that any Commission, any Committee, and Board would go to the Board of Selectmen before seeking their own legal counsel, other than the normal Town Counsel.

MRS. CASTEN: Seconded.

(After discussion the following ensued.)

THE MODERATOR: Alright, the question has been moved. Mr. Collette, I didn't take down exactly what you wanted. The Clerk informs me the motion went to the effect that any Board that was going to spend legal funds shall first go through the Selectmen's Office before seeking other counsel for any other expenditure. I assume that's right Mr. Collette? Alright, that is the question before us. The question has been moved and we've got to vote on that question. All those in favor say "Aye;" those opposed, "No." The "Nos" appear to have it. Alright, we're still on that item of \$600. Any further discussion?

(Whereupon the Moderator moved to the next item questioned, Item 2-25.)

(After discussion the following ensued.)

THE MODERATOR: At this point if somebody moves that we accept this item, since we discussed it and it was raised by \$560, Town Officers' Expenses, that we increase the appropriation from \$102,684 to \$103,244.

MR. HOBBSCH: So moved.

Seconded by Mr. Wilson.

THE MODERATOR: The question has been moved. All those in favor say, "Aye;" those opposed, "No." The "Ayes" have it. It is a vote and I so declare. Now, since this was a motion to amend it I will now entertain a motion to accept that item as \$103,244.

MR. MACGREGOR so moved.

Seconded by Mrs. Woodside.

THE MODERATOR: The question has been moved. All those in favor say, "Aye;" those opposed, "No." The "Ayes" have it. It is a vote and I so declare and it's accepted.

MRS. CASTEN: I would move in the next category, Election Expenses, since they are fixed expenses that we accept the total of \$4,215 instead of going down item by item.

THE MODERATOR: The motion has been made by Mrs. Casten and seconded by Mrs. Woodside that we dispense with discussion on Election Expenses and we accept the item as printed, \$4,215. Any discussion?

(Further discussion ensued on Item 2-25.)

JUDGE GRINNELL moved the question.

THE MODERATOR: Alright, the motion was to approve the Election Expenses budget as printed in the sum of \$4,215. Any further discussion?

(Further discussion ensued on Item 2-21.)

THE MODERATOR: The question was moved and at this time we will have no further discussion and it's on the Election Expenses. All those in favor of the adoption of the Article as printed say, "Aye;" those opposed, "No." The "Ayes" have it. It is a vote and I so declare.

All those in favor of adjourning please stand.

(Whereupon at 5 P.M. the meeting was continued to Saturday, March 20, 1976 at 1:00 P.M. at the Grinnell School Auditorium.)

MARCH 20, 1976  
1:05 P.M.

GRINNELL SCHOOL AUDITORIUM  
DERRY, N.H.

Re: Minutes of Town Meeting

PRESENT: Ernest Gaines, Selectman  
Frederick Tompkins, Selectman  
Donald Bentley, Selectman  
Janet Conroy, Selectman  
Benjamin Newell, Selectman

Cecile R. Hoisington, Town Clerk

Joseph V. Stancik, Moderator

## PROCEEDINGS MARCH 20, 1976

(Whereupon at 1:05 P.M. the meeting was called to order.)

THE MODERATOR: First of all, I have been asked to announce that there are refreshments available down the hallway and to your right and in the principal's office. Next, it has been brought to my attention that if there is any way possible that we'd like to expedite and get the meeting over with today, even if we have to go into the evening. The main reason being that if you don't it's going to cost you a lot more because the Town has run out of cash and they'll have to go borrowing on high interest rates until we get this meeting over with today and I got that from the Secretary, Mrs. Campbell, and the Selectmen. I think you will agree with me that if we're in trouble financially, or the Town is in trouble financially, of course you're going to have to bear the expense.

(The Moderator explained that he had solicited ideas of how to expedite the meeting and that the best response he had received was from the Selectmen's Office and through the Town Manager, Frank Carlton.)

(Discussion ensued concerning non-voters)

(Whereupon the Moderator read a communication from the Town Manager dated March 17, 1976. The communication reads as follows: "Dear Judge, The Board of Selectmen have asked that I write you regarding the conduct of the Town Meeting in an effort to expedite the budget adoption (we are running out of cash!) and to provide for more orderly discussion of the items to be voted on by ballot.

At the outset of the meeting it would be appreciated if the Board of Selectmen and the Budget Committee could be allowed fifteen minutes apiece to summarize their budget proposals. It would then seem appropriate to start with the court budget as we were doing last week and go through it item by item and continue on until we come to an item that involves a warrant article. At that point a motion to move to Article No. should be entertained. There should be no need for discussion on a motion to take up an article. After such a vote passes, adequate time should be allowed to discuss the pros and cons of the article. When the question is called after a reasonable time for discussion, then we could move on to the next line item.

In order to expedite the nine ballot votes that we have been petitioned, the Town has prepared ballots for each of the petitioned articles. We would like to combine the balloting and therefore request that all ballots be scheduled for a certain time such as 5:30 P.M. with the meeting reconvened at 7 P.M. to announce the results and complete the reports and any other business that is left."

MRS. CASTEN moved that the non-voters be allowed to come into the hall and sit in a segregated area.

Seconded by Mr. Newell.

(After discussion the following ensued)

THE MODERATOR: The question has been moved. The question is whether we allow or disallow non-voters. Those who vote yes will be in favor of allowing them and those voting no will be disallowing them. Alright, you know the question. All those in favor say "Aye;" those opposed, "No." It appears that the "Ayes" have it.

MR. MOSCO: Can we have a show of hands rather than a voice vote?

THE MODERATOR: Alright if you want a show of hands we will do so. Those in favor will raise your hands. Alright, put your hands down. All those opposed. It's obvious that the "Yesses" have it.

(Whereupon the non-voters were allowed to sit in a segregated section.)

MRS. FERLAND: I'd like to make a motion that henceforth for the remainder of this meeting, that there will be no more voice votes.

MR. CARTER: Seconded.

THE MODERATOR: Any discussion on the motion that there will be no further voice votes? Alright, the question has been moved. We will have a show of hands, all those in favor put your hands up. Let's try it this way, those opposed put your hands up. I think it's obvious that the opposition takes it, by at least four or five to one. Alright, we will continue. What I will do if I have the slightest question on whether the vote carried or not, I will ask for a show of hands.

(An affirmative vote was made on the suggestion to reduce the period allotted for the Selectmen and the Budget Committee to summarize their proposals from fifteen minutes to five minutes.)

MRS. DIMARZIO moved to adopt the procedure set out in the communication.

Seconded by Mr. Gerrish.

(After discussion the following ensued.)

THE MODERATOR: You know what the question is, and incidentally we're not bound by the 5:30 time, it's just suggested as such, alright, you know what the question is, that we adopt the procedure of this communication.

Affirmative vote.

MR. CARLTON: Gee, I think I've got a ten minute talk that I'm going to have to make in five minutes, so watch that clock. In previous years a short overview of the contents of the Selectman's proposed budget has been given. Last week things were so chaotic that no such presentation was made. This week the Board of Selectmen have asked that I briefly explain their budget proposal. It should be evident from the PROCESS ENGINEERING notebook I am using that former Selectman, Scott Gerrish, was the person who put the Selectmen's 1976 budget together. As Comptroller of that company he is experienced in budget building and cutting the last ounce of fat out of departmental proposals.

This year's budget proposal is up 15% from the 1974 Town Budget, but this increase is only 3% if one deducts the Sewer Projects (Account No. 48) which will go from \$63,000 in 1975 to \$380,350 in 1976. Since these monies are 95% Federally Funded it isn't really fair to count these amounts in the total. This would make the net budget increase of \$73,537 a pittance in this year of 8% inflation. Still, revenues haven't grown very

fast either, and so the Town portion of the Tax Rate could go up as much as \$1.00 from the 1975 level of \$10.72 - depending on how much the assessed value increases this year.

The budget as proposed included only three new Town employees: one new Police Officer (the Chief had requested three), a new Secretary for a half a year, and a new Engineering Associate position for a half a year. After last Saturday the town engineering positions in account 2-6 have been defeated and the Town Engineer position was also axed. This reduces the Town supported full time positions to 75, but it also is going to make it hard to review developers' subdivision proposals and harder yet to do any of the badly needed road improvements that had been planned as part of the 1976 Road Program.

Included in the proposed budget is an 8% Cost of Living increase for all Town employees and an \$8.66 increase in the monthly contribution toward the Employees Blue Cross/Blue Shield hospitalization and medical benefit plan. The new Board of Selectmen has recently voted to recommend the Town pay 100% of the employees Blue Cross/Blue Shield premiums as was approved two weeks ago for School District personnel. This will require a \$13,000 budget increase. In addition, 48 employees will be eligible for a 4% merit step increase sometime during 1976. Not all of them will get that increase.

In the accounts of the budget yet to be considered, the differences between the Selectmen's Proposed Budget and that of the Budget Committee are as follows:

1. Town Building - The old Budget Committee lopped off \$5,000 for a replacement for the 38 year old roof on the Town Hall.
2. They cut \$5,000 for Police Department expansion in the basement of the Adams Memorial Building.
3. They zeroed out \$6,000 for a fireproof vault to protect the originals of road, sewer, and water system plans at the Bean Building on Fordway.
4. They recommend against the 1st new Police Department position since 1973.
5. They cut half the funds needed to construct new tennis courts on Birch Street in the Alexander-Carr park and eliminated funds recommended by the Park and Recreation Commission for the heating and lights at the Westside Community Center.
6. They are again recommending against the \$4,000 membership in the Southern New Hampshire Planning Commission. Traditionally the Town Meeting has restored the funds for membership in this important agency that helps the Town obtain Federal funding for badly needed projects.
7. In an unusual move, the Budget Committee recommended \$17,000 MORE for the Town's Ambulance Service than it did the Board of Selectmen. This involves a disagreement over the need for a third ambulance.

In addition, the Board and the old Budget Committee disagreed on a number of the warrant articles that you will be voting on. Hopefully this meeting will produce a budget that will represent a constructive program and positive direction for the Town of Derry in 1976. Let us not lose sight of the fact that we are not here to play a numbers game by raising or lowering figures. Those figures represent people, programs, and services that make a great deal of difference in the quality of life here in Derry. Your vote is important; consider it carefully. The budget and programs you approve here today will have to be lived with all year long by us - your employees. They will have a real impact on Derry's future. Good luck.

THE MODERATOR: The spokesman for the Budget Committee Mrs. Dimarzio.

MRS. DIMARZIO: In view of the fact that I was not informed that I was going to have to make a short resume of the budget and equipment, I wish we had gotten together with the Town Manager so we could have compared notes. However, off the top of my head the only thing I can say is that we, the Budget Committee, on a whole felt we evaluated the situation, on every situation on its own merits. What the Town departments needed to operate and what we felt the raises for the Town employees in our estimation would be, plus a cost of living raise. Areas in which we felt were considered a luxury we decided to eliminate a little bit of the monies in that particular category. We took the overall input from the open hearings, Budget Committee hearings, plus the unemployment rate in the Town and we decided that we could go into deliberations and see what we could do not to raise the taxes too high for the people which are now \$62.50 and in some areas a thousand and you're heading for perhaps another, I've said it before and I'll say it again, somewhere between \$9 and \$14 per thousand more on your tax rate and a 70% assessment. We did the best we could in a lot of areas. I feel that as far as my home is concerned, heat, lights, fuel and food are the most important and when we have to cut out, have to cut out our recreation and go

without a few things that we would like to have and certainly are necessary, as far as cutting out anything from the recreation, the tennis courts, we stated that we would rather have them put the whole \$20,000 in from the Town rather than accepting the Federal funds. We do not disagree with Federal funding, however, the Federal funding, you have to raise the full amount from the Town in anticipation of Federal funds and if you don't get it, then you're stuck with the whole tab. Thank you very much.

THE MODERATOR: Alright ladies and gentlemen, we will now take up the budget where we left off.

MR. COLLETTE: There was some discussion last week as to which budget committee should be sitting at the head table. Just to clear the air and make sure it's the will of the people, I would like to move at this time that the new Budget Committee take their seats at the head table.

THE MODERATOR: Alright, this was brought to my attention before the meeting started ladies and gentlemen and I felt that I am not the one who should make the decision. We waited for Mr. Soule to get here and Mr. Soule said that since the old Budget Committee had acted on the budget, that they should be the ones up here to present it, but I will do whatever you want to do. Alright, there's been a motion and who seconded it?

MR. GORMAN: Seconded.

THE MODERATOR: Any discussion?

(After discussion the following ensued.)

THE MODERATOR: Any further discussion on the question? The question has been moved.

Negative vote. The old Budget Committee will sit up front.

THE MODERATOR: Alright, now we're going to take up the item on the budget and it's Municipal Court and go through it the same way. We will take it up item by item or by category, whichever you want to.

MR. MACGREGOR: I move that we accept item 4 as printed.

MRS. HEMEON: Seconded.

THE MODERATOR: Any discussion on the motion?

(Discussion ensued on whether to take up the Budget Committee's budget or the Selectmen's budget.)

THE MODERATOR: Alright, the question has been moved. As I understand it the only question on the floor is that we accept the Municipal Court budget of \$38,780 as printed, is that correct Mr. MacGregor?

MR. MACGREGOR: Correct.

THE MODERATOR: Those voting yes will be voting for acceptance; those voting no, of course, we'll have to go back and discuss it item by item.

Affirmative vote.

(The Moderator moved to the next item, Town Hall and other Town buildings.)

MRS. CASTEN: I don't see too much in this Town Hall and other Town buildings so I would like to move that we accept this category as printed.

Seconded by Mr. Katsakiores.

THE MODERATOR: The motion has been made and seconded that we accept this as printed and adopt the \$54,668 under that title.

MR. GERRISH: I would like to move that Mrs. Casten's motion be amended to raise the amount \$64,668, putting back two money items that were deleted by the Budget Committee and it would leave out the vault that was proposed down in the Town Engineer's office.

Seconded by Mr. Keating.

THE MODERATOR: The amendment has been made to the motion to adopt \$54,668, to increase it by \$10,000, to \$64,668.

MR. GERRISH: That's absolutely correct.

(After the discussion the following ensued.)

THE MODERATOR: Alright, the question has been moved. The question is on the amendment to add \$10,000 to the budget under this category. Do you understand the question? All those in favor say "Aye;" those opposed, "No." The "Nos" have it. It is a vote and I so declare. Now we are back to adopting this section, Town Hall and other Town buildings in the sum of \$54,668. Alright, the question has been moved. Do you understand the question?

Affirmative vote.

THE MODERATOR: The next item is Social Security and Retirement.

MR. MACGREGOR moved to accept the item as printed.

Seconded by Mr. Bentley.

Affirmative vote.

THE MODERATOR: The next item is the Police Department.

MR. ROULEAU: I make the motion that we take up this thing item by item.

Seconded by Mr. Breton.

Affirmative vote.

(Whereupon Mrs. Dimarzio read the items under the Police Department.)

(After discussion the following ensued)

MR. JOHNSON: I would like to make a motion at this point to raise the Budget Committee's proposed budget for line 7-1 a total of \$6,103 to agree with the proposed Selectmen's budget which will be the amount of money to pay the salary for one extra police officer.

MRS. WOODSIDE: Seconded.

(After discussion the following ensued.)

THE MODERATOR: The question has been moved on the amendment. I am sorry, the question has been moved and we have to take a vote on it. The question is to increase the salaries of the Police Department by \$6,103. Do you understand the question? If you vote yes, you're voting in favor of the increase. If you vote no, you're voting of course not to increase it and leave it the way it is, and of course we'll vote on that later on. All those in favor say, "Aye;" those opposed, "No." The "Ayes" have it. It is a vote and I so declare.

(After discussion the following ensued.)

MR. JOHNSON: I would like to make a motion that line 7-15 be raised by \$200 to reflect the Selectmen's budget proposal which would provide a uniform for the new police officer.

MRS. CASTEN: Seconded.

THE MODERATOR: Any discussion?

MR. GORMAN: I'd like to make an amendment to that. I'd like to amend that \$200 figure by another \$150 so that we can also give him the equipment he is going to need, the gun, handcuffs and things like this.

MR. LOWE: Seconded.

THE MODERATOR: We're on the amendment to increase it to \$350. Any discussion?

(After discussion the following ensued.)

THE MODERATOR: The question has been moved. Now, we're just voting on the amendment for \$150. All those in favor say, "Aye;" those opposed, "No." The "Ayes" have it. It is a vote and I so declare.

THE MODERATOR: Any further discussion to increase this item by \$350? Alright, the question has been moved. All those in favor say "Aye;" those opposed, "No." The "Ayes" have it. It is a vote and I so declare. We will now go back to item 7-2, Overtime.

MR. MACIVER: I have a question on overtime? I see both the Budget Committee and the Selectmen's proposed budget are the same. Now we negotiated, when I say we, members of the Municipal Association negotiated with the Board of Selectmen and they agreed on a 3 to 5, 3 to 2 vote to increase their budget \$1,085 to reflect time and a half after forty hours. As of now police officers in our Town receive time and a half compensation after forty-eight hours. All of the other Town agencies receive time and a half pay after forty hours. We would like it to reflect the increase of \$1,085 on the Budget Committee's budget, which would allow police officers to receive time and a half after forty hours. In effect what you're appropriating money for is time and a half between the forty and forty-eight hours. I believe maybe the Board of Selectmen might want to speak on this issue also, seeing how they voted in favor of it.

THE MODERATOR: Officer MacIver, as I understand, you're increasing this item, making a motion to increase that item by \$1,085?

MR. MACIVER: That's correct sir.

Seconded by Mr. Rouleau.

(After discussion the following ensued.)

THE MODERATOR: Alright, the question has been moved. You know what the motion is, to increase the item on Overtime by \$1,085. All those in favor say "Aye;" those opposed, "No." The "Ayes" have it. It is a vote and I so declare. We will now go down to the item questioned, which was New Equipment, \$3,600.

(After discussion the following ensued.)

MR. CARLISLE: I want to make a motion to delete that entirely from the budget, that is the scramblers, Article 7-16.

MR. O'CONNEL: Seconded.

THE MODERATOR: Any discussion?

(After discussion the following ensued.)

MRS. WOODSIDE: I'd like to make an amendment to that motion. They wanted to delete \$3,600, I'd say delete \$2,500, you can get an adapter at Benson's and just leave the \$1,100 to get the new frequency so Londonderry isn't bogging them down all the time.

MR. VARNEY: Seconded.

(After discussion the following ensued.)

THE MODERATOR: Alright the question has been moved. I'm sorry, we can't go on discussing everything indefinitely. We are on the amendment to reduce the \$3,600 to \$1,100. Do you understand the

question? All those in favor say, "Aye;" those opposed, "No." The "Nos" appear to have it, but we will have a show of hands because it's close. All those in favor raise your hands. All those opposed raise your hands. Well the opposition takes it, there's no question about it, without even counting hands. I think you will agree unless somebody questions it.

(After discussion the following ensued.)

THE MODERATOR: That's right, we've got a motion on the floor to cut it to zero because the amendment was \$1,100. Now, do you understand what the motion is on the floor? To cut that item, 7-16 to zero or wipe that item out, that's the original motion made by Mr. Carlisle and the question has been moved. Do you understand the question? The original motion was to delete that item completely, made by Mr. Carlisle and seconded by Mr. O'Connell.

(After discussion the following ensued.)

THE MODERATOR: We are going to vote on the motion now to delete that item completely and the question has been moved. All those in favor say, "Aye;" those opposed, "No." The "Nos" have it. It is a vote and I so declare. We will now go on to the next item which was questioned, which was bicycles, \$225.

(After discussion the following ensued.)

THE MODERATOR: Alright, it appears that \$370,258 is the overall figure. Do I hear a motion?

MRS. CASTEN moves that we adopt the Police Department's budget as amended and accept the figure of \$370,258 thereunder. Do I hear a second.

JUDGE GRINNELL: Seconded.

Affirmative vote.

THE MODERATOR: The next item is Forest Fires.

MR. WILSON: I move we accept this item as printed.

MR. VARNEY: Seconded.

(After discussion the following ensued.)

THE MODERATOR: Any further questions on that item? Alright the question has been moved that we accept that item, Forest Fires, \$1,500.

Affirmative vote.

THE MODERATOR: The next item we come to is Trees.

MR. WILSON: I move we accept that item as printed.

MR. WOODSIDE: Seconded.

Affirmative vote.

THE MODERATOR: The next item is Insurance.

MR. WAY: There seems to be little disagreement on this so I'd like to move that we accept this as printed in the budget proposal.

MRS. WOODSIDE: Seconded.

(After discussion the following ensued.)

MRS. CASTEN: I move to amend the Insurance to increase it by \$13,000.

MR. GAINES: Seconded.

(After discussion the following ensued.)

THE MODERATOR: The question has been moved. The amendment is to increase that item by \$13,000. If you vote yes you will be voting in favor of increasing it. All those in favor say, "Aye;" those opposed, "No." Well, it's very close, I'd like to have a show of hands. All those in favor raise your hands. It's obvious, the opposition carries here.

THE MODERATOR: What is your pleasure now on this item?

MR. WILSON: Accepted as printed.

Seconded by Mr. Pellegrino.

THE MODERATOR: Alright, the question has been moved. All those in favor of adopting the insurance in the sum of \$78,921 say, "Aye;" those opposed, "No." The "Ayes" have it. It is a vote and I so declare.

The next item is Planning and Zoning.

MR. WILSON: Accepted as printed.

Seconded by Mr. Woodside.

Affirmative vote.

THE MODERATOR: The next item is Damages and Legal Expenses, \$16,000.

MR. WILSON: Accepted as printed.

Seconded by Mr. Pellegrino.

Affirmative vote.

THE MODERATOR: We will now go on to Civil Defense, \$2,425.

MR. WILSON: Accepted as printed.

Seconded by Mrs. DiMarzio.

Affirmative vote.

THE MODERATOR: The next item we have is the item under Health Associations, \$33,250.

CONTINUED...

MR. WILSON: Accepted as printed.

Seconded by Mr. Varney.

THE MODERATOR: Any discussion?

(After discussion the following ensued.)

THE MODERATOR: Mrs. DiMarzio moved the question. Do you understand the question? That we adopt this item as printed. All those in favor say, "Aye;" those opposed, "No." The "Ayes" have it. It is a vote and I so declare.

The next item is Vital Statistics, \$500.

MR. WILSON: Accepted as printed.

Seconded by Mr. Varney.

Affirmative vote.

THE MODERATOR: The next item is the Sewer Department.

MR. WILSON: Move to accept it as printed.

Seconded by Mr. Carter.

MR. ANDERSON: If I may, I would like to make a motion to increase Item 17-1 by \$2,600 to a total of \$38,946.

(Discussion ensued.)

THE MODERATOR: Do I hear a second on that motion? I've got to have a second before we have any discussion.

Seconded by Mrs. Casten.

(After discussion the following ensued.)

THE MODERATOR: Alright, the question is on the amendment to increase this item by \$2,600. If you vote yes you are voting in favor of the increase. If you vote no, you're not in favor. Alright, all those in favor say, "Aye;" those opposed, "No." The "Nos" have it. It is a vote and I so declare. What is your pleasure under this Sewer Department item?

(After discussion the following ensued.)

THE MODERATOR: The question has been moved. The question is to adopt this item under the Sewer Department in the sum of \$82,846. All those in favor say "Aye;" those opposed, "No." The "Ayes" have it. It is a vote and I so declare.

The next item is Care of Dump

MR. WILSON: I move we adopt this item in the sum of \$26,911.

Seconded by Mr. Carter.

Affirmative vote.

THE MODERATOR: The next item is Highway Maintenance.

MR. WILSON: Accepted as printed.

Seconded by Mr. Woodside.

(After discussion the following ensued.)

THE MODERATOR: Any further discussion on this item? Alright, the question has been moved that we adopt this item as printed in the sum of \$200,851. All those in favor say, "Aye;" those opposed, "No." The "Ayes" have it. It is a vote and I so declare.

(Whereupon at 3:30 the meeting was recessed for fifteen minutes at the request of the Court Reporter.)

(Readjourned at 3:45)

THE MODERATOR: Alright ladies and gentlemen, we are going to resume the meeting. The first thing I want to announce before we take up the budget is that I have been handed a petition that contains seven signatures and under RSA 40, Section 4B, I have to entertain a petition and the petition states that there will be a ballot vote on Article 22. We will have to take a vote on Article 22 and hopefully when we ballot on the others and if anybody wants to examine the signatures, the signatures are right here. Alright, we will take up the next item, Street Lighting, \$64,000.

MR. WILSON: I move to accept this item as printed.

Seconded by Mr. Carter.

(After discussion the following ensued.)

THE MODERATOR: The question has been moved to adopt this item as printed at \$64,000. All those in favor say, "Aye;" those opposed "No." The "Ayes" have it. It is a vote and I so declare.

(Whereupon the Moderator read the items under Highway General.)

(Discussion ensued.)

MRS. DIMARZIO: Yes, under New Equipment, the \$600 as Mr. Blanchard stated was for maintenance. However, it should be deducted from the \$3,100 and put under the maintenance account, because it is not new equipment, it is maintenance.

THE MODERATOR: Is that a motion?

MRS. DIMARZIO: I so move, I move to delete that \$600 from the \$3,100.

THE MODERATOR: The motion has been made to reduce this item of \$3,100 under New Equipment to \$2,500.

MRS. DIMARZIO: And put it under Maintenance.

Seconded by Mr. Kerry.

(After discussion the following ensued.)

THE MODERATOR: Alright, the question has been moved. You understand it is to reduce this item by \$600. All those in favor of reducing say, "Aye;" those opposed say, "No." The "Nos" have it. It is a vote and I so declare.

(After discussion the following ensued.)

MR. MOSCO: As the Town Manager has said, since we're not going to get these services, engineering services, why do we have \$60,000 under Road Improvement? I think we ought to cut that down if we're not having the engineering services. Let's trim it a point. I'd like to make a motion to

reduce that item.

THE MODERATOR: You are moving to strike Item 22-95, Road Improvement?

MR. MOSCO: To reduce the item from \$60,000 back to what the actual expenditure was last year, \$13,150.

THE MODERATOR: Do I hear a second to that motion? Alright, no second.

(Discussion ensued.)

Seconded by Mr. Gallien.

(After discussion the following ensued.)

THE MODERATOR: The question has been moved on the motion to reduce this item from \$60,000 to \$13,150. If you vote yes you are in favor of reducing it. If not, then you go back to your original \$60,000. All those in favor of the motion say, "Aye;" those opposed "No." The "Nos" appear to have it. I rule the "Nos" have it.

(After discussion the following ensued.)

MR. VARNEY: I make the motion to accept the bottom line, \$138,640 as proposed.

Seconded by Mr. Carter.

MR. WILSON: At this time I would like to move that we amend the budget by cutting it \$4,460 to a new figure of \$134,176 to take into account the increase of 8% rather than 14-1/2%, which is what I compute is in there now.

Seconded by Mr. Woodside.

THE MODERATOR: The question has been moved. All those in favor of accepting the amendment to reduce, say, "Aye;" those opposed, "No." The "Nos" have it. It is a vote and I so declare. We are now back to the acceptance of \$138,640. Alright, the question has been moved and there will be no further discussion. You understand the question? All those in favor of accepting this item as printed say, "Aye;" those opposed, "No." The "Ayes" have it. It is a vote and I so declare. The next item is Town Road Aid.

MR. WILSON: Accepted as printed.

Seconded by Mr. Woodside.

Affirmative vote.

THE MODERATOR: The next item is Libraries.

MRS. CASTEN: I'd like to move that we accept the Libraries, Public Welfare and Old Age Assistance, since these things all agree I'd like to move all three of them.

Seconded by Mr. Gorman.

MR. DAVIS: My name is Kenneth Davis and I have a request that we consider the Libraries separately and to speed things up I move that the \$30,150 be approved by us for the MacGregor Library.

THE MODERATOR: The motion has been made and seconded that we take up the three items together and that we accept them as printed, that's the motion on the floor.

MR. DAVIS: I have a motion in connection with the Taylor Library Mr. Moderator.

THE MODERATOR: Then you're making an amendment to the motion, what's your amendment?

MR. DAVIS: Pardon?

THE MODERATOR: What is your amendment if you're making one?

MR. DAVIS: Well, that we discuss the two libraries separately and I said to speed things up that I would move that we approve the \$30,150 for the MacGregor Library and if an amendment is needed to Mrs. Casten's motion -

THE MODERATOR: You're going to have to make an amendment and if you're going to speed it up this way, you're sure doing it. What is it you want to do Mr. Davis?

MR. DAVIS: I have a motion.

THE MODERATOR: There is a motion on the floor. How many times do I have to repeat and tell you?

MR. DAVIS: Well, I would amend it by suggesting that we act on Public Welfare which is line 25, and Old Age Assistance in line 26 and after which we come back to the 24 series.

THE MODERATOR: Do I hear a second on that motion? Nobody seconds that motion and the question has been moved.

MR. DAVIS: It's just been seconded by my wife.

THE MODERATOR: The question has been moved and the amendment was seconded by his wife. We're not going to have any further discussion. All those in favor of adopting the amendment made by Mr. Davis will say, "Aye;" those opposed "No." The "Nos" have it. It is a vote and I so declare. We will now take up the three items as printed. The question has been moved. Do you understand the question? The question is we accept the next three items as printed. All those in favor say, "Aye;" those opposed, "No." The "Ayes" have it. It is a vote and I so declare. And the next three items passed as printed.

(Whereupon the Moderator read the items under the Recreation Department.)

(After discussion the following ensued.)

MRS. CASTEN: I make the motion to amend the Budget Committee's Budget to add the \$5,000 to heat the Community Center and to do the other small repairs.

(Mrs. Casten spoke to her amendment.)

THE MODERATOR: First of all, there was no second; I didn't want to break in on you because I knew you would get mad at me, did anybody second that motion?

MR. SMITH: Seconded.

THE MODERATOR: Any discussion?

(After discussion the following ensued.)

THE MODERATOR: I think there's been sufficient discussion. First of all, it's on the question to increase the item of 28-73 from -0- to \$5,000. If you vote yes you're in favor of the increase, putting in the sum of \$5,000 instead of -0-. All those in favor say, "Aye;" those opposed, "No." The "Nos" apparently have it. It is a vote and I so declare.

(Whereupon the Moderator continued with the items questioned under the Recreation Department.)

MR. HAYWARD: Mr. Moderator, on this item 28-82, I would like to move an amendment to get the discussion going and then we can have discussion on what seems to be bothering everybody, the tennis courts, I move to amend 28-82 to read \$53,480. The amount of \$41,000 of that figure to be used for the construction of tennis courts, \$20,500 to be contingent upon receipt of Federal matching funds.

Seconded by Mr. Collette.

(After discussion the following ensued.)

(Affirmative vote to allow Mr. Collette the opportunity to speak.)

(After discussion the following ensued.)

THE MODERATOR: The question has been moved and it's on the amendment to increase the item of \$32,980 to the sum of \$53,480. Do you understand the question? All those in favor say, "Aye;" those opposed, "No." The "Nos" have it. There's no question that the "Nos" have it and the item stays as it is. There were no other items questions. What is your pleasure on this item under the Recreation Department?

MR. HAYWARD: I would move that we accept the figure as printed, as proposed by the Budget Committee, \$151,433.

Seconded by Mrs. Casten.

THE MODERATOR: The motion has been made and seconded that we accept this item as printed in the sum of \$151,433. Do I hear any discussion?

(After discussion the following ensued.)

MR. MOSCO: I would like to make an amendment to reduce the proposed Budget Committee's figure for \$151,433 back to last year's expenditure, \$111,562.

Seconded by Mr. Carter.

THE MODERATOR: The motion has been made and seconded that we reduce the amount as printed to \$111,562.94. Do you understand the question? If you vote in favor and it passes, it will reduce it and if not, we will go back to the original motion. Alright, all those in favor say "Aye;" those opposed, "No." Well, we will have a show of hands. All those in favor of reducing it put your hands up. Alright, you may put your hands down. All those opposed - there's no question, the opposition takes it. The "Nos" have it. Alright, we're on Mr. Hayward's motion. The question has been moved that we adopt the budget as printed. Alright, if you vote yes you're going to adopt the \$151,433 as printed. All those in favor say, "Aye;" those opposed "No." Again, we will have to have a show of hands. All those in favor let's have your hands. All those opposed - there's no question, it's adopted and it's passed as printed. The next item is the Water Department. What is your pleasure on the Water Department?

MR. GERRISH: I move we accept it as printed.

Seconded by Mr. Varney.

THE MODERATOR: Any discussion?

(After discussion the following ensued.)

THE MODERATOR: The question has been moved on the motion that we accept the item as printed of \$169,547. All those in favor say, "Aye;" those opposed, "No." The "Ayes" have it. It is a vote and I so declare.

MR. ADAMS: Mr. Moderator, at this time I would move that we take up those Articles that have been petitioned to be voted on by secret ballot, but I would ask that the Moderator give some time to debate those matters and an explanation for whoever wants to explain them before we vote.

Seconded by Mrs. DiMarzio.

THE MODERATOR: The motion has been made and seconded that we take up the items that are to be voted on by the "Yes" or "No" or by secret ballot. Any discussion?

MR. TOMPKINS: I would like to speak in favor of the motion and point out however, there are several warrant articles in fact incumbent upon some of the budget details yet to be covered. For instance, there is a warrant article in there for the revenue sharing and I would suggest that we

encompass any discussion in those areas of the budget details that in fact pertain to this, then we could, if the Chair would allow me, to amend this to take up those areas which are in fact covered by budgetary account numbers.

THE MODERATOR: Alright, you heard the motion by Mr. Tompkins, he made an amendment to Mr. Adams' motion that we take up the budget items on a particular question when it comes up, is that correct? In the budget itself before we vote on it. Do I hear a second on that amendment?

MR. WILSON: Seconded.

THE MODERATOR: Any discussion? Alright, the question has been moved. All those in favor of the amendment made by Mr. Tompkins say, "Aye;" those opposed, "No." The "Ayes" have it. It is a vote and I so declare. We are now on Mr. Adams' motion to take up the articles that are to be voted on by secret ballot. Any discussion?

(After discussion the following ensued.)

THE MODERATOR: Alright, the question has been moved. All those in favor of the motion will say "Aye;" those opposed "No." The "Ayes" have it. It is a vote and I so declare.

THE MODERATOR: Alright, the first item that we have here, the first Article to be voted on by secret ballot is Article 12. Article 12 reads as follows:

"By Petition: To see if the Town will apply for a Community Development Block grant under the Housing and Community Development Act of 1974, and should such a grant be made, that a percentage of the funds be used to reduce the number of substandard housing units in Derry."

Anybody have any discussion?

(After discussion the following ensued.)

THE MODERATOR: Any further discussion? You can't move any question, because this has got to be voted on by secret ballot. We're just discussing each item as they come up and then we'll move on to the next one.

The next one is Article 17:

"To see if the Town will vote to either (1) discontinue the following highways, or (2) discontinue as open highways and make subject to gates and bars the following highways:

(a) That portion of Hemlock Spring Road from the Auburn Town line, southerly 1,100 feet.

(b) The highway leading from Tyrell's Corner northerly to the Londonderry Turnpike.

(c) That portion of Madden Road from the Londonderry Town line, easterly 300 feet.

(d) That portion of Gamache Road from a point 2,100 feet easterly of Kendall Pond Road to Fordway Extension.

(e) That portion of the old Poor Farm Road from Bowers Road to the present westerly end of pavement on Strawberry Hill Road approximately 1,100 feet southwest of the intersection of Strawberry Hill Road and Windham Road.

(f) All parts of the old Poor Farm Road between Windham Road and Silver Street, that are not within the present right-of-way of any other approved highway.

(g) That portion of Miltimore Road from Frost Road, northerly, to a point 1,000 feet south of the southernmost intersection of Craven Terrace and Miltimore Road.

(h) The highway leading from a point on the Old Chester Road about 90 feet north of East Derry Road, northeasterly to a point on Young Road about 500 feet southeast of the intersection of Old Chester Road and Young Road.

(i) The highway leading from five corners at the intersection of Beaver Lake Road, Old Chester Road and Cross Road to its intersection with Adams Pond Road and Walnut Hill Road.

(j) That portion of Mill Road from Island Pond Road, southerly 3,600 feet.

(k) The highway which leads from a point on Kilrea Road approximately 2,800 feet easterly of the intersection of Kilrea Road and Stark Road to a point on Mill Road approximately 2,800 feet northeasterly of the intersection of Mill Road and Stark Road.

(l) Jackman Road from Drew Road to the abandoned railroad near Leavitt Brook.

(m) Sheldon Road from the abandoned railroad near Cunningham Brook to Willard and Gail O'Brien's driveway approximately 3,000 feet south of the intersection of Sheldon Road and Hampstead Road.

(n) The highway leading from a sharp curve on Drew Road approximately 1,750 feet northeast of Drew Brook, easterly to the Hampstead town line.

(o) Hall Village Road from Walnut Hill Road, northerly to the Chester Town line.

(p) Waterman Hill Road from Walnut Hill Road, northerly to the Chester town line.

(q) The highway leading from the intersection of Damaron Road and Walnut Hill Road northerly to the Chester town line."

(Discussion ensued on Article 17.)

THE MODERATOR: Just one second. The question has been asked of me whether I could entertain a motion to indefinitely postpone this particular Article. My position is, and I am going to make my ruling on it, I cannot entertain such a motion at the present time because there is a request that we have a secret ballot, "Yes" or "No." However, my feeling would be that if the petitioners withdrew their request for a "Yes" or "No" vote, such a motion could be entertained. The petitioners are Mrs. DiMarzio, Mr. Beaulieu, Charles Cutter and I can't read the others.

(Discussion ensued on whether a motion to indefinitely postpone could be entertained.)

THE MODERATOR: I would say that if either Mr. Cutter, Mr. Beaulieu or Mrs. DiMarzio withdrew their signature from here, there would only be four and then we could go on.

(After discussion the following ensued.)

(Whereupon Mr. Beaulieu and Mrs. DiMarzio withdrew their names from the petition.)

(After discussion the following ensued.)

MR. PILLSBURY: I move that we indefinitely postpone any action on Article 17.

Seconded by Mrs. DiMarzio.

THE MODERATOR: Any discussion?

(After discussion the following ensued.)

THE MODERATOR: Alright the question has been moved. The question has been moved that we indefinitely postpone Article 17. Do you understand the question? The question is that we indefinitely postpone Article 17. All those in favor of indefinitely postponing Article 17 will say, "Aye;" those opposed, "No." The "Ayes" have it. It is a vote and I so declare.

(After discussion the following ensued.)

MRS. HUNTLEY: I move that we recess until next Saturday morning at 10 o'clock at the Hood School Cafeteria or auditorium.

Seconded by Mr. Wilson.

THE MODERATOR: Alright, all those in favor say, "Aye;" those opposed, "No." The "Ayes" have it. It is a vote and I so declare.

(Whereupon at 6:35 P.M. the Derry Town Meeting recessed until 10:00 A.M., March 27, 1976, at the Hood School auditorium.)

## PROCEEDINGS

Hood Junior High School

Saturday, March 27, 1976 - 10:00 a.m.

MRS. DIMARZIO: I am the Assistant Moderator since Joe will be gone for a few hours. You know the rules and regulations by heart. I am sure I don't have to give them again today. However, I do have a few rules of my own. There will be no running debate. You will address the Chair at all times. If there is a particular party who you choose to answer your questions you will address the Chair. The Chair will then again ask the person involved if they choose to respond. I would ask the non-voters or welcome them, but I would also ask them if they would sit to the upper left-hand of the hall and please do not participate in any manner whatsoever and thank you. The meeting will begin. Yes, Mrs. Ferland.

MRS. FERLAND: Madam Moderator, I would like to take up Article 19, and I would like to reserve the right to speak on this.

THE MODERATOR: Are you making a motion?

MRS. FERLAND: Yes. This is a motion to take up Article 19.

THE MODERATOR: Do I have a second.

MRS. WOODSIDE: Seconded.

THE MODERATOR: Mr. Gorman.

MR. GORMAN: Don Gorman. I would like to make an amendment to the motion on the floor. I would like to move that we now ballot on all the ballot articles.

THE MODERATOR: I am sorry, I cannot allow that because this is an adjourned meeting and the motion has been moved to take up the Article. This is not a new meeting and you cannot have an amendment to an article that has already been passed.

(After further discussion it was decided to take a five minute recess.)

THE MODERATOR: Mr. Gorman, I believe that your motion would cut of debate and I am going to have to rule it out of order. The checklist

supervisors have voted to have me as Assistant Moderator so I am moderating.

MR. GORMAN: Madam Moderator, the last motion I made was a challenge of the Chair which takes precedence over everything. I challenge that ruling and I want to put this to the vote of the people and get on with this meeting.

(After further discussion the following ensued.)

THE MODERATOR: All those in favor of Mr. Gorman's motion to cut – what is it, to challenge of the Moderator. I challenged his motion to go to the balloting of the articles to cut of debate. Now Mr. Gorman chooses to do that and I wish to have everybody here to have a chance to talk on anything they want. All those in favor of cutting of debate, it is as simple as that –

MR. GORMAN: The question is, overruling the chair. All those in favor of overruling the Moderator say "Aye". Those opposed "No". The "Nos" have it. We will go to Article 19.

MRS. FERLAND: Madam Moderator, I would like to restate that and state my motion and say this is an amendment to Mr. Adam's motion. I would now like to take up Article 19, and reserve the right to speak on this later.

MR. WOODSIDE: I second that.

THE MODERATOR: All those in favor of the amendment to take up the articles, article by article . . . Pauline Ferland's amendment to take up Article 19, signify by saying "Aye". Those opposed? Article 19 is by petition:

**ARTICLE 19.** To see if the Town of Derry will vote to raise and appropriate a sum of \$50,000 to be placed in a Capital Reserve Fund for the acquisition of land and/or buildings which will be used as a "Lasting Reminder" of our Bicentennial as park property for public uses. Said fund to be administered by the Trustee of Trust Funds and pass any vote relating thereto.

(After discussion the following ensued.)

MRS. WOODSIDE: In view of the fact last week we put in a mini-park and voted to take 108 acres by eminent domain from Mr. John Sullivan, I would like to make a motion to cut this by \$49,999.

MR. WOODSIDE: Seconded.

THE MODERATOR: Dorna Woodside has made a motion to cut this article by –

MRS. WOODSIDE: \$49,999.

THE MODERATOR: \$49,999. Leaving one dollar in. I have a second to that motion.

(After discussion the following ensued.)

THE MODERATOR: Will you withdraw your motion?

MRS. WOODSIDE: I will withdraw.

THE MODERATOR: Will you withdraw your second?

MR. WOODSIDE: Yes.

THE MODERATOR: Any other discussion on Article 19.

(After ending discussion on Article 19 the following ensued.)

MR. PAYNE: I move to take up Article 20.

MR. HOBBSCH: I second it.

THE MODERATOR: Motion has been made to take up Article 20. All those in favor say "Aye". Those opposed? We will take up Article 20.

**ARTICLE 20.** Whereas the Town of Derry is having serious problems with its sewer system, and

Whereas, the rapid addition of many units of apartments over a short period of time will severely aggravate the sewer system problems; and

Whereas, the taxpayers of the Town of Derry will be required to fund the massive improvements to the sewer system brought on even more rapidly by the uncontrolled increase of apartment buildings;

Now therefore, be it resolved, that this Town Meeting hereby requires that the Town of Derry or any agent thereof, shall not issue building permits for more than twenty-five individual apartment units to any one person, group or corporation, or for any one project, in any one calendar year, except the Nutfield Heights elderly housing project is specifically excluded from this restriction.

The above resolution is intended to restrict the number of individual dwelling units constructed in any apartment project, except the Nutfield Heights elderly housing project, to a maximum of twenty-five per year.

(After ending discussion of Article 20 the following ensued.)

THE MODERATOR: Now we will move on to Article 21, if I have that motion. Article 21, conflict of interest, do I have a motion to take it up?

MR. ADAMS: So moved.

THE MODERATOR: Mr. Adams so moved. Do I hear a second?

MR. FERLAND: Seconded.

THE MODERATOR: All those who wish to take up Article 21 say "Aye". Those opposed? It is a vote.

**ARTICLE 21.** The Selectmen shall not appoint an individual to any Town Board or Commission who has economic interests which will be in substantial conflict with the proper exercise of the official duties and powers of that office.

(After discussion of Article 21 the following ensued.)

MR. HAYWARD: I think we have discussed this quite a bit, heard both sides. I just think that we have heard from two lawyers, both sides of the issue and everything else. I think we have discussed it quite a bit and I would like to move to Article 23.

MRS. CASTEN: I second it.

MR. WILSON: Madam Chairman, isn't there a petition on Article 22 also?

THE MODERATOR: I am sorry. I didn't have it before me. The following being legal voters petition for a ballot vote on Article 22. We have enough signatures here.

MR. HAYWARD: Then I will amend that to say "22". I didn't think 22 was on the ballot.

THE MODERATOR: You withdraw your motion and make it for 22.

MR. HAYWARD: Yes.

THE MODERATOR: Do I have a second on that?

MR. COLLETTE: Seconded.

(After discussion the following ensued.)

THE MODERATOR: I will rule that we take up Article 23 and we will do so and then take up Article 22.

**ARTICLE 23.** To see if the Town will vote to raise and appropriate a sum of \$297,000 for the purpose of preparing plans and specifications on sewage and sewage treatment facilities which are requirements contained in the Federal Water Pollution Control Act, as amended (33 U.S.C. §1251 et seq.) and will qualify the Town for Federal Funds, and to allow the Selectmen to expend such monies as become available from the Federal Government under the Financial Assistance Program of the Construction Grants section of the Federal Water Pollution Control Act, as amended section of the Federal Water Pollution Control Act, as amended (33 U.S.C. §1251 et seq.) and pass any vote relating thereto.

(After discussion the following ensued.)

THE MODERATOR: The question is to go back to Article 22. Those in favor "Aye". Those opposed. Who seconded it? Mr. MacGregor seconded to go back to Article 22. Johnson made the motion.

**ARTICLE 22.** To see if the Town will vote to authorize the Selectmen, until directed to the contrary at a subsequent town meeting, to apply, negotiate and do all other things necessary to obtain such Federal, State or other assistance as may be available for municipal purposes including but not being limited to the design of, and construction of a sewage disposal system as provided in RSA 33:7-b and pass any vote relating thereto.

What is your pleasure.

(After discussion the following ensued.)

THE MODERATOR: Ronnie.

MR. HAYWARD: That is what I want to do. I would like to move to go to Article 24.

MRS. JOHNSON: Seconded.

THE MODERATOR: The question has been moved to go on to Article 24. All those in favor? Those opposed?

**ARTICLE 24.** To see if the Town will vote to adopt the provisions of RSA 252 thereby authorizing the selectmen to perform duties and exercise powers over sidewalks and sewers.

Which means authorizing the Selectmen to exercise powers to take by eminent domain. Am I correct?

(After discussion the following ensued.)

THE MODERATOR: Ronnie.

MR. HAYWARD: I think we have discussed it, and I move we go to Article 25 or we are going to be here until 5:00 o'clock just discussing these Articles.

THE MODERATOR: Who seconds it?

MR. HOBBSCH: Seconded.

THE MODERATOR: The next one is 25. There is a motion to go onto Article 25. All those in favor say "Aye". Those opposed? We will take it up.

**ARTICLE 25.** To see if the Town will vote to authorize the Selectmen to take any and all such action as may be necessary to acquire whatever easements and lands as are required to comply with NPDES Permit No. 0100056, initially issued by the Environmental Protection Agency on April 9, 1975, under the provisions of P.L. 92-500, with an expiration date of June 1, 1977. Further, the Selectmen are hereby authorized to employ whatever statutory provisions, including RSA 31:92-a as are deemed necessary or desirable in order to secure the easements and lands required for the project.

What is your pleasure?

(After discussion the following ensued.)

THE MODERATOR: Mrs. Johnson.

MRS. JOHNSON: I would like to move at this time that we go to Article 26, which I believe is the last of the secret ballot articles.

MR. MACGREGOR: Seconded.

THE MODERATOR: All those in favor of going to Article 26? Those opposed? It is a vote.

ARTICLE 26. Whereas, that there continues to exist within the State a serious shortage of safe and sanitary dwelling accommodations at rents which elderly and low income persons can afford, and that such persons are forced to occupy substandard dwelling accommodations; and

Whereas, the General Court of the State of New Hampshire has enacted Chapter 204-A of the New Hampshire Revised Statutes Annotated establishing the New Hampshire Housing Commission; and

Whereas, RSA 204-A:9 provides that the Commission shall not operate without the consent of the governing body of a municipality; namely, the Derry Town Meeting; and

Whereas, said RSA 240-A:9 provides that consent of the governing body must be given for each project; and

Whereas, under the provisions of Section 8 of the U.S. Housing Act of 1937, as amended, the U.S. of America acting through the Secretary of Housing and Urban Development, is authorized to enter into annual contributions contracts with public housing agencies pursuant to which such agencies may enter into contracts to make assistance payments to owners;

Now, therefore, be it resolved by the Town Meeting and the Town of Derry as follows:

That the New Hampshire Housing Commission be and is authorized to operate in the Town of Derry.

That said New Hampshire Housing Commission is authorized to sponsor a project, under Section 8 of the U.S. Housing Act of 1937, as amended, for any of the following dwelling accommodations or a combination thereof: (a) existing standard housing 30 dwelling units; (b) rehabilitated housing 20 dwelling units; (c) newly constructed housing 100 dwelling units; the total number of dwelling units authorized by this and all previous authorizations shall not exceed 150 dwelling units.

What is your pleasure on discussion?

(After discussion the following ensued.)

MRS. CASTEN: I move we close discussion.

MR. COLLETTE: Seconded.

(After discussion the following ensued.)

MR. HAYWARD: I would suggest that, and I move this in the form of a motion, that before we recess to vote on these articles by ballot that we go back and take Article, I think it is Article 8, and any other Article that has been acted upon up until this time at the previous two meetings, if there are any reconsideration I suggest we go back and take care of these now and not wait until the meeting thins out.

MRS. CASTEN: I second that motion.

(After further discussion the following ensued.)

MODERATOR DIMARZIO: The way I take it therefore, if you are against taking up the petitioned article and you are for balloting right now then you will vote against Ronnie's motion. If you are for taking up the petitions and the reconsiderations you vote for Ronnie's motion.

(After further discussion the following ensued.)

MODERATOR STANCIK: I say we are on the Articles and we are going to take the articles up and dispose of the articles that we are on.

MR. HAYWARD: Lets take a hand vote.

MODERATOR STANCIK: You are out of order.

MR. HAYWARD: Wait a second. I question the Chair's ruling. Either a hand vote, I don't care how we get it done. Lets have a hand vote.

(After further discussion the following ensued.)

MODERATOR STANCIK: We can't go on, Genelemen, we just can't. As Judge Grinnell says, we have got to end this meeting this week.

MR. KEATING: If we vote down Mr. Hayward's challenge will you later entertain a motion to reconsider, will you rule against reconsideration at a later time?

MODERATOR STANCIK: No, sir. Because it is by the petition and I will give an opportunity to reconsider, and only on that one item. All those in favor say "Aye". Those opposed "No". The "Nos" have it. It is a vote and I so declare.

(Whereupon secret balloting takes place on Articles 12, 19, 20, 21, 22, 24, 25 & 26 beginning at 12:35 p.m. with polls to remain open until 2:00 p.m., at which time the meeting is to resume.)

March 27, 1976 - 2:00 p.m.

MODERATOR DIMARZIO: I declare the polls closed.

MODERATOR STANCIK: The meeting has been resumed. Mr. Wilson.

MR. WILSON: Dennis Wilson. At this time, Mr. Moderator, I would like to take up, we are back on Article 8, I assume, I would like to take up line item 42.1.

MRS. CASTEN: I second that motion.

THE MODERATOR: The motion has been made and seconded that we take up the item 42:1, and that we accept it as printed, and that is under "Emergency Employment". If you will look on your books, page 13. Yes, Mr. Keating.

MR. KEATING. Mr. Moderator, in order to expedite matters before we open any pandoras as a reconsideration motion. I would at this time like to make an amendment to Mr. Wilson's motion that we increase line item 42-1 for \$15,100. which is to be used specifically for the Town Employees and the ambulance employees one hundred per cent Blue Cross-Blue Shield.

MRS. CASTEN. I second that motion.

THE MODERATOR. Mrs. Dimarzio seconded Mr. Keating's motion. I am sorry, Mrs. Casten seconded Mr. Keating's motion that we increase 42-1 by \$15,100.00 and that it be used specifically for Blue Cross-Blue Shield.

MR. KEATING. Yes, to be specifically for Town employees and the ambulance crews one hundred percent coverage Blue Cross-Blue Shield. This would stop us from opening up any reconsiderations or anything else at this time.

(After discussion the following ensued.)

THE MODERATOR. Mr. Gorman.

MR. GORMAN. Can we move the question.

THE MODERATOR. The question has been moved. There will be no further discussion. And you are voting on the amendment made by Mr. Keating to increase the emergency employment item, being 42-1 by \$15,100. to make it \$65,100. Those who want to favor the amendment to increase will vote "Yes". Those opposed will vote "No". And then whatever the outcome of the vote then we will take up whether it will be \$65,100 or \$50,000. Do you understand the question? I think we better have a show of hands. Those in favor of adopting the increase by \$15,100 put up your hands at this time. Put your hands down. Those opposed. It is obvious the "Yeses" have it. We just voted the amendment. We are now going to vote on the whole thing. Do you want to make a motion?

MR. HAYWARD. I move that we now vote on it, whatever it is, as amended. I don't know what it is, 42-1.

THE MODERATOR. In other words, your motion should be that we accept 42-1 as amended. The motion is made by Mr. Hayward that we accept Item 42-1 as amended at \$65,100.

MR. BENTLEY. Seconded.

THE MODERATOR. No further discussion? All those in favor of the Article put their hand up please. Put your hands down. Those opposed. It is obvious that a majority, a great majority is in favor of the increase and it was passed at \$65,100. Mr. Hayward.

MR. HAYWARD. I would like to move that any consideration or reconsideration of the Town budget or town warrant be allowed only at the completion of debate and vote on such article or item, and not once we have moved to another article or item.

MRS. CASTEN. I second that motion.

THE MODERATOR. All right. You heard the motion. Any discussion? Yes, Mr. Wilson.

MR. WILSON. I would like to amend the motion and say; to incorporate all of the ruling made by Mr. Stancik at the beginning of the meeting, no amendments on amendments, no reconsideration, there was four or five other rulings made by Mr. Stancik, I would like all of his rules incorporated into his motion and revote his rulings to become the motions of this meeting.

MR. LUTZ. I second that motion.

MR. GARLAND. Move the question.

THE MODERATOR. All those in favor say "Aye". Those opposed "No". The "Ayes" have it. It is a vote and I so declare. Now we are on the question of Mr. Hayward's motion as amended. All those in favor of adoption the motion as made by Mr. Hayward and amended by Mr. Wilson will say "Aye". Those opposed "No". The "Ayes" have it. It is a vote and I so declare.

MR. HAYWARD. Now just to make it official. I voted with the prevailing side and I move for reconsideration of the motion as just carried. I urge everybody to vote "No" so now we seal this off and we are set under the rules.

MRS. CASTEN. Seconded.

THE MODERATOR. The question has been moved. You know what the question is. All those in favor say "Aye". Those opposed "No". All right. It appears you want to reconsider everything. That is up to you.

FROM THE FLOOR. Lets have a show of hands.

(After further discussion the following ensued.)

THE MODERATOR. All those in favor will put your hands up. All those opposed put your hands up. It is obvious the "Nos" have it and there will be no further reconsideration. Mr. Bentley.

MR. BENTLEY. I move we finish the articles of the warrant at this time.

(After discussion the following ensued.)

MR. BENTLEY. I will withdraw my motion.

THE MODERATOR. Mr. Adams.

MR. ADAMS. I move that at this time we adopt the figure \$1,912.00 as a total for items 30-1, 30-2, and 30-3 as voted by the Budget Committee.

MRS. WOODSIDE. Seconded.

THE MODERATOR. The motion has been made and seconded that we adopt under Regional Association, do I understand it, \$1,912.00. Any discussion?

(After discussion the following ensued:)

THE MODERATOR. Mr. Gorman.

MR. GORMAN. Mr. Moderator, I would like to make an amendment on that. That we increase the Southern New Hampshire Regional Planning by \$4,099.

MR. SMITH. Seconded.

THE MODERATOR. Any discussion on the amendment to increase by \$4,099?

(After discussion the following ensued.)

THE MODERATOR. The question has been moved. There will be no further discussion. And you understand the question. It is on the amendment to increase by \$4,099 for the Southern N.H. Regional Planning. If you vote "Yes" you are in favor of the increase. If you vote "No" you are opposed to the increase. All those in favor say "Aye". Those opposed "No". The "Nos" have it. It is a vote and I so declare. You are asking for a hand vote. All those that are in favor of increasing put your hands up. I am just going to look first and then if there is any question we will count them. Put your hands down. All those opposed? It appears to me that the "Yeses" have it. The "Yes" to increase has been passed. What is your pleasure?

MR. MacGREGOR. We request a hand ballot. We question that.

THE MODERATOR. If you want a hand count we will give you a hand count.

(Whereupon a hand count was taken.)

THE MODERATOR. Well, the "Yeses" is 126 to 77 "Nos". I so rule that the "Yeses" have it.

MRS. CASTEN. I move we accept the Regional Association category.

THE MODERATOR. Mrs. Casten is making a motion.

MRS. CASTEN. I move we accept the series 30-1 to 30-3 as amended to increase it to \$6,000.

MR. COLLETTE. Seconded.

THE MODERATOR. All those in favor of adopting the increase as it was increased will say "Aye". Those opposed "No". The "Ayes" have it. It is a vote and I so declare.

The next item is Matching Funds, \$15,000. What is your pleasure on that?

MR. WILSON. Accept it as printed.

THE MODERATOR. All right. Mr. Wilson moves we accept it as printed. Mrs. Casten seconds the motion. Any discussion? Mr. Bentley.

(After discussion the following ensued:)

MRS. JOHNSON. Mr. Moderator, I would like to move this question.

THE MODERATOR. The motion is to adopt the Matching Funds Article of \$15,000. If you vote "Yes" you are in favor. If you vote "No" you are opposed. All those in favor say "Aye". Those opposed "No". The "Ayes" have it. It is a vote and I so declare. Mr. Gorman.

MR. GORMAN. I would like to move at this time that the meeting take up Forest Hills Cemetery, payment on Debts, Interest on debts, interest on loans, sewer projects, bicentennial celebration and revenue sharing. I would like to move that as one motion.

MR. JACKSON. Seconded.

MR. GORMAN. I did not include the ambulance. If you want to discuss that fine. I only mentioned items that the Budget Committees' figures and the Selectmen's figures concurred.

THE MODERATOR. We are going to announce the vote. Maybe it would be wise if I announced the vote before and just leave this article pending. Turn to your ballots. The first "Yes-No" ballot vote is on Article 12. And the outcome of Article 12 is as follows: "Yes" 98, "No" 165. That is defeated. Article 13: to see if you will vote to abolish the parks & recreation commission - I am sorry, 19. Article 19 was the next item: "Yes" 93, "No" 178, the article is defeated. Article 20 was the next article, that is on the sewer system, the result of Article 20, "Yes" 165, "No" 109, that Article is passed. Article 21, "Yes" 145, "No" 116, that article is passed. Article 23, "Yes" 136, "No" 131, and that passed. Article 24, "Yes" 172, "No" 100. Article 25, "Yes" 157, "No" 117, that article is passed. Article 26, "Yes" 144, "No" 129, that article is passed. Article 22, which requires a two-thirds vote as I understand, "Yes" 148, "No" 125, and that article would be defeated, even though it has the majority it does not have a two-thirds vote.

(After discussion the following ensued:)

MR. WILSON. I make the motion on the floor to take up all the rest of the budget items. Mr. Gorman excluded the parking lots and ambulance. I believe that is all he excluded.

MR. MODERATOR. No, just the ambulance, he said, the ambulance.

MR. WILSON. He excluded parking lots, too. I would like to amend his

motion to exclude the Sewer Department 48 account.

THE MODERATOR. Anybody second that motion?

MR. CUTTER. I second it.

THE MODERATOR. Any discussion on the amendment? Which excludes sewer projects from Mr. Gorman's motion.

(After discussion the following ensued:)

THE MODERATOR. We will have a vote on the amendment to exclude sewer projects. You understand if you vote "Yes" you will be voting in favor of excluding projects on Mr. Gorman's original motion to take up the whole bunch of items, except those that have already been passed and the ambulance which is excluded. You understand what the question is. All those in favor say "Aye". Those opposed "No". The "Nos" have it. It is a vote and I so declare.

JUDGE GRINNELL. The question.

THE MODERATOR. You know what the question is. The question has been moved. There will be no further discussion. Do you know what you are voting on. "Yes" to accept Mr. Gorman's motion; "No" to defeat and then we take it up item by item. All those in favor say "Aye". Those opposed "No". The "Ayes" have it. It is a vote and I so declare. Mr. Bentley.

MR. BENTLEY. I presume now that we have passed those articles the next one will be 46-1, parking lots, am I correct?

THE MODERATOR. A warrant article, if you want to take that up you will be able to do so.

MR. BENTLEY. I so move.

MRS. JOHNSON. I would like to second Mr. Bentley's motion, which I understand to be to take up Article 14, which is the Parking Lots.

THE MODERATOR. The motion has been made and seconded to take up Article 14 at this time. Any discussion? All those in favor say "Aye". Those opposed "No". The "Ayes" have it. It is a vote and I so declare. And we will now take up Article 14 which reads as follows:

**To see if the Town will vote to authorize the Selectmen to withdraw a sum not to exceed \$10,000 from the Capital Reserve Parking Lot Fund and expend the same for the purpose of developing and paving parking lots, and pass any vote relating thereto.**

What is your pleasure on that?

MR. MacGREGOR. I move we pass Article 14 as printed.

MR. WILSON. Seconded

THE MODERATOR. Mr. MacGregor moves we accept it as printed and Mr. Wilson seconds that motion. Any discussion?

(After further discussion the following ensued:)

THE MODERATOR. Any further discussion?

MR. HAYWARD. Move the question.

THE MODERATOR. The question has been moved. All those in favor say "Aye". Those opposed "No". The "Nos" appear to have it. We will have a hand vote and I will look and see first. Then if you want a count I will count. All those in favor raise your hand. Put your hand down please. All those opposed? It appears like a close vote. I think we will have to have a count.

(Whereupon a hand count was taken)

THE MODERATOR. There is no question that it appears the "Yeses" have it. There is no question. "Yeses" 129 and "No" 72. There is no question about it. So that the Article is passed, and that is 46.

(After further discussion a retabulation of the count takes place.)

THE MODERATOR. It is now 85 "Yes" and 72 "No", so the "Yeses" have it. Mr. Wilson.

MR. WILSON. I move we take up Article 50-1.

MRS. DIMARZIO. Seconded.

THE MODERATOR. A motion has been made by Mr. Wilson that we take up Article 16 on your printed budget.

(After discussion the following ensued:)

THE MODERATOR. There is a misunderstanding. We won't be voting Article 16 as printed we will discuss the article in the budget first before we do any voting.

MR. WILSON. I move 50-1

MRS. DIMARZIO. I second it.

Whereupon discussion takes place.)

THE MODERATOR. Mr. Gerrish.

MR. GERRISH. I would like to move to amend the motion to accept the ambulance budget of \$128,634. This would effectively remove from this year's budget the purchase of the new ambulance.

THE MODERATOR. Mr. Wilson seconds that, is that correct?

MR. WILSON. Yes.

THE MODERATOR. Judge Grinnell, did you second it?

JUDGE GRINNELL. I tried to.

THE MODERATOR. Mr. Wilson already seconded it.

(After further discussion the following ensued:)

THE MODERATOR. The question has been moved and the first question is on the amendment actually to reduce that expenditure by \$17,000., to \$128,634. If you vote "Yes" on the amendment you are in

favor of reducing. If you vote "No" you are not in favor of reducing then we will take it. You understand the question now. All those in favor raise your hand. This is on the amendment. All right. You may lower your hands. All those opposed. It is obvious that the opposition has it and the amendment is defeated. We are on the question of \$145,634 under Ambulance.

MR. WILSON. Move that we accept it as printed.

THE MODERATOR. Do I hear a second?

MRS. ST DENNIS. Seconded.

THE MODERATOR. Seconded by Mrs. St. Dennis. Any discussion? The question has been moved. You know what the question is, to accept as printed. All those in favor say "Aye". Those opposed "No". The "Ayes" have it. It is a vote and I so declare.

Mr. Wilson has made a motion that we now take up Article 16 in the warrant which has something to do with that.

MR. WILSON. Take it up and accept it as printed.

THE MODERATOR. Mr. Wilson moves we take it up and accept it as printed and Mrs. Dimarzio seconds it. The question has been moved. All those in favor raise your hand, to adopt as printed. All right. You may lower. Opposed, raise your hand. Apparently it is adopted as printed, and that is Article 16 is adopted. Mr. Gerrish.

MR. GERRISH. I would move that you go to Article 11, that is the Revenue Sharing Warrant Article. I don't believe it has been done.

THE MODERATOR. All right. Mr. Gerrish moved that we take up Article 11. Mrs. Johnson seconds his motion. Any discussion? The question has been moved. All those in favor of taking up Article 11 at this time say "Aye". Those opposed "No". The "Ayes" have it. It is a vote and I so declare. We will take up Article 11 which reads as follows:

To see if the Town will vote to authorize the withdrawal from the revenue sharing fund and the revenue sharing surplus established under the provisions of the State and Local Assistance Act of 1972 for use as set-offs against budget appropriations in the amounts indicated below and further to authorize the Selectmen to take any other actions hereon:

APPROPRIATIONS	ESTIMATED AMOUNT
Road Improvements .....	\$159,600.
Recreation pick-up truck .....	7,000
Water & Sewer pick-up truck .....	4,700
Police Cruisers (4) - Equipped .....	16,000
	\$187,300.00

What is your pleasure on Article 11?

MR. MacGREGOR. Move it be accepted as printed.

MR. WILSON. Seconded.

THE MODERATOR. Mr. MacGregor moves we accept it as printed. Mr. Wilson seconds it. Any discussion?

(After discussion the following ensued.)

THE MODERATOR. The question has been moved. I think we have had adequate discussion. The question is whether you want to adopt Article 11 as printed. You will vote "Yes". If you don't want to adopt it you will vote "No". All those in favor raise your hand, in favor of adopting. Lower your hands please. Those opposed please will raise their hand. It is obvious the majority is in favor of adopting Article 11 as printed.

MR. MacGREGOR. I move we go to Article 13.

THE MODERATOR. Mr. MacGregor moves that we take up Article 13 and adopt it as printed. Seconded by who?

MR. ADAMS. I second it

THE MODERATOR. Ben Adams seconded it.

MR. WOODSIDE. Seconded.

THE MODERATOR. Mr. Woodside seconds the motion? Any discussion on adopting Article 13.

(After discussion the following ensued:)

MRS. CASTEN. I would also like to make a amendment to this, that the Recreation Commission act in an advisory capacity only.

MRS. WOODSIDE. I second that.

THE MODERATOR. Mrs. Casten makes a motion that the Recreation Commission just act in an advisory capacity, and it is seconded by Mrs. Woodside.

MR. GARLAND. Move the question.

THE MODERATOR. The motion has been made to move the amendment. You know what you are voting on, that they act only in an advisory capacity, that is the Recreation Department. If you vote "Yes" you are in favor of the amendment. If you vote "No" you are not in favor. All those in favor of adopting the amendment will put their hand up. You may put your hand down. All those opposed to adopting the amendment. It is pretty close. I think I am going to have a count.

(Whereupon a hand count was taken.)

THE MODERATOR. It is obvious that the "Nos" have the majority, 44 "Yes", 81 "No".

MRS. DIMARZIO. Move the question.

THE MODERATOR. The question has been moved that we adopt the article as printed. If you vote "Yes" you are in favor of adopting it. If you vote "No" you are opposed to it. All those in favor will raise their hand. All right. Lower your hand. All those opposed raise your hand. It is obvious the majority adopts it as printed on Article 13.

The Clerk of the Selectmen's Office has given me the figure on the amount that you are going to have to adopt with the increases on the amendments. I don't think there were any decreases at all. And the figure, the total amount that you should adopt under the expenditure item would be \$3,006,314.00. All right. Anybody make that as a motion that we adopt that?

MRS. CASTEN. So moved.

THE MODERATOR. Mrs. Casten moves that we adopt the expenditure item of \$3,006,314.

JUDGE GRINNELL. I second it.

THE MODERATOR. Judge Grinnell seconds the motion.

JUDGE GRINNELL. I second it with the proviso that it be verified from the official record of the meeting.

THE MODERATOR. All right. With the understanding it will be verified by the official record. We will make it with that, you know, in other words, that you will verify that this is the correct figure.

MRS. CASTEN. All right.

THE MODERATOR. The question is moved. All those in favor of adopting it as amended will say "Aye". All those opposed "No". The "Ayes" have it. It is a vote and I so declare. I think the revenue, I think we should adopt the revenue items, don't you think so?

MR. ADAMS. I so move.

THE MODERATOR. Mr. Adams moved we adopt the revenue items as printed.

JUDGE GRINNELL. Seconded.

THE MODERATOR. The question has been moved. You understand what the question is. The question is to adopt the revenue items as printed. All those in favor say "Aye". Those opposed "No". The "Ayes" have it. It is a vote and I so declare. Mr. Moscow.

MR. MOSCOW. Mr. Moderator, I have several motions and I would like to move to Article 30 so that we can conduct other business.

THE MODERATOR. I think we should get rid of all the other articles and take that up last, Mr. Gerrish.

MR. GERRISH. There is another Budget Article really, the budget Revenue Article No. 27, you ought to do before you settle your revenues.

THE MODERATOR. You move to take up Article 27?

MR. GERRISH. I move we take up Article 27.

MR. KEATING. Seconded.

THE MODERATOR. The motion is to take up Article 27 as printed.

MR. GERRISH. I will move that we accept it.

MR. MacGREGOR. Seconded.

THE MODERATOR. The motion has been made and seconded that we take up Article 27 — that we accept Article 27 as printed.

**ARTICLE 27. To see if the Town will vote to remove the sum of \$25,000 from the Capital Reserve Fund for improvements to the Adams Memorial Building and place it in the Town's general fund.**

(After discussion the following ensued.)

THE MODERATOR. I understand that this is a two-thirds vote and all those in favor will raise your hand please and I think we will have to have a count so there will be no question.

(Whereupon a hand count was taken.)

THE MODERATOR. "Yes", 107, "No 17, and it is carried by two-thirds. Mr. MacGregor.

MR. MacGREGOR. I would like to make a motion we take up Article 15 at this time.

MR. COTE. Seconded.

THE MODERATOR. Let me read it off.

**ARTICLE 15. To see if the Town will vote to permit the Town's ambulance service to participate in a mutual aid assistance program with area towns and cities which can provide mutual aid assistance in return.**

Any discussion?

MRS. DIMARZIO. I move it be accepted as printed.

MR. COTE. Seconded.

THE MODERATOR. The motion has been made and seconded that we accept it as printed. The question has been moved. You know if you vote "Yes" you are in favor of adopting the article as printed. If you vote "No" you are opposed. All those in favor raise their hand. All right. You may

lower it. Those opposed will raise their hand. All right. It is the first thing that has been unanimous.

What is your pleasure now?

MR. CARLTON. Mr. Moderator, I would like to move to Articles nine and ten. I guess, start with nine.

THE MODERATOR. We will take up Article 9 at this time. And it reads as follows:

**ARTICLE 9. To see if the Town will vote to authorize the Selectment to sell at public auction and convey any real estate acquired through deeds from the collector of Taxes or as reimbursement for assistance furnished citizens, providing that in the case of tax deeded real estate the previous owner, or his or her heirs, if known, or its successors or assigns in the case of a corporation, shall have first opportunity to purchase the same, and pass any vote relating thereto.**

What is your pleasure?

JUDGE GRINNELL. I move its adoption.

MR. MacGREGOR. Seconded.

THE MODERATOR. Mr. MacGregor seconds it.

FROM THE FLOOR. Move the question.

THE MODERATOR. The question has been moved. All those in favor say "Aye". Those opposed? The "Ayes" have it. It is a vote and I so declare.

We will go to Article 10:

**ARTICLE 10. To see if the Town will vote to authorize the Selectmen and Treasurer under the provisions of RSA 33:71, as amended, to borrow in anticipation of taxes such sums as are necessary for the operation of the Town, and to set the rates, effect the issuance of notes, and to otherwise negotiate for the sale of notes to be paid within the present fiscal year.**

What is your pleasure on that Article?

MR. MacGREGOR. Move we adopt it as printed.

MRS. CASTEN. Seconded.

THE MODERATOR. The motion has been made and seconded. Discussion?

FROM THE FLOOR. The question.

THE MODERATOR. The question has been moved. All those in favor say "Aye". Those opposed "No". The "Ayes" have it. It is a vote and I declare that Article 10 is adopted.

**ARTICLE 28. To hear the reports of Town Officers, auditors and committees heretofore chosen and pass any vote relating thereto.**

MRS. CASTEN. Motion that we adopt the article as printed.

MR. GORMAN. Seconded.

THE MODERATOR. Any discussion?

MRS. CASTEN. Move the question.

THE MODERATOR. First of all you move the question. The question has been moved. All those in favor of adopting say "Aye". Those opposed "No". The "Ayes" have it. It is a vote and I so declare.

**ARTICLE 29. To appoint any committee necessary on any article included in this warrant.**

MRS. CASTEN. Mr. Moderator, I move we accept Article 29 as printed.

THE MODERATOR. Mrs. Casten moves we accept Article 29 as printed. Do I hear a second?

MR. JACKSON. Seconded.

THE MODERATOR. Mr. Jackson seconds it. Any discussion?

FROM THE FLOOR. Move the question.

THE MODERATOR. The question has been moved that we adopt Article 29 as printed. All those in favor will signify by saying "Aye". Those opposed "No". The "Ayes" have it. It is a vote and I so declare.

**ARTICLE 30. To transact any other business that may lawfully come before this meeting.**

George, maybe it would be wise for you to make a motion that we change the Municipal Court to the District Court.

JUDGE GRINNELL. At your suggestion, I so move.

MR. WOODSIDE. Seconded.

THE MODERATOR. Any discussion.

MR. MacGREGOR. The question.

THE MODERATOR. You have heard the motion. All those in favor say "Aye". Those opposed "No". It is a vote and I so declare.

THE MODERATOR. I will recognize Mr. Gagne.

MR. GAGNE. I would think under new business I would like to see after ten o'clock at night that all cars not be parked out on the streets so that the Highway Department can sweep the streets and keep them clean throughout the Bicentennial Year.

THE MODERATOR. Is that in the way of a motion?

MR. GAGNE. Yes.

THE MODERATOR. Any second?

(No response)

THE MODERATOR. I am afraid you are by yourself, Ed.

(After discussion the following ensued.)

MR. COLLETTE. I make a motion that we take up Article 30.

MRS. CASTEN. Seconded.

MRS. WOODSIDE. Seconded.

THE MODERATOR. The motion has been made by Mr. Collette and seconded by Mrs. Woodside that we take up Article 30, which you have been doing, but we will have a vote. All those in favor of adopting say "Aye". Those opposed "No". The "Ayes" have it. It is a vote and I so declare. Mr. Gorman.

MR. GORMAN. First of all I would like to move to adjourn.

THE MODERATOR. Just a second. Mr. Adams.

MR. ADAMS. I have the same idea, Mr. Moderator.

THE MODERATOR. Mr. Smith, do you have anything to say?

MR. SMITH. Gary Smith. I would like to make a motion that the Selectmen, with the cooperation of interested citizens, investigate other forms of Town Government to replace Town Meeting. Town Meeting is getting too unwieldy for this to continue. I think we ought to go to Aldermanic form of government or some such thing.

MRS. CASTEN. I second that motion.

THE MODERATOR. Mrs. Casten seconds Mr. Smith's motion.

FROM THE FLOOR. The question.

THE MODERATOR. The question has been moved. All those in favor of the motion will say "Aye". Those opposed "No". The "Ayes" have it. It is a vote and I so declare.

(After discussion the following ensued.)

THE MODERATOR. Mr. Moscow.

MR. MOSCOW. I would like to move to adopt the accounting practice of using revenue sharing income received by the Town of Derry as surplus moneys for the specific purpose of reducing taxes the subsequent year.

(After discussion the following ensued.)

MR. GORMAN. I make a motion to adjourn.

MR. MacGREGOR. I move we adjourn.

THE MODERATOR. Motion has been made by Mr. MacGregor to adjourn. Mr. Vining, do you second it?

MR. VINING. No. I have a motion that is very very important here.

THE MODERATOR. Let's see what Mr. Vining has.

MR. VINING. Over the past few weeks I have been using the Town Offices here in checking the Town Records and they are not up to date. And my motion is that at the Town Annual Meeting, whether it is a Town Meeting, an Aldermanic Meeting or anything, that the Town Fathers have a certified audit available to the Townspeople. There is not a certified audit in the Town Hall except for 1972, and this is 1976.

(After further discussion the following ensued.)

MR. JACKSON. Mr. Moderator, I make a motion that we adjourn the meeting.

THE MODERATOR. All right. Did I Hear — Mr. Gorman seconds it. All those in favor rise. It is a majority, no question.

(Whereupon at 4:20 p.m. on March 27, 1976 the Annual Derry Town Meeting was herewith adjourned.)

# Tax Collector's Report

## Summary of Warrants Property, Resident and Yield Taxes

### Levy of 1976

—DR.—

Taxes Committed to Collector:			
Property Taxes	\$5,478,968.28		
Resident Taxes	90,400.00		
National Bank Stock Taxes	823.77		
Total Warrants		\$5,570,192.05	
Yield Taxes		1,414.68	
Added Taxes:			
Property Taxes	\$ 1,109.84		
Resident Taxes	5,820.00		
		6,929.84	
Overpayments During Year:			
a/c Property Taxes	\$ 182.92		
z/c Resident Taxes	182.00		
		364.92	
Interest Collected on Delinquent Property Taxes		971.28	
Penalties Collected on Resident Taxes		288.00	
TOTAL DEBITS			\$5,580,160.77

—CR.—

Remittances to Treasurer:			
Property Taxes	\$4,755,168.80		
Resident Taxes	77,662.00		
National Bank Stock Taxes	823.77		
Yield Taxes	1,159.03		
Penalties on Resident Tax	288.00		
Interest	971.28	\$4,836,072.88	
Abatements Made During Year:			
Property Taxes	\$ 42,602.15		
Resident Taxes	2,200.00	44,802.15	
Uncollected Taxes - December 31, 1976: (As Per Collector's List)			
Property Taxes	\$ 682,490.09		
Resident Taxes	16,540.00		
Yield Taxes	255.65	\$ 699,285.74	
TOTAL CREDITS			5,580,160.77

### LEVY OF 1975

—DR.—

Uncollected Taxes - As of January 1, 1976:			
Property Taxes	\$ 606,546.83		
Resident Taxes	27,600.00		
Yield Taxes	236.59	\$ 634,383.42	
Added Taxes:			
Property Taxes	\$ 846.82		
Resident Taxes	5,150.00	5,996.82	
Overpayments

Matured Repurchase Agreements	2,095,000.00		

Respectfully submitted,  
David Buffum,  
Treasurer

# *Reports of Departments and Committees*

## **TOWN MANAGER'S REPORT FOR 1976**

The Bicentennial Year in Derry was understandably marked by fireworks, both in terms of celebrating and politics. The Derry Bicentennial Committee prepared and carried off a memorable celebration both in terms of the July 4, 1976 ceremony, bell ringing and liberty pole raising as well as the Columbus Day Bicentennial Parade. Derry is proud of its colonial roots as well John Stark's part in the Revolutionary War and Dr. Matthew Thornton's signature on the Declaration of Independence. Residents and visitors of all ages enjoyed these Bicentennial events and couldn't help but be touched by recalling the history of our country's struggle for independence and Derry's part in that effort.

Commenting on the political fireworks is not the Town Manager's function but the citizens and taxpayers of the Town should be aware of the fact that a considerable amount of time and effort on the Town Manager's part was expended in court related matters (much of it on weekends and evenings) and none of these legal actions were initiated by the Town. One hopes that the budget committee lawsuit will be resolved by the time this report is printed since the removal of the Town Manager and a selectman under RSA 32:10 is at issue for alleged overspending the budget or spending for unauthorized purposes (denied) which is a serious matter. This needs to be settled before the electorate votes on the two new selectmen and the continuation of the Town Manager Plan.

The Town Manager functions as an appointed overseer or administrator of the day to day operations of the Town under the policy direction of the elected Board of Selectmen. A major function of the manager is legislative relations which involves drafting agendas for selectmen's meetings, attending those meetings and handling most of the followup on the actions taken by the Board at their meetings. This involves a considerable amount of correspondence, phone calls and conferences etc. to carry out the decisions of the Town Meeting and Board of Selectmen. In 1976 some 529 letters were generated from the Selectmen's Office as compared with 406 in 1975.

A second major area of the Town Manager's responsibility is overseeing the operations of the Town's departments. This does not mean the Town Manager runs those departments since department heads have that specialized responsibility and knowledge in their own areas. In order to formalize this relationship, the Town Manager has each department head prepare goals for the ensuing year and evaluates their performance based on their goals and the carrying out of their budgeted programs. In some cases, these evaluations are one-on-one conferences followed up by formal personnel evaluation memos. In other situations, these evaluations are verbal based on a weekly or monthly tour of the department's work in progress. These contacts with department heads are supplemented by memos, monthly department head's meetings and frequent day to day contacts on service requests, projects, problems, etc.

One new area of responsibility for the Town Manager this year is Collective Bargaining following the adoption of RSA 273-A by the 1975 State Legislature. Derry had requests for certification of two bargaining units. Both elections favored formation of exclusive bargaining units so in the late summer the Town entered into contract negotiations with the IBPO (Patrolmen) and

AFSCME (Highway, Water and Sewer Department Non-supervisory Employees). A considerable amount of time is spent in these meetings with employee representatives but the real time eater is reviewing contract proposals with the affected department heads, with the Selectmen and preparing contract revisions and summaries of what transpired at the negotiating sessions in which significant changes were made in either side's position on any contract provision. Because of financial and philosophical differences of opinion, these contracts have not been agreed upon as yet. Mediation may be necessary to work out the contract impasse situation.

The Town Manager provides liaison between the Town and its Insurance Broker. Since the General Insurance account cost \$49,000 in 1976 and could reach \$60,000 in 1977, this is an important responsibility. Insurance coverage is vital for a Town. With inflation in the value of buildings, equipment and contents as well as insurance rate increases, we have a difficult time holding this cost down. In spite of the cost escalating pressures, it is worth the effort to try to keep these increases limited as best we can.

This report only scratches the surface of the myriad functions in which the Town Manager gets involved. In spite of the court actions and other aggravations of the job, it has been a rewarding year working for the Town's first five Selectman Board and with Town employees whose determination to get the job done right far exceeds their desire to get through the weeks of deadlines, pressures and more abuse and criticism than they deserve.

Respectfully submitted,  
Frank C. Carlton  
Town Manager

## **HIGHWAY DEPARTMENT**

1976 has been our biggest Road Program year. We completely reconstructed two miles of roads which were North Shore Road-Island Pond Section and Westgate Road. We had a number of overlay/resurfacing projects this year consisting of overlaying East Broadway from the traffic lights to the traffic circle. The Traffic Circle was also reconstructed this year taking five feet off of it all around to make it easier for motorists to go around. We resurfaced East Derry Road from the top of the hill to Lane Road. Also resurfaced were Wall Street, Franklin Street, Birch Street, Hood Road, Schurman Drive, Laurel Street, North Main Street and Mount Pleasant Street. Other roads were patched or leveled with hot top at this time with future plans to be reconstructed, widened or resurfaced, depending on their conditions. English Range Road and Tsienneto Road - (Section II) were mixed-in-place this year. The corner at the Catholic Church on Rollins Street was completely reconstructed and the sidewalk was rebuilt.

Culvert Pipe amounting to 4,171' was installed this year for drainage purposes on North Shore Road-Island Pond Section, Westgate Road, High Street, Scobie Pond Road, Multimore Road, North Shore Road-Beaver Lake Section, English Range Road, and Kendall Pond Road.

The 1977 Road Program has been planned including the cost estimates. The 1977 Highway Department Budget proposed to the Town Manager included the present Secretary, who is used by

the Highway Department and the Wastewater Department as well, and a Project Expediter who performs all the tasks as would a Town Engineer but as the Road Agent's Assistant. A staff considered by the Road Agent to be greatly needed in order to accomplish the Highway Department tasks planned for this Department for 1977 and future years. We must all realize that Derry has been a rapidly growing Town these past few years. With the growing population each Department is effected. I propose to keep up with the growth of Derry by employing the necessary man power that is need to maintain the roads of Derry to be able to continue supplying the Taxpayers with the services required by them.

George H. Blanchard, Road Agent  
HIGHWAY DEPARTMENT

## POLICE DEPARTMENT ANNUAL REPORT

"The mission of law enforcement today is to give the most effective and competent service possible and to gain more public cooperation and support, both moral and financial. Law enforcement cannot fulfill its crucial role in society without adequate public support. Law enforcement is a sacred trust — a service to the people who impose the laws under which they govern themselves. Enforcement of these laws is no mean responsibility. It is a vital function of our democratic system."

J. Edgar Hoover

We recognize that law enforcement is indeed a sacred trust, and we try, in our everyday administration of the law, to maintain a high degree of integrity. If law enforcement officers perform their duties vigorously, objectively, fairly, and with complete dedication to the principles of justice, they can face their critics with self-confidence and self-respect. In assessing the merits of law enforcement, one should not look to popularity and statistical accomplishments alone. Rather, law enforcement should be judged on how well it discharges its responsibilities in keeping with the ethics of the profession.

Law enforcement agencies today are service-oriented. The average taxpayer, you and I, are paying via the tax dollar for effective service and should receive it without question. This is our mission — to serve. The cost to you and me, the taxpayers, for this service is six percent of our tax dollar. If your home is assessed at \$20,000, for example, this service costs you twenty-five cents a day, or \$91.25 annually. A synopsis of the accomplishments as a result of tax dollars expended follows.

Six cruisers traveled 257,846 miles patrolling our streets, and foot patrolmen spent 3,796 hours in the business district. 489 traffic accidents were investigated; 1,077 escorts for making deposits were provided to merchants; 402 residential house checks were made for owners while they were on vacation; and 9,025 complaints were answered. 1,144 suspicious persons or circumstances were checked; 991 parking tickets were issued; 913 assists to motorists were rendered; and 267 defective motor vehicle equipment warning tags were issued. 1,429 persons were arrested or given summonses to appear in court, while 2,208 persons were verbally warned of motor vehicle infractions.

This does not reflect the hours expended in assisting other agencies such as welfare, probation, police, fire and schools. Many hours are spent with children in classrooms, safety programs, issuance of permits, bicycle and dump stickers, vehicle registration verification checks, scouting and civic groups, prevention programs, traffic control, notifications, intervention in

domestic disputes, lost children, investigation of unnatural deaths, jail functions, and other numerous duties performed of a non-enforcement nature.

Other matters which received attention were one homicide, one cleared; 1 rape, 1 cleared; eight robberies, six cleared; six aggravated assaults, five cleared. Burglary, which represents an invasion of a person's home or business and theft of his possessions, is an ever-increasing problem nationwide. 199 burglaries were reported, four of which were discovered to be unfounded. Of the remaining, 59 were solved by arrest, a 30% clearance rate. This clearance rate is 12% above the national average. 504 larcenies were investigated and 101 persons were arrested, clearing 20%. Auto theft, another nationally increasing crime, particularly in the northeast, represented 81 vehicles reported as stolen. This figure is deceiving as some vehicles are reported as stolen which have been repossessed or are reported in an attempt to defraud insurance companies. 74 of the reported stolen vehicles were recovered.

There were 87 reported assaults, 90% were cleared; 15 reported incidents of forgery and counterfeiting were investigated, clearing 73%; fraud, 60 cases, 100% cleared; receiving stolen property, 13, 100% cleared.

The totally senseless crime of vandalism can best be combatted by parents being aware of the activities of their children. The hit-run tactics used by perpetrators of this crime make it the most difficult to investigate. Of 383 reported incidents, 13% were solved. Weapons offenses, one reported, one cleared; sex offenses, seven, three cleared; drug offenses, 106, all cleared. The drug figure represents an increase over 1975, but can be explained in part by numerous arrests being made as a result of an undercover operation.

Six crimes against the family were reported, all solved; liquor violations, 13, 13 solved; drunkenness, 88, 88 solved; disorderly conduct, 42, 42 solved. All others, which includes crimes such as trespass, hit and run, false alarms, fugitives from justice, bomb threats, contributing to the delinquency of minors, kidnapping, conspiracy, harassment, impersonating police officers, violations of Town ordinances, cruelty to animals, criminal threats, false reports, and resisting arrest, revealed 37% of the reported 192 crimes were solved.

The Derry Police Department is staffed by 25 full-time sworn officers providing police protection 24 hours a day, 365 days a year. The Department has increased in strength by one man since 1973. Four men are assigned to detective and juvenile functions, the remainder, excluding the Chief of Police, are assigned to the Patrol Division which further provides communications and prosecution functions for the Department. With our population increases and the nature of today's mobile society, demands upon the Department have been greatly increased, while the manpower to meet these demands has not, thus we must continually adapt our methods and priorities to meet these demands.

By the nature of our being constantly available and being in the position to respond quickly, many functions we perform are of a non-enforcement nature. These functions have been mandated by the taxpayer and we will continue, as in the past, to give our best efforts in serving you.

Respectfully submitted,  
Edward B. Garone, Chief of Police

## HUMANE OFFICER'S REPORT For Year 1976

The year of 76 was a busy year for the Humane Officer, and while many improvements were made on the pound and efficiency of the Humane Officer, there is still room for more.

I answered 2,389 calls, picked up 427 dogs, returned back to owners or adopted out, 295, picked up from the road and buried 44 dogs and 16 cats. I answered calls for dog bites, animal kills, neighborhood feuds over dogs, and a lot of other general problems. I picked raccoons out of dumpsters, and out of storage sheds. I had to go fox hunting and skunk hunting. I traveled 13,759 miles during the year answering your calls, and complaints. I chipped ice off the frozen runs at the pound, rescued half frozen dogs from a number of various places. I picked up injured dogs and took them to a vet for care. I removed ugly dogs from cars, vans and homes, also a few cats in the same "category."

The pound acquired a typewriter, bricked in windows, due to vandalism, new (used) shelving, and an automatic answering device, which the public, for the most part is using very well. There are, of course those cute little messages and other messages not so cute, that are left for me, but the break up the routine and make the job a bit humorous at times.

One needs a sense of humor and a thick skin to do this job, since there are many many problems and occasions when one must overlook an attitude or circumstance and do the best one can.

There have been incidents of cutting the run wire, and dogs being taken from the pound, and locks being broken from the door.

Winters at the dog pound leave a lot to be desired, the runs and water freeze, and cement floor is extremely cold on the feet, not to mention the car getting stuck down at the pound.

I will be looking for a lot more cooperation in '77 from the dog owners of Derry in so far as licensing and keeping track of their dogs is concerned. I don't want to create bad feelings for the Humane Dept. in our town, since it is supposed to be a helping service, I would like to be able to work together with the dog owners and not have them feel I am working against them, but I need cooperation for this to come about, and I am certain everybody will try harder to make this so in '77.

Thank You  
Florence Ouellette  
Humane Officer

## DERRY CONSERVATION COMMISSION

The Derry Conservation Commission has undergone a major re-organization within this past year.

By the end of the year we had proceeded to act on many of the pending programs that had been in limbo most of the year. Morale is high and attendance good. Absenteeism is now the unusual and a quorum has not been a problem.

We, again, did act as a distributor for seedling trees sold by the State Forest Department. We plan to continue this program in the coming years.

We did investigate all Dredge and Fill Applications submitted to us and discussed and acted on all of them.

The mini-park, along Beaver Brook between Birch Street and the B & M Railroad Bridge has not become an accomplished fact, but it remains as part of our agenda for this year. We did not spend any of the \$300 appropriated for this project, but hope to

secure the enthusiasm and co-operation needed for this type of project.

We have established a committee of Conservation Commission members and interested citizens to work on our significant wetlands inventory and intend to spend a major part of our time on this project within this year.

We are now meeting the third Thursday of every month for regular Conservation Commission Meetings and the first Thursday of every month for the specific purpose of working on the wetlands project.

These meetings are held at the Adam's Memorial Building at 7:30 p.m.

The public is invited to attend.

Respectfully submitted  
Ralph N. Watts  
Chairman

## ZONING BOARD OF ADJUSTMENT

The Zoning Board of Adjustment held 21 meetings during the calendar year of 1976. There were approximately 62 cases heard by the Board; 44 of which were granted, 7 denied, 4 withdrawn and 7 miscellaneous.

- 24 Relating to business and/or signs
- 2 Appeals to Building Inspectors decision
- 15 Undersized lots and/or inadequate frontage
- 3 Temporary mobile homes
- 5 Close to lot line
- 2 Unapproved streets
- 4 Withdrawn
- 7 Miscellaneous

Respectfully submitted  
Lee Burdick, Chairman

## CIVIL DEFENSE REPORT

The year 1976 has proven to be a very eventful and busy one for the Civil Defense Agency, Derry. The Derry Citizen Band Radio operators and Ham Radio operators have a net meeting every Tuesday evening at 7:30 p.m. There was participation in a Walk-A-Thon and Turkey Trot which were both sponsored by the Recreation Department which used volunteer communication personnel from Civil Defense; a Hospital Emergency in which Civil Defense assisted the local Fire and Police Department; and an actual alert for the New England area during a hurricane named "Belle", in which Civil Defense was activated for a twenty-four hour period. Derry Civil Defense had a total of 1,771 man hours for the year ending December, 1976.

Along with the above events, Civil Defense has been updating the emergency Operation Center area and equipment. There was an Emergency Operations Planning Course that ran for a six week period involving Town department heads.

Civil Defense has several members involved in home study courses. At the Derry facility there have been a number of training courses offered including movies and lectures.

Toward the end of 1976, Civil Defense was able to acquire a 6 x 6 truck, through excess property, that can be adapted to a mobile communication center. This is planned to be a joint endeavor between the Citizen Band and Ham radio operators to assist the Town of Derry in the time of emergency, if the need arises.

We would like to take this opportunity to thank all the

volunteers that have participated in Civil Defense over the year 1976. We look forward to your cooperation and assistance in the year 1977.

Respectfully,  
Robert A. Ross  
Local Civil Defense Director

## PLANNING BOARD ANNUAL REPORT

During calendar year 1976 the Derry Planning Board held 20 public hearings on plans for subdivision of land and 4 public hearings on proposed changes to the Zoning Ordinance. The Board also held 7 special meetings during the year. The Board heard a total of 167 subdivision plans: 77 preliminaries and 90 finals. Of these, the Board approved 77 plans amounting to an increase of 151 lots for building purposes within Derry, including one 4-lot subdivision for 200 apartment units.

In March, Floyd Myers was appointed to complete the 2 year term of Benjamin Newell who was elected Selectman. During the month of June, Peter Payne replaced Howard Dearth; Carolyn Johnson was reappointed for a 3 year term; Henry Gagnon, Paul Collete and Walter Barlow were appointed as alternate members of the Planning Board; Carolyn Johnson was elected Chairman and; Floyd Myers was elected Secretary.

The Planning Board has continued to be represented on the Southern New Hampshire Planning Commission. The delegates are Carolyn Johnson and Frederick Tompkins. In October, the Board appointed a subcommittee for the purpose of reviewing and updating the Planning Board Land Subdivision and Control Regulations.

At the November Town Meeting the voters of Derry opted for an elected Planning Board. Thus, at the March 1977 Town Meeting, 6 members will have to be elected; 2 for a 1-year term, 2 for a 2-year term, and 2 for a 3-year term.

Respectfully submitted,  
Floyd Myers, Secretary  
Derry Planning Board

## ASSISTANT ASSESSOR'S REPORT

The year ending March 31, 1976 recorded 675 transfers of property. This was an increase over the previous two years, but has already surpassed by the coming year. Approximately ten percent of these transfers are subdivided into smaller lots. The average assessment of these properties is approximately 53% of market value. Assessments were made on approximately 250 new or remodeled structures including homes, apartments, industrials, swimming pools, mobile homes, etc. netting a total gain of \$2,948,400.00 in assessed valuation.

Arthur F. Hobsch  
Assistant Assessor

## DERRY WASTEWATER DEPARTMENT REPORT

The Derry Wastewater Department had a very satisfactory year. The new main Pumping Station went on line and the rehabilitation of our aerated lagoons was completed.

The main Pumping Station features two 100 horsepower variable speed pumps, an emergency generator, flow measuring and recording equipment. Performance of all machinery and equipment appears to be satisfactory.

At the No. 1 Lagoon, floating aerators are now suspended

from overhead cables but they are also anchored so that tipping is virtually impossible. The present indication is that we will get through the entire Winter without having a single aerator capsize. Pollution removal and disinfection are well within specification limits.

Environmental Engineers completed their Facilities Plan, including a required infiltration/inflow analysis. Based on this analysis it has been decided that the Derry Sewers will be rehabilitated, meaning that leaks will be sealed. The next step is a Sewer System Evaluation Survey which will be made in the Spring of 1977. Decisions will then be made as to the methods of Sewer repairs. Upon completion of this evaluation, the collection system can then be rehabilitated, hopefully in 1977.

It is the objective of this department to excel by operating the Treatment Facility and the Collection System effectively and at minimum cost.

Henry D. Treitel  
Superintendent

## BUILDING INSPECTOR/HEALTH OFFICER'S REPORT

There were 479 Building Permits issued in 1976 that had construction costs totaling \$8,307,975.00. Single family units and duplexes accounted for the greatest amount of construction costs and the permits for these were twice that of last year.

My proposal on standards for septic systems that was approved by the Board of Selectmen in July of 1976 has been effective in protecting surface waters in Derry that could have, otherwise, been contaminated. Our primary areas of concern are those places where people obtain their drinking or cleansing water from the places in Derry that are used for bathing, but all of Derry is effected by the new regulation under R.S.A. 147.1.

There were 46 health related problems reported and many have been resolved but some will remain dormant until the weather breaks and the frost is out of the ground when repairs can be made.

Eighteen zoning violations on minor items were reported and we were able to have these rectified without court action.

From the passage of the BOCA Housing-Property Maintenance Code in November, we are no longer hindered by a lack of housing standards when a complaint is received but instead we can insist that substandard rental property be brought up to meet the standards in Derry.

Thankfully, there have been times in 1976 when I have received assistance with the filing and records' keeping portion of my work and this has been helpful to citizens seeking information about their property.

I am here to assist you through the enforcement of our building, zoning, health or housing codes and those problems related to these regulations.

In the interest of the Citizens of Derry,

James F. Daley  
Building Inspector  
Health Officer

## RECREATION DEPARTMENT

1976 was a year of change for Recreation and Parks. It was the first time we had to operate without a commission. The construction of new tennis courts, was enjoined by the courts and the unending inquisition removes any feeling of confidence the public may have had for municipal officials. It makes for difficult

working conditions. Until the public faith is restored, I see little opportunity for positive improvements in our programs.

To help regain some of that, let's go back to basics. Our goals for 1976 were: 1) Improve communications with all those we serve so we may do a better job. 2) Increase department income to help lower the tax cost of department programs. 3) Continue renovations at the West Side Community Center by completing hallways, teen room, front entrance hot topped, painting of exterior, search for additional sources of funding. 4) Complete our capital improvement projects; new pick up truck, waterfront facilities at Hood, tennis courts at Alexander-Carr, drainage at Derry Village and new water service to O'Hara Field and Hood Park. 5) Utilize P.S.E. Title VI and CETA Title I positions, as well as, Work Study and Vocational Rehabilitation personnel to do the best job possible for the citizens of the town. 6) Provide increased programming for girls and women, especially teenage, i.e.: soccer, cycling, basketball, softball, hiking etc. 7) Assist various Bicentennial projects on all levels of participation. 8) Work with New England Municipal Center in establishing a performance budget, which should help to explain how much is spent for what programs.

Our accomplishments were: The completion of a list of 66 programs of interest to the public. There are approximately 5,000 participants in these programs, with at least as many spectators.

Survey by the New England Municipal Association is completed.

New programs that have started this year are: co-ed sports, co-ed volleyball, adult dance instructions, weekly bike hike, race of the week, field events, summer youth soccer, karate, judo, and beano and whist for senior citizens. The addition of a new employee. Lining all fields for Pinkerton's athletic events including: freshmen, J.V. and varsity football, girls' and boys' cross country, girls' field hockey, J.V. and varsity soccer, J.V. freshmen and varsity baseball, J.V. and varsity lacrosse, girls softball and girls and boys track.

All field work for the little league, mens' softball league, minor league, womens' teams, lady bugs, Legion Baseball, Babe Ruth League, Hood girls softball, Hood J.V. and varsity baseball, Hood soccer, men's football, and two flag football fields. Fields were made ready for play almost 500 times between May and November.

At our suggestion we met with Mr. Mitchell and Mr. Machia of the school department and drew up guidelines of the use of the schools facilities and our role in same.

We were able to staff Hood Park this year, without Mr. Ball being tied up there and he was more able to keep up with other growing duties.

A new filing system has been established in the maintenance department and an elaborate record keeping system is in use.

The Community Center needs a person available over 55 hours per week now and we have utilized our manpower employees in this situation, this is because of the many activities taking place in the center.

We built a new diamond and installed more drainage at the Derry Village Field. This is not to be confused with Smith Field. The school and the Minor League put the diamond to good use.

We've got a good start on a "low cost" playground at Veterans Field.

We finished a major change, enlarging O'Hara Field and moving the scoreboard.

A new water line was installed at Hood Park.

Build a new "snak shak" at the ski lodge.

Build a large new "T" dock at Hood Park.

Accomplished many of our regular maintenance duties: mowing, repairs, painting etc.

The SPEDY Program got areas cleaned and spruced up better than they have ever been: Hood Park, Hood Tennis, Sylvestri Triangle, Alexander-Carr playground, West Side Community Center grounds etc.

We gave major support to the State Babe Ruth Tournament, including all lining and grooming for all the games etc.

Full cooperation and mainly responsible for the highly successful K. of P. Athlete of the Month Program.

A record high of over 40 coaches, officials and helpers involved in the Flag Football Program.

Participated in Civil Defense's "Derry Emergency Operations Plan" School.

Varnished entire floor of Veterans Hall in cooperation with the Legion and town manager.

Probably one of our most important accomplishments was and is, our working relationship with employees of ours, funded through state and federal programs who come to us at a time when employment can mean a lot to them, us and to the town in general. We are fortunate to have an understanding staff here, who are compatible with this type of situation.

Another situation is the way in which the Community Closet is so beneficial to those in need from time to time. An excellent situation of people helping people.

Our goals for 1977 are: 1) Construct, as per the vote at 1976 Town Meeting, as many tennis courts as possible with the funds appropriated. 2) Maintain department income level to continue same imput of tax relief. 3) Propose minimum capital improvements to lessen impact on tax dollar. 4) Propose additional employees in the areas of: A) Girls and womens programs. B) Janitorial services at the West Side Community Center and Alexander-Carr. 5) Institute adjustments in summer playground program i.e. earlier opening and closing, movies, rotate spedy work crews, including maintenance. 6) Continue utilization of manpower personnel, but be more particular in our choice of employees. 7) Assist various 150 year celebration projects. 8) Increase services to senior citizens, handicapped and females. 9) Establish performance budget to augment regular budget. 10) Extend renovations at West Side Community Center through teenage room, janitors closet, work on directors office, floors and some hot top and painting outside building. Ask town to convert heating per insurance recommendation. 11) Improve maintenance by: A) Establishing "tool" category in budget. B) Obtaining low trailer for transporting mowing machine, goat etc. C) Upkeep present level of vehicles (1 car, 1 jeep, 2 pick ups, and 2 tractors). 12) Get selectmen and West Side Community Center Advisory Board together for a joint meeting to discuss the center and who pays for what. 13) Maintain a working relationship with the school department to the benefit of those programs held in and on school facilities. 14) Search for additional sources of funding to keep the cost to the taxpayers as low as possible. 15) Change Veterans Field dimensions to comply with demands of mens softball. 16) Redefine Diane's job description and retile her position to include work with senior citizens. 17) Better organize the many "off" hour duties being heaped upon the department so we may complete such projects as the raft and teaching stations at Hood Park and the mini park at Veterans. 18) Develop a program booklet for each season and distribute to the public. 19) Establish new programs for girls and women, such as pillow polo, field hockey or similar activities. 20) Create some "vest pocket" parks with equipment on town owned land, in our lying districts.

We want to express our gratitude to the other town

departments for their cooperation. This was a year for all of us to really pull together.

Recreation and parks is still closely associated with the West Side Community Center. The building is not yet completely renovated, but the money coming from donations and the sale of items in the community closet, as well as \$125.00 a month from the United Way Fund.

We utilized the Spedy and CETA programs again this summer, as well as the College Work Study and Vocational Rehabilitation Programs. Those programs are funded by the federal government and cost the town a very small amount. The Spedy and CETA come under the Rockingham/Strafford County Manpower Office and they place these people at job sites, where as the Work Study personnel is under the direction of the University of New Hampshire and the Vocational Rehabilitation is under that center in Manchester. These programs are established and designed for on the job training. These hired employees under these programs are supervised at each job sites.

Under the summer Spedy there were a total of 56 young teens placed at various departments, CETA having 10 employed, with 1 finishing out the 76 year, 4 Work Study students and 1 on the Vocational Rehabilitation Center program who worked through September 76.

Regular summer employees included: Gail Little, Ralph VanNostrand, Steve Cooper, Claudia Ketchum, Susan Brassard, Craig Staples, Lauren Dexter, Joe Lewis, Ellen Hayes, Carol Madden and James Tagalakis. These young adults worked on the playgrounds, waterfront, special swim programs, arts & crafts, landscaping and maintenance of our recreational areas, as well as supervisors.

We would like to express our sincere thank you to the following families for allowing our department to utilize their private facilities for our special swim programs, such as Mother & Tots, Handicapped, Adaptive Swim, Terrified and Senior Citizens Swim: Mr. & Mrs. Titone, Mr. & Mrs. Joseph Parolise, Mr. & Mrs. John DeLorenzo all of Derry, Mrs. Katherine Tris of Dorchester, Mass. and Mr. & Mrs. Thomas Scanlon of East Derry. Without their thoughtful generosity, these special swim programs would not have been possible to run for our community.

Our schedule of recreational activities is broadened each passing year with such special interest activities as: 3rd Annual Turkey Trot Road Race with 87 participants which was held prior to Thanksgiving, Derry Militia and Bicentennial programs.

We also served such special interest groups as: Decca C-B Radio Club, Granite State Auto Club, Welcome Chapter of the North American Camping Assoc., and the Spacetown Squares.

In an attempt to serve some special populations, we used an employee under the Manpower Title VI program who tried to develop activities such as: swim programs, beach trips, boxing and weight lifting.

We have also developed and promoted various individual participation programs, such as: Adult Disco Dance Instructions, Judo and karate.

During September our maintenance crew erected a new "Vest Pocket Park", which is a small playground. This is located at Veterans Field beside our tennis courts. The playground equipment was a minimum cost to our taxpayers, with an old boat, tires, telephone poles, ropes and natural materials, as well as some commercial equipment. The park is used by neighborhood kids and the children of the people participating in the tennis and softball games.

We also have our regular activities, which include tennis for all ages, boys and girls basketball, men and women's basketball,

teenage basketball, flag football for boys, one hand tag football league for men, fitness, yoga and belly dancing for women, co-ed fitness, co-ed gymnastics for children, men's slo-pitch softball league, lady bug and grasshoppers baseball for boys and girls, volleyball for men and women and also co-ed volleyball for adults, which has become our fastest growing program, which is already making plans to continue outside under the lights in the warmer months.

We have a recreational pamphlet containing more than 60 programs, which are available to the citizens of our community. The booklets can be obtained by stopping by the recreation office at no cost.

As Recreation and Parks continues to change as the environment fluctuates, many new participants are added to the rolls of those who support the department and the things they do. We also have our share of critics and those who do not agree with what we do. To better serve the public in general, we are always open to constructive criticism and will try to respond to all those who are looking for information we have at our disposal.

I hope the spirit of the bicentennial will continue and that some of the mistrust of public servants can be eliminated, so that everyone will have an opportunity to make this town work towards everyones benefit. To this end, our staff is dedicated to serve all the people.

Gerald H. Cox, Director  
Derry Recreation & Parks Department

## TOWN GOVERNMENT STUDY COMMITTEE REPORT

For the third time in 14 years, a town meeting voted in March 1976 to study other forms of government for Derry. This latest study was prompted by three rancorous Saturday Sessions held last spring to handle the towns annual business.

In October an 18-member committee was appointed by the selectmen to tackle the mandate.

Upon its appointment the committee decided to work towards two specific goals.

Realizing that a change in the current form of government may take as long as five years, a short range goal of improving and expediting the open town meeting should be strived for.

The second objective was to study other forms of town government and to develop a long range recommendation for an alternative form of town government.

The committee divided itself into 5 sub-committees. One of the sub-committees was assigned to develop some tentative recommendations to modify and improve the current open town meeting. The remaining 4 sub-committees studied the following forms of government:

Representative Town Meeting; Commission; Weak-Strong Mayor; and Council-Manager.

### SHORT-RANGE:

Generally we find Open Town Meeting (OTM) too cumbersome to handle the affairs of a community of 17,000 and a \$3 million town budget. It is too subject to: "special interest" groups; only five or six percent of the electorate ever attend; major issues are often too complex for uninformed decision making; functions of budget committee and selectmen overlapping and at cross-purposes; and finally, that its efficiency depends primarily on that rare but essential figure - a strong Moderator.

On January 4, 1976 the committee voted to offer the

following proposals to the selectmen and budget committee as a means to expedite future open town meetings in Derry. Each procedural proposal was voted on separately, and through none was adopted unanimously a vote wasn't take until each proposal was discussed thoroughly. Thirteen members were in attendance, as well as the town and school moderators, with whom the committee had a lengthy discussion as to the proper role of a moderator.

An initial proposal to recommend town/school meeting rules was defeated after the school moderator impressed the study committee with the danger of establishing rules which may become self-defeating and too ridged. A strong but impartial leader, striving for adequate but not repetitious airing of issues, seemed preferable to the adoption of formal rules.

#### RECOMMENDATIONS

1) Install stand-up floor microphones and recognize only those who approach one or more of the microphones.

2) Encourage prospective speakers to notify the chair in writing in advance of their intent to speak on an issue, and call (recognize) these people first.

3) Hold town meeting on the first open Saturday following the annual elections, and start at 9 a.m. with the intent to complete the business of the meeting sometime that afternoon. No break for lunch. Hold meeting at Grinnell School.

4) Have supervisors man the checklist and direct non-voters to a prescribed area of the hall. Request supervisors to notify the chair of the approximate number of non-voters present.

5) Regarding the form of the budget to appear in the town report and to be acted upon at town meeting, we urge that it only show the previous year's expenditures (1976) and the new fiscal year's proposed appropriations (1977). We further propose that the chairman of the budget committee formally present the new budget for voter consideration, and that he do so with a minimum of detail, placing emphasis rather on the major increases and decreases with appropriate explanation.

6) For maximum visibility to those in the rear of the hall, it is suggested that the selectmen, and the budget committee prepared to speak on the budget, sit on the stage.

7) We urge that the town change its fiscal year to conform to that of the school district, July 1 - June 30. This should make for better budgeting, better planning, and better voter understanding.

#### LONG RANGE:

At this time there will be no recommendation offered on an alternative form of government to replace open town meeting.

As pointed out earlier in this report there were four different alternative forms of government studied by the sub-committees. Three of these forms studied involved some form of a city charter (weak-strong mayor, Commission, and Council Manager).

Although no member of the committee wanted to recommend a particular form of city government, there were some specific aspects of each particular form that members of the committee reacted favorably too. For instance, most members of the committee favored some form of council-aldermatic system. Other members were impressed with the financial structure, budgetary procedures and controls, and the use of a controller within the city government. However, it was recognized that the term "City" holds distasteful connotations to many residents of this town and others nearby, as evidenced by the rejection of a city charter in the towns of Exeter, Salem and Goffstown . . . all of comparable size and make up as Derry. Proposed charters for

these towns were gathered and studied, and an extensive amount of documentation was assembled for reference for future town government study committees. All of this material has been turned over to the town manager.

The last form of government to be reported on is Representative Town Meeting.

The representative town meeting form of government and the current statutes that prevail were investigated, reported on, and the pros and cons discussed by a majority of the committee.

On January 4 a tentative proposal to recommend representative town meeting was brought before the committee.

On January 11 with 13 members present and after polling each individual member so that he may air his particular views on RTM, the motion to recommend representative town meeting as an alternative to open town meeting was defeated.

In 1971 the town government study committee recommended that the town adopt R.T.M. Therefore, we feel it is necessary to outline some of the basic reasons of why it was defeated in 1976.

1) No jurisdiction is provided over school or fire district budgets. These two items make up over 75% of the total tax dollar.

2) It does not necessarily weaken the "special interest" groups.

3) A R.T.M. vote can be challenged by a referendum which would require a special town meeting. Without the town changing its fiscal year, we could possible be voting on an item 6 months into the fiscal year.

4) As a long range goal the majority of the committee felt that R.T.M. with 10 districts and its 200 to 300 representatives basically changes very few aspects of town meeting as we know it today.

#### Conclusion

The government study committee has developed a very strong foundation for future studies. In our final session in which each individual member was polled on their ideas for future Derry Town Government, some very interesting and diversified ideas came forth which should be developed. It is extremely unfortunate that this committee had such a short time to complete its work.

It is therefore, recommended that the selectmen place on the town warrant an article which may enable the committee to continue its work and that the committee be appointed May 1 after the acceptance of said article.

# WARRANT FOR 1977 TOWN MEETING

## THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Derry qualified to vote in town affairs:

Voters in District No. 1 are hereby notified to meet at the Veterans Memorial Hall in said district, and voters of District No. 2 are hereby notified to meet at the East Derry Fire House in said district, on the eighth day of March, 1977, at seven o'clock in the forenoon, to act upon the articles required to be voted upon by official ballot. By vote of the Selectmen, the polls for this meeting will remain open from seven o'clock in the forenoon until eight o'clock in the evening and so much longer as the Town at the opening of the meeting may vote.

Voters are further notified to meet at 7:30 in the evening on the ninth day of March 1977 at the Grinnell School Auditorium to act on all other articles in this warrant.

**ARTICLE 1.** To elect two Selectmen, six Planning Board members, four Budget Committee members, Library Trustees, a Trustee of the Trust Funds, and other Town officials.

**ARTICLE 2.** By Petition: Do you favor the continuation of the Town Manager Plan as now in force in this town?

### ARTICLE 3

To see if the town will vote to amend the present Derry Zoning Ordinance by deleting existing Article II, Section 6, Part c[1] and c[2], by deleting existing Article II, Section 7; and by adding new Article I, Section 5; by adding new Article I, Section 6; by adding definitions under new Article IA; by adding new Article VA; and by adding new Article VB, as follows:

**Section 5 - Residential High Density Zone, Single Family**  
The following described lots as shown on the 1976 Derry Property Tax Maps shall comprise the Residential High Density Zone, Single Family:

Map 2 - Lot 20A  
Map 21 - Lots 24-1 thru 24-10 and Lots 28-1 thru 28-3  
Map 23 - Lots 6 and 6-1, Lots 7 thru 11, Lots 17 thru 38 and Lot 40  
Map 24 - Lot 6, Lot 7, Lot 7-1, and Lots 44 thru 57  
Map 26 - Lots 1 thru 8, Lot 8-1, Lots 9 thru 11, Lots 11-1 and 11-2, Lots 12 thru 15, Lot 15A, Lots 16 thru 41, Lot 41-1, Lots 42 thru 65, Lots 65A, 66, 66-1, 66A, and 66B, Lots 67 thru 98, Lots 98-1 thru 98-5, Lots 98-7 thru 98-9, Lots 99 thru 109 and Lots 116 thru 120  
Map 27 - Lots 6 thru 12, Lots 16 thru 24, Lots 27, 28 and 28A, Lots 29 thru 37, Lots 42 thru 46, Lots 46-1, and 46-2, Lots 47 thru 58, Lots 66 thru 69, Lots 73 thru 77, Lot 78-1, Lots 79 thru 81. That portion of Lot 87 that is more than two hundred [200] feet back from Birch Street, Lot 88, and that portion of Lot 89 that is more than two hundred [200] feet back from Birch Street.  
Map 29 - Lots 1 thru 16, Lot 16-1, Lots 17 thru 94, Lots 120 thru 125 and Lot 127, Lot 151, and Lots 153 thru 155  
Map 30 - Lots 102 thru 115, Lots 166 thru 171, Lots 188 thru 192, Lot 192A, and Lots 193 thru 251.  
Map 31 - Lots 1 thru 3, Lots 15 thru 17, Lots 17-1 and 17-2, Lots 18 thru 42, Lots 44 thru 51, Lots 53 thru 69, Lots 74 thru 80, and Lots 85 thru 99.  
Map 32 - Lots 5 thru 7, Lots 9 thru 12, Lots 16 and 17, that portion of Lot 25 that is more than two hundred [200] feet back from Crystal Avenue, that portion of Lot 27 that is more than two hundred [200] feet back from Crystal Avenue, that portion of Lot 30 that is more than two hundred [200] feet back from Crystal Avenue, Lots 33 thru 37, Lots 39 thru 61, Lots 65 thru 76, Lot 76-1, Lots 77 thru 106, Lot 106-4, Lots 107 thru 122, and that portion of Lot 124 that is more than two hundred [200] feet back from Crystal Avenue.  
Map 35 - Lots 19 and 20, Lots 24 thru 31, Lot 31-1, Lots 34 thru 38, Lot 38-1, Lots 39 thru 41, Lot 41-1 and Lots 42 thru 58.  
**Section 6 - Residential High Density Zone, Single and Multi Family**

The following described lots as shown on the 1976 Derry Property Tax Maps shall comprise the Residential High Density Zone, Single and Multi Family:

Map 8 - Lot 78  
Map 23 - Lots 1 thru 4 and Lots 13 thru 15.  
Map 24 - Lots 1 thru 5, Lots 8 thru 35, Lot 35-1, Lots 36 thru 43, Lots

43-1 thru 43-4, and Lot 58

Map 25 - Lot 14

Map 26 - Lots 110 thru 115, Lots 121 thru 145, Lots 145A, Lots 146 thru 164, Lots 180 thru 208, and Lots 218 thru 246.

Map 27 - Lot 70, Lot 71, Lot 71-1, that portion of Lot 92 that is more than two hundred [200] feet from South Avenue, that portion of Lot 94 that is more than two hundred [200] feet from South Avenue, Lots 98 thru 129, Lot 129-1, and Lots 130 thru 135.

Map 29 - Lots 95 thru 119, Lots 128 thru 138, Lot 150, Lot 198, Lot 199, Lot 202, and Lot 203

Map 32 - Lot 62, Lot 62-1, Lot 63, and Lot 64

Map 33 - Lots 9 thru 14

Map 36 - Lots 1 thru 12, Lots 22 thru 39, that portion of Lot 40 that is not more than 350 feet above sea level, Lot 41 and Lot 41-1, Lots 42 thru 48, and Lots 59 thru 66

**Article IA - Definition of Terms**

**MULTIPLE DWELLING BUILDING:** A building arranged, intended or designed to be occupied by three or more families living independently of each other as separate housekeeping units.

**PARKING SPACE:** An area not less than 180 square feet exclusive of access or maneuvering area, or ramps or columns, to be used exclusively as a temporary storage space for motor vehicles.

**RESIDENTIAL DWELLING BUILDING:** A building arranged, intended or designed to be occupied by no more than two families living independently of each other as separate housekeeping units.

**RESIDENTIAL LOT:** A lot or parcel of land on which a dwelling or mobile home is situated, including lots for the placement of mobile homes within mobile home parks.

**Article VA - Residential High Density Zone, Single Family Section 1, Permitted Uses:**

A. Residential Dwelling Building if served by the Town of Derry water and sewer system.

B. Residential uses permitted in the residential zone.

C. Accessory structures normally incidental to the primary use.

**Section 2—Special Exception Uses:**

Business uses secondary to the Residential Dwelling Building may be permitted, by special exception from the Zoning Board of Adjustment, to allow a place of work for the applicant within the applicant's legal residence if the applicant is engaged in one of the following professions, occupations or trades:

1. Lawyer, doctor, clergyman, real estate agent, insurance agent, or similar recognized profession.

2. Artist, artisan or craftsman.

3. Tradesman or repairman.

**Provided:**

1. Such business use is not injurious, noxious or offensive to the neighborhood by reason of emission of odor, fumes, dust, smoke, vibration, noise or other cause.

2. The residential use is established prior to the business use.

3. The business use is conducted within the residential dwelling, building or other existing structure and does not exceed 25 percent of the total normal living area of the residence. The normal living area is defined as that portion of the residential building consisting of living room[s], kitchen[s], dining room[s], family room[s], den[s], bedroom[s], and laundry

room[s].

4. The business use does not change the residential character of the dwelling and/or the property.

5. Not more than one sign or other advertising device is displayed on the property and it does not exceed a size of three square feet.

6. Not more than one person not residing in the home is employed on the premises at the same time.

7. Sufficient off-street parking for the employee, clients, and customers is provided, and where lot size permits, the parking area is not within 25 feet of the front lot line nor within 10 feet of side and rear lot lines.

8. Not more than one business use will be conducted on the property.

9. The business use is not contrary to any covenants or conditions contained in the deed to the property. Special exceptions granted under this ordinance are intended to allow for a specific business use by the current residents and as such, shall not be transferable to subsequent occupants.

#### Section 3—Requirements

A. Residential Dwelling Building if served by the Town of Derry water and sewer system.

1. Maximum Density: One [1] unit per 10,000 square feet. The area of the surface of the existing bodies of water and/or wetlands shall not be considered in calculating allowable density on any lot.

2. Minimum lot area: 10,000 square feet.

3. Minimum lot frontage on approved street: 100 feet.

4. Minimum yard requirements:

Front — 35 feet

Side — 15 feet

Back — 15 feet

B. Residential Dwelling Building if served by the Town of Derry sewer system.

1. Maximum Density: One [1] unit per 30,000 square feet. The area of the surface of existing bodies of water and/or wetlands shall not be considered in calculating allowable density on any lot.

2. Minimum lot area: 30,000 square feet.

3. Minimum lot frontage on approved street: 125 feet.

4. Minimum yard requirements:

Front — 35 feet

Side — 15 feet

Back — 15 feet

C. Residential Dwelling Building not served by the Town of Derry sewer system.

1. Maximum Density: One [1] unit per 43,560 square feet. The area of the surface of existing bodies of water and/or wetlands shall not be considered in calculating allowable density on any lot.

2. Minimum lot area: One [1] acre provided that it contains at least two sites suitable for on-site sewage disposal determined in conformance with Section 8 of the "Guide for the Successful Design of Small Sewage Disposal Systems" published December 1974 by the New Hampshire Water Supply and Pollution Control Commission.

3. Minimum lot frontage on approved Street: 125 feet.

4. Minimum yard requirements:

Front — 35 feet

Side — 15 feet

Back — 15 feet

#### Section 4 — Limitations

No use shall be permitted that is injurious, noxious, or offensive to the neighborhood by reason of the omission of odor, fumes, dust, smoke, vibration, noise or other cause.

The Building Inspector shall ascertain, before issuing a permit for the construction or alteration of any building, whether or not the intended use of such structure will in any manner be detrimental to the neighborhood in which it is to be located. Should any question exist in the opinion of the Building Inspector regarding the effect of such intended use on the neighborhood, he shall, before issuing a permit, submit the case to the Board of Adjustment for review. The Board of Adjustment shall hold hearings to determine the reaction of property owners in the neighborhood and grant or refuse a permit on the basis of their findings.

#### Section 5 — Agricultural Use

Nothing in this Article shall prevent land from being used, or prevent structures from being altered or used, for the production

or sale of farm produce by occupants of such land, unless such use is injurious, noxious, or offensive to the neighborhood.

#### Article VB - Residential High Density Zone, Single and Multi Family

##### Section 1—Permitted Uses:

A. Multiple Dwelling Building if served by the Town of Derry water and sewer system.

B. Residential Dwelling Building if served by the Town of Derry water and sewer system.

C. Residential uses permitted in the residential zone.

D. Accessory structures normally incidental to the primary use.

##### Section 2 — Special Exception Uses:

Business uses secondary to the Residential Dwelling Building may be permitted, by special exception from the Zoning Board of Adjustment, to allow a place of work for the applicant within the applicant's legal residence if the applicant is engaged in one of the following professions, occupations, or trades:

1. Lawyer, doctor, clergyman, real estate agent, insurance agent, or similar recognized profession.

2. Artist, artisan or craftsman.

3. Tradesman or repairman.

Provided:

1. Such business use is not injurious, noxious, or offensive to the neighborhood by reason of emission of odor, fumes, dust, smoke, vibration, noise or other cause.

2. The residential use is established prior to the business use.

3. The business use is conducted within the residential building or other existing structure and does not exceed 25 percent of the total normal living area of the residence. The normal living area is defined as that portion of the residential building consisting of living room[s], kitchen[s], dining room[s], family room[s], den[s], bedroom[s], and laundry room[s].

4. The business use does not change the residential character of the dwelling and/or property.

5. Not more than one sign or other advertising device is displayed on the property and it does not exceed a size of three square feet.

6. Not more than one person not residing in the home is employed on the premises at the same time.

7. Sufficient off-street parking for the employee, clients, and customers is provided, and where lot size permits, the parking area is not within 25 feet of the front lot line nor within 10 feet of side and rear lot lines.

8. Not more than one business use will be conducted on the property.

9. The business use is not contrary to any covenants or conditions contained on the deed to the property. Special exceptions granted under this ordinance are intended to allow for a specific business use by the current residents and as such, shall not be transferable to subsequent occupants.

##### Section 3—Requirements

A. Multiple Dwelling Building

1. Maximum Density: One [1] unit per 5,000 square feet. The area of the surface of existing bodies of water and/or wetlands shall not be considered in calculating allowable density on any lot.

2. Minimum Lot Area: 30,000 square feet.

3. Minimum Lot frontage on approved street: 150 feet.

4. Maximum Building Coverage of Lot: 25 percent.

5. Maximum height of Building: 45 feet.

6. Minimum yard requirements:

Front — 35 feet

Side — 30 feet

Back — 30 feet

7. Off street parking: 2 parking spaces per dwelling unit.

8. Screening: Any parking, storage, service or recreational area which abuts a single family residential use shall be visually screened from such single family residential use and any parking area shall be visually screened from a public or private way in accordance with the following requirements:

a. Materials: Plant materials characterized by dense growth which will form an effective year-round screen shall be planted, or a fence or a wall shall be constructed to form the screen. Screening may consist of both natural and man-made materials. To the maximum extent practicable, existing trees shall be retained and used to partially satisfy the requirements for material.

b. Height: Screening shall be at least five [5] feet in height.

Height shall be measured from the finished grade of said parking, storage, service or recreational area. Plant materials, when planted may not be less than three (3) feet in height if of a species or variety which shall attain the required height within four (4) years of planting.

c. Width: Screening shall be in a strip of landscaped area at least eight (8) feet wide, and so located as not to conflict with any corner visibility or any other ordinance of the Town.

d. Maintenance: All required plant materials shall be maintained in a healthy condition and whenever necessary shall be replaced with new plant materials. All required fences and walls shall be permanently maintained in good repair and presentable appearance and shall be repaired or replaced whenever necessary.

9. Lighting: All artificial lighting used to illuminate a parking or storage area, maneuvering space or driveway, yard or recreational area, or building shall be arranged and shielded so as to prevent direct glare from the light source into any public street or private way or onto adjacent property.

10. Recreation Space Requirement: 15 percent of the gross area of lot or 15 percent of the area to be subdivided:

11. Maximum length of Structure: 200 feet.

12. Construction Requirements: Shall be in accordance with the Building Code as adopted by the Town of Derry.

B. Residential Dwelling Building if served by the Town of Derry water and sewer system.

1. Maximum Density: One (1) unit per 10,000 square feet. The area of the surface of existing bodies of water and/or wetlands shall not be considered in calculating allowable density of any lot.

2. Minimum lot area: 10,000 square feet.

3. Minimum lot frontage on approved street: 100 feet.

4. Minimum yard requirements:

Front — 35 feet

Side — 15 feet

Back — 15 feet

C. Residential Dwelling Building if served by the Town of Derry sewer system.

1. Maximum Density: One (1) unit per 30,000 square feet. The area of the surface of existing bodies of water and/or wetlands shall not be considered in calculating allowable density on any lot.

2. Minimum lot area: 30,000 square feet.

3. Minimum lot frontage on approved street: 125 feet.

4. Minimum yard requirements:

Front — 35 feet

Side — 15 feet

Back — 15 feet

D. Residential Dwelling Building not served by the Town of Derry sewer system.

1. Maximum Density: One (1) unit per 43,560 square feet. The area of the surface of existing bodies of water and/or wetlands shall not be considered in calculating allowable density on any lot.

2. Minimum lot area: One (1) acre provided that the lot contains at least two sites suitable for one-site sewage disposal determined in conformance with Section 8 of the "Guide for the Successful Design of Small Sewage Disposal Systems" published December 1974 by the New Hampshire Water Supply & Pollution Control Commission.

3. Minimum lot frontage on approved street: 125 feet.

4. Minimum yard requirements:

Front — 35 feet

Side — 15 feet

Back — 15 feet

#### Section 4 — Limitations

No use shall be permitted that is injurious, noxious or offensive to the neighborhood by reason of the emission of odor, fumes, dust, smoke, vibration, noise or other cause.

The Building Inspector shall ascertain, before issuing a permit for the construction or alteration of any building, whether or not the intended use of such structure will in any manner be detrimental to the neighborhood in which it is to be located. Should any question exist in the opinion of the Building Inspector regarding the effect of such intended use on the neighborhood, he shall, before issuing a permit, submit the case to the Board of Adjustment for review. The Board of Adjustment shall hold hearings to determine the reaction of property owners in the neighborhood and grant or refuse a permit on the basis of their findings.

#### Section 5 — Agricultural Use

Nothing in this Article shall prevent land from being used, or prevent structures from being altered or used, for the production or sale of farm produce by occupants of such land, unless such use is injurious, noxious, or offensive to the neighborhood.

### ARTICLE 4

To see if the town will vote to amend the present Derry Zoning Ordinance by deleting existing Article I, Section 1.400; Article I, Section 1.410; Article II, Section 6, Part a; Article II, Section 6, Part b; and Article V; and by adding new Article I, Section 7; by adding Definitions under new Article IA; by adding new Article II, Section 6, Part a; and by adding new Article V, as follows:

#### Section 7 — Residential Zone, Low Density

All the rest of the Town not included in other zones as defined in this ordinance shall be included in the Residential Zone, Low Density.

#### Article IA - Definition of Terms

**RESIDENTIAL DWELLING BUILDING**—A building arranged, intended or designed to be occupied by no more than two families living independently of each other as separate house-keeping units.

**RESIDENTIAL LOT**—A lot or parcel of land on which a dwelling or mobile home is situated, including lots for the placement of mobile homes within mobile home parks.

#### Section 6

a. From and after the enactment of this section, all lots not supplied with the municipal sewer system shall contain a minimum area of [1] one acre with a width of at least 125 feet on the approved street and at the 35 foot set back line provided that the lot contains at least two sites suitable for on-site sewage disposal determined in conformance with Section 8 of the "Guide for the Successful Design of Small Sewage Disposal Systems" published December 1974 by the New Hampshire Water Supply & Pollution Control Commission. However, these requirements shall not be applicable to any legally existing lot shown on a recorded subdivision plan approved by the Derry planning Board containing at least 25,000 square feet with a width of at least 125 feet at the 35 foot set back line from the approved street.

#### Article V - Residential Zone, Low Density

##### Section 1 — Permitted Uses:

A. Residential Dwelling Building

B. Accessory structures normally incidental to the primary use.

##### Section 2 — Special Exception Uses:

Business uses secondary to the Residential Dwelling Building may be permitted, by special exception from the Zoning Board of Adjustment, to allow a place of work for the applicant within the applicant's legal residence if the applicant is engaged in one of the following professions, occupations or trades:

1. Lawyer, doctor, clergyman, real estate agent, insurance agent or similar recognized profession.

2. Artist, artisan or craftsman.

3. Tradesman or repairman.

##### Provided:

1. Such business use is not injurious, noxious or offensive to the neighborhood by reason of emission of odor, fumes, dust, smoke, vibration, noise or other cause.

2. The residential use is established prior to the business use.

3. The business use is conducted within the residential dwelling building or other existing structure, and does not exceed 25 percent of the total normal living area of the residence. The normal living area is defined as that portion of the residential building consisting of living room[s], kitchen[s], dining room[s], family room[s], den[s], bedroom[s], and laundry room[s].

4. The business use does not change the residential character of the dwelling and/or the property.

5. Not more than one sign or other advertising device is displayed on the property and it does not exceed a size of three square feet.

6. Not more than one person not residing in the home is employed on the premises at the same time.

7. Sufficient off-street parking for the employee, clients, and customers is provided and where lot size permits, the parking area is not within 25 feet of the front lot line nor within 10 feet of side and rear lot lines.

8. Not more than one business use will be conducted on the property.

9. The business use is not contrary to any covenants or conditions contained in the deed to the property. Special exceptions granted under this ordinance are intended to allow for a specific business use by the current residents and, as such, shall not be transferable to subsequent occupants.

#### Section 3 — Requirements

A. Residential Dwelling Building if served by the Town of Derry sewer system.

1. Maximum Density: One (1) unit per 30,000 square feet. The area of the surface of existing bodies of water and/or wetlands shall not be considered in calculating allowable density on any lot.

2. Minimum lot area: 30,000 square feet.

3. Minimum lot frontage on approved street: 125 feet.

4. Minimum yard requirements:

Front — 35 feet

Side — 15 feet

Back — 15 feet

B. Residential Dwelling Building not served by the Town of Derry sewer system.

1. Maximum Density: One (1) unit per 43,560 square feet. The area of the surface of existing bodies of water and/or wetlands shall not be considered in calculating allowable density on any lot.

2. Minimum lot area: One (1) acre provided that the lot contains at least two sites suitable for on-site sewage disposal determined in conformance with Section 8 of the "Guide for the Successful Design of Small Sewage Disposal Systems" published December 1974 by the New Hampshire Water Supply & Pollution Control Commission.

3. Minimum Lot frontage on approved street: 125 feet.

4. Minimum yard requirements:

Front — 35 feet

Side — 15 feet

Back — 15 feet

#### Section 4 — Limitations

No use shall be permitted that is injurious, noxious or offensive to the neighborhood by reason of the emission of odor, fumes, dust, smoke, vibration, noise or other cause.

The Building Inspector shall ascertain, before issuing a permit for the construction or alteration of any building, whether or not the intended use of such structure will in any manner be detrimental to the neighborhood in which it is to be located. Should any question exist in the opinion of the Building Inspector regarding the effect of such intended use on the neighborhood, he shall, before issuing a permit, submit the case to the Board of Adjustment for review. The Board of Adjustment shall hold hearings to determine the reaction of property owners in the neighborhood and grant or refuse a permit on the basis of their findings.

#### Section 5 — Agricultural Use

Nothing in this Article shall prevent land from being used, or prevent structures from being altered or used, for the production or sale of farm produce by occupants of such land, unless such use is injurious, noxious, or offensive to the neighborhood.

## ARTICLE 5

To see if the town will vote to amend the present Derry Zoning Ordinance by deleting from Article I the following Sections: 1.210, 1.220, 1.230, 1.240, 1.250, 1.270, 1.290, 1.300, 1.310, and 1.320; by deleting Section 5 from Article II; and by adding a new Section 2 to Article I; by adding definitions under new Article IA; and by adding new Article IVA, as follows:

#### Section 2 — Industrial Zone, North

The area of land designated as being in this zone is shown on the 1976 Derry Property Tax Maps as follows:

Map 8 - Lots 1-1, 1-2, 1-3, 1-4, 1-5, 1-6, 1-8, 1-9, 2, 3, 4, 5, 6, 7, 13, 14, 17

Map 31 - Lot 14

Map 35 - Lots 1, 2, 15, 15-1, 15-2, 15-3, 15-4, 15-5, 15-6, 15-7, 15-8, 15-9, 15-10, 15-11, 15-12, 15-13, 15-14, 59

Map 36 - Lot 21

Map 41 - Lots 1, 2, 3, 4, 5, 5A, 7, 8, 8-1, 8-3, 9, 10, 11

#### Article IA - Definition of Terms

**FILLING STATION.** A building or lot or part thereof supplying and selling gasoline or other equivalent fuel for motor vehicles at retail direct from pumps and storage tanks. A FILLING STA-

TION may include accessory facilities for rendering services such as lubrication, washing, and minor repairs with hand tools.

**HEIGHT OF A STRUCTURE.** The vertical distance derived from the average finished grade at the foundation corners of the building or structure, to the highest point of the building or structure excluding a chimney or other similar structure.

**JUNK.** Any discarded material or article including but not limited to, scrap metal, scrapped, abandoned or junked motor vehicles, machinery, equipment, paper, glass, containers, and structures. It shall not include, however, refuse or garbage kept in a proper container for the purpose of prompt disposal.

**JUNKYARD.** Any place where any junk as hereinabove defined, is stored, disposed of, or accumulated.

**LOT.** A plot or parcel of land used or set aside and available for use as the site of one principle building and buildings accessory thereto, in one ownership and not divided by a street nor including any land within the limits of a public or private street right-of-way upon which said lot abuts, even if the title to such way is with the owner of the lot.

**LOT AREA.** The total horizontal area included within lot lines.

**LOT, CORNER.** A lot at the junction of and fronting on two or more intersecting streets.

**LOT COVERAGE.** The percentage of the Lot Area that is occupied by the Area of all Buildings on the lot.

**LOT, DEPTH OF.** The distance along a straight line drawn from the mid-point of the front lot line to the mid-point of the rear lot line.

**LOT, INTERIOR.** Any lot other than a corner lot.

**LOT LINE.** Any boundary of a lot. Any lot line not a rear lot line or a front line shall be deemed a side lot line.

**LOT LINE, FRONT.** The street line at the front of a lot. On a corner lot, the owner may specify the front lot line on the plot plan.

**LOT LINE, REAR.** The lot line, or lines opposite to the front lot line.

**LOT, THROUGH.** A lot extending from one street to another.

**STORY.** A portion of a building included between the upper surface of any floor and the upper surface of the floor or roof above.

**STREET.** Any road, highway, avenue, street, parkway, lane or other way, public or private, set aside and commonly used by the public for street purposes, and shown upon the Town map or upon a filed plat.

**STREET LINE.** The dividing line between a lot and the outside boundary of a public street or street right-of-way, or between a lot and a private street which serves two or more separately owned homes or buildings.

**STRUCTURE.** Anything, constructed or erected on or under the ground or upon another structure or buildings.

**YARD, FRONT.** An open space on the same lot with a principle building situated between the nearest roofed portion of the principle building and the front lot line of the lot and extending from side lot line to side lot line.

**YARD, REAR.** A space on the same lot with a principle building situated between the nearest roofed portion of the principle building and the rear lot line of the lot, and extending from side lot line to side lot line.

**YARD, SIDE.** A open space on the same lot with a building situated between the nearest roofed portion of the building or of any accessory building and the side lot line of the lot, and extending through from the front yard or from the front lot line where no front yard exists, to the rear yard, or to the rear lot line where no rear yard exists.

#### Article IVA - Industrial Zone, North

##### Section 1 — Permitted Uses

A. Manufacture, compounding, processing, packaging and/or treatment of products such as bakery goods, candy, confections, dairy products, cosmetics, musical instruments, toys, novelties, clocks, jewelry, optical products, electronic devices, scientific and/or precision instruments.

B. Manufacture, compounding, processing, packaging and/or treatment of products such as automotive parts and machinery, building materials, hardware, tool, and metal components, dry-cleaning and dyeing, paper, cardboard, and metal containers, and cloth, wire, wood, glass, and other similar items.

C. Research institute, laboratory.

D. Printing, publishing, lithography, bookbinding, and/or kindred arts.

E. Wholesale establishment, warehouse, storage and distributing establishment.

F. Motor vehicle, marine craft, farm, and other machinery sales with accessory service facilities, including outdoor storage of non-junked vehicles, craft or farm equipment.

G. Motor vehicle, marine craft, farm and other machinery repair shops.

H. Building materials sales and storage yard.

I. Non-self service laundry and dry-cleaning establishment.

J. Office, office building including headquarters for industrial plants, medical and dental clinics, professional offices, insurance and real estate offices.

#### Section 2 — Special Exception Uses

A. Plant for processing and storage of agricultural products such as packing plants, canneries, and cold storage plants.

B. Terminal, storage or transfer facilities for trucking, buses, or railroad operations.

C. Industries which are normally considered to create nuisances, but, through the application of advanced technology, are able to provide sufficient evidence that the industry in question will not be detrimental to the environment in which it is located by reason of the emission of smoke, noise, odor, dust, vibration, or excessive light, beyond the limits of its lot.

In acting upon the above special exceptions, the Zoning Board of Adjustment shall consider whether said use will adversely affect the neighborhood and may impose conditions and safeguards pertaining to off-street parking, loading areas, access drives, signs, screening from adjoining lots, lot area, lot frontage, percent of building coverage, height of buildings, and setbacks greater than minimum requirement of this ordinance.

#### Section 3 — Requirements

##### A. Permitted and Special Exception uses

1. Minimum lot area: 1 acre

2. Minimum lot frontage on Approved Street: 150 feet

3. Maximum percent of building coverage of lot: 25%

4. Maximum height of building: 45 feet

5. Minimum yard requirements: 40 feet front, side and rear

6. Minimum area for off-street parking: one space per 100 square feet net floor space.

7. No part of any industrial building shall be located within 150 feet of any abutting residential use.

##### B. Prohibited Industries

1. The following industries shall be prohibited in the Town of Derry: Acetylene gas manufacture; Ammonia, Bleachlime powder, Chlorine manufacture; Asphalt manufacture or refining; Blast Furnace, Boiler Making; Brick, Terra Cotta, or Tile manufacturing; Coke manufacturing; Creosote treatment or manufacturing; Dye stuff manufacturing; Emery cloth or sandpaper manufacturing; Foundries; Smelting of Ores; Slaughtering of Animals or Fowls; Stockyards, Tanning or Curing of Raw Hides or Skins, or Japanning of Leather; Tar distillation or manufacturing; Manufacturing of Tar Roofing or Tar Waterproofing; Manufacture of Gunpowder or other explosives.

#### Section 4 — Limitations

No use shall be permitted that is detrimental to the environment, or injurious, noxious, or offensive to the neighborhood by reason of emission of smoke, fumes, noise, odor, dust, vibration, excessive light, or other cause.

#### Section 5 — Agricultural Use

Nothing in this Article shall prevent land from being used, or prevent structures from being altered or used, for the production or sale of farm produce by occupants of such land, unless such use is injurious, noxious, or offensive to the neighborhood.

## ARTICLE 6

To see if the town will vote to amend the present Derry Zoning Ordinance by deleting from Article I the following Sections: 1.230, 1.260 and 1.280; by deleting Section 5 from Article II; and by adding a new Section 3 to Article I; by adding definitions under new Article IA; and by adding new Article IVB, as follows:

#### Section 3 — Industrial Zone, South

The area of land designated as being in this zone is shown on the 1976 Derry Property Tax Maps as follows:

Map 1 - Lots 21, 22, 23, 25

Map 2 - Lots 33, 34, 34-1, 34-2, 35, 35-1, 36, 37, 37-1, 37-2, 38, 39, 40, 41, 42, 43, 44, 45, 56, 57, 59, 60, 62, 63, 64, 65, 66, 67, 68

Map 22 - Lots 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22

Map 25 - Lots 1, 2, 3, 4, 5, 6, 6-1, 7, 8, 8-1, 9, 10, 11, 12, 13, 13-1

#### Article IA - Definition of Terms

**RESIDENTIAL DWELLING BUILDING**— A building arranged, intended or designed to be occupied by no more than two families living independently of each other as separate housekeeping units.

**RESIDENTIAL LOT.** A lot or parcel of land on which a dwelling or mobile home is situated, including lots for the placement of mobile homes within mobile home parks.

#### Article IVB - Industrial Zone, South

##### Section 1 — Permitted Uses

A. Manufacture, compounding, processing, packaging and/or treatment of products such as bakery goods, candy, confections, dairy products, cosmetics, musical instruments, toys, novelties, clocks, jewelry, optical products; electronic devices, scientific and/or precision instruments.

B. Manufacture, compounding, processing, packaging and/or treatment of products such as automotive parts and machinery, building materials, hardware, tool, and metal components, dry-cleaning and dyeing, paper, cardboard, and metal containers, and cloth, wire, wood, glass, and other similar items.

C. Research institute, laboratory.

D. Printing, publishing, lithography, bookbinding, and/or kindred arts.

E. Wholesale establishment, warehouse, storage and distributing establishment.

F. Motor vehicle, marine craft, farm, and other machinery sales with accessory service facilities, including outdoor storage of non-junked vehicles, craft or farm equipment.

G. Motor vehicle, marine craft, farm and other machinery repair shops.

H. Building materials sales and storage yard.

I. Non-self service laundry and dry-cleaning establishment.

J. Office, office building including headquarters for industrial plants, medical and dental clinics, professional offices, insurance and real estate offices.

K. Residential Dwelling Building, with accessory structures normally incidental to the residential use, provided the residential dwelling building is placed or erected on a lot that is legally existing, or has been approved by the Derry Planning Board and recorded with the Rockingham County Register of Deeds prior to enactment of this ordinance.

##### Section 2 — Special Exception Uses

A. Plant for processing and storage of agricultural products such as packing plants, canneries, and cold storage plants.

B. Terminal, storage or transfer facilities for trucking, buses, or railroad operations.

C. Industries which are normally considered to create nuisances, but, through the application of advanced technology, are able to provide sufficient evidence that the industry in question will not be detrimental to the environment in which it is located by reason of the emission of smoke, noise, odor, dust, vibration, or excessive light, beyond the limits of its lot.

In acting upon the above special exceptions, the Zoning Board of Adjustment shall consider whether said use will adversely affect the neighborhood and may impose conditions and safeguards pertaining to off-street parking, loading areas, access drives, signs, screening from adjoining lots, lot area, lot frontage, percent of building coverage, height of buildings, and setbacks greater than minimum requirements of this ordinance.

D. Business uses secondary to the Residential Dwelling Building may be permitted, by special exception from the Zoning Board of Adjustment, to allow a place of work for the applicant within the applicant's legal residence if the applicant is engaged in one of the following professions, occupations, or trades:

1. Lawyer, doctor, clergyman, real estate agent, insurance agent, or similar recognized professions.

2. Artist, artisan or craftsman.

3. Tradesman or repairman.

Provided:

1. Such business use is not injurious, noxious, or offensive to the neighborhood by reason of emission of odor, fumes, dust, smoke, vibration, noise or other cause.

2. The residential use is established prior to the business use.

3. The business use is conducted within the residential building or other existing structure and does not exceed 25

percent of the total normal living area of the residence. The normal living area is defined as that portion of the residential building consisting of living room[s], kitchen[s], dining room[s], family room[s], den[s], bedroom[s], and laundry room[s].

4. The business use does not change the residential character of the dwelling and/or the property.

5. Not more than one sign or other advertising device is displayed on the property and it does not exceed a size of three square feet.

6. Not more than one person not residing in the home is employed on the premises at the same time.

7. Sufficient off-street parking for the employee, clients, and customers is provided, and where lot size permits, the parking area is not within 25 feet of the front lot line nor within 10 feet of side and rear lot lines.

8. Not more than one business use will be conducted on the property.

9. The business use is not contrary to any covenants or conditions contained in the deed to the property. Special exceptions granted under this ordinance are intended to allow for a specific business use by the current residents and as such, shall not be transferable to subsequent occupants.

#### Section 3 — Requirements, Industrial Lots

##### A. Permitted and Special Exception uses

1. Minimum lot area: 1 acre

2. Minimum lot frontage on Approved Street: 150 feet

3. Maximum percent of building coverage of lot: 25%

4. Maximum height of building: 45 feet

5. Minimum yard requirements: 40 feet front, side and rear

6. Minimum area for off-street parking: one space per 100 square feet net floor space.

7. No part of any industrial building shall be located within 150 feet of any abutting residential use.

##### B. Prohibited Industries

1. The following industries shall be prohibited in the Town of Derry: Acetylene gas manufacture; Ammonia, Bleachlime powder, Chlorine manufacture; Asphalt manufacture or refining; Blast Furnace, Boiler Making; Brick, Terra Cotta, or Tile manufacturing; Coke manufacturing; Creosote treatment or manufacturing; Dye stuff manufacturing; Emery cloth or Sandpaper manufacturing; Foundries; Smelting of Ores; Slaughtering of Animals or Fowls; Stockyards; Tanning or Curing of Raw Hides or Skins, or Japanning of Leather; Tar distillation or manufacturing; Manufacturing of Tar Roofing or Tar Waterproofing; Manufacture of Gunpowder or other explosives.

C. All sewage disposal facilities shall comply with the requirements of the New Hampshire Water Supply and Pollution Control Commission or the ordinances of the Town of Derry, whichever is the greater restriction.

#### Section 4 — Requirements, Residential Lots

a. Residential Dwelling Building if served by the Town of Derry sewer system.

1. Maximum Density: One (1) unit per 30,000 square feet. The area of the surface of existing bodies of water and/or wetlands shall not be considered in calculating allowable density on any lot.

2. Minimum lot area: 30,000 square feet.

3. Minimum lot frontage on approved street: 125 feet.

4. Minimum yard requirements:

Front — 35 feet

Side — 15 feet

Back — 15 feet

B. Residential Dwelling Building not served by the Town of Derry sewer system.

1. Maximum Density: One (1) unit per 43,560 square feet. The area of the surface of existing bodies of water and/or wetlands shall not be considered in calculating allowable density on any lot.

2. Minimum lot area: One (1) acre provided that it contains at least two sites suitable for on-site sewage disposal determined in conformance with Section 8 of the "Guide for the Successful Design of Small Sewage Disposal Systems" published December 1974 by the New Hampshire Water Supply and Pollution Control Commission.

3. Minimum lot frontage on approved Street: 125 feet.

4. Minimum yard requirements:

Front — 35 feet

Side — 15 feet

Back — 15 feet

#### Section 5 — Limitations

No use shall be permitted that is detrimental to the environment, or injurious, noxious, or offensive to the neighborhood by reason of emission of smoke, fumes, noise, odor, dust, vibration, excessive light, or other cause.

#### Section 6 — Agricultural Use

Nothing in this Article shall prevent land from being used, or prevent structures from being altered or used, for the production or sale of farm produce by occupants of such land, unless such use is injurious, noxious, or offensive to the neighborhood.

ARTICLE 7. To see if the Town will vote to rescind that certain building code known as the B.O.C.A. Basic Building Code/1970, Fifth Edition, and adopt in its stead the B.O.C.A. Basic Building Code/1975, Sixth Edition, as published by Building Officials and Code Administrators International, Inc., save and except such portions as are hereinafter deleted, modified or amended, of which not less than three (3) copies have been filed in the office of the Town Clerk, three (3) copies in the office of the Building Inspector, and the same is hereby adopted and incorporated as fully as if set out at length herein, and from the date on which this ordinance shall take effect, the provisions thereof shall be controlling in the construction of all buildings and structures therein contained within the Town of Derry.

The published "BOCA Basic Building Code/1975, sixth edition" is amended in the following respects:

1) Insert the words "Town of Derry" whenever the words "name of jurisdiction" are used.

2) 101.5 Zoning Restrictions: Delete this section and insert therefor the following language:

101.5 Conflicting Provisions:

Whenever the regulations under the authority hereof differ from those prescribed by any statute, ordinance or other regulation that provision which imposes the greater fee, restriction or the higher standard shall govern.

3) 105.1 Continuation of Existing Use: Replace the words "date of adoption of this code" with the words "March 8, 1977".

4) 107.5 and 107.6 Qualifications of Building Official and Assistants: Delete both sections and insert therefor the following language:

107.5 Qualifications of Building Official and Assistants:

The building official and his assistants shall have had experience in the building field. They shall be physically capable of making the necessary inspections. They shall not have any interest whatever, directly or indirectly, in the sale or manufacture of any material, process or device entering into or used in or in connection with, building construction, alteration, removal, or demolition.

5) 107.7 Restriction of employees: Delete the words "board of survey or of the" and the phrase "126.0 and".

6) 118.3 New Construction and Alterations: Delete the section and insert therefor the following:

118.3 New Construction and Alterations:

Fees for building permits shall be as follows:

If the cost of construction or alteration is less than \$200, no fee.

If the cost of construction or alteration is at least \$200 but less than \$20,000, the fee shall be \$1.50 per \$1,000 of cost.

If the cost of construction or alteration is at least \$20,000 but less than \$100,000, the fee shall be \$2.00 per \$1,000 of cost.

If the cost of construction or alteration is at least \$100,000 the fee shall be \$2.50 per \$1,000 of cost.

7) 118.4 Moving of Buildings: Delete the section and insert therefor the following:

118.4 Moving of Buildings: The fee for a building permit for the removal of a building or structure from one lot to another or to a new location on the same lot shall be at the rate of forty [40] dollars for each building.

Prior to the issuance of a permit the permittee shall obtain clearance from the utility companies involved, from the State Highway Department for a wide load and the Police Department for an escort.

8) 118.5 Demolition: Delete the words "[amount] for each [amount] cubic foot of volume of building or structure" and insert therefor the words "five [5] dollars for each building or structure."

In addition a \$400.00 cash or certified check deposit shall be made with the Fire Chief prior to issuance of the permit. If the material is hauled out of Town or disposed of privately all the deposit will be returned once the building site is cleared. If the material is burned by the Fire Department, they will deduct their costs prior to returning the unexpended portion of the deposit as soon as the building site and the materials are checked and the work is completed."

9) 118.8 Refunds: Delete the word "volume" in this section and insert therefor the word "percentage".

10) 119.0 thru 119.4 Volume Computation: Delete Sections 119.0, 119.1, 119.2, 119.3, and 119.4 entirely.

11) 122.3 Violation Penalties: Delete the section and insert therefor the following:

122.3 Violation Penalties: Any person who shall violate a provision of the Basic Code or shall fail to comply with any of the requirements thereof or who shall erect, construct, alter or repair a building or structure in violation of an approved plan or directive of the building official, or of a permit or certificate issued under the provisions of the Basic Code shall be guilty of a misdemeanor, punishable by a fine of not more than one hundred Dollars [100.00]. Each day that a violation continues shall be deemed a separate offense.

12) 123.2 Unlawful Continuance: Delete the section and insert therefor the following:

123.2 Unlawful Continuance: Any person who shall continue any work in or about the building after having been served with a stop order, except such work as he is directed to perform to remove a violation or unsafe conditions, shall be liable to a fine of not less than \$100.00 or more than \$500.00.

13) 126.0 thru 126.5.2 Board of Survey: Delete sections 126.0, 126.1, 126.2, 126.3, 126.4, 126.4.1, 126.4.2, 126.5, 126.5.1, and 126.5.2 entirely.

14) 127.2 thru 127.3 Construction of Board of Appeals: Delete sections 127.2, 127.2.1, 127.2.2, 127.2.3, 127.2.4, 127.2.5, and 127.3 and insert therefor the following:

127.2 Construction of Board of Appeals:

The Board of Adjustment of the Town of Derry shall act as the Board of Appeals according to the regulations and procedures set forth in the Zoning Ordinances of the Town of Derry.

15) 127.4 Appeals Procedure: thru 127.5.4 Enforcement of Decision: Delete sections 127.4, 127.4.1, 127.4.2, 127.4.3, 127.5, 127.5.1, 127.5.2, 127.5.3, and 127.5.4, and insert therefor the following:

127.4 Appeals Procedure:

Applications for appeals to the Board of Adjustment shall be filed in duplicate with the Building Official who shall promptly forward one copy to the Board of Adjustment. The appeal will clearly state the grounds for such appeal as enumerated in Sub-section 127.1 and shall be accompanied by a check or money order in the amount of Twenty-five Dollars [\$25] made payable to the Town of Derry, New Hampshire, which the Building Official will deposit in the General Town Fund

16) 129.4 Saving Clause: Add the following:

129.4 Saving Clause:

Adoption of this code shall not affect any suit now pending in any court, nor shall it affect any rights acquired or liability incurred prior to the adoption of the ordinance.

17) 300.1 Scope: Delete the section and insert therefor the following:

300.1 Scope:

The provisions of this article shall control the general limitations of height and area of all buildings hereafter erected, and extensions to existing buildings hereafter altered or enlarged as affected by the fire and life hazard incident to type of construction, use group, density of development, exterior exposure and accessibility of buildings and structures to fire-fighting facilities and equipment.

18) 1216.2 Approval: Delete the period at the end of the section and add the following: "and/or approved rate-of-rise heat detectors."

19) 1216.3.3 Business [B] or residential [R-2] use: Delete the section and insert therefor the following:

1216.3.3 Business [B] or residential [R-2] use: In all buildings of use group B [business] or R-2 [residential - multifamily] when

three [3] or more stories in height or containing more than six [6] units. All enclosed public corridors and access stairways, all basements and attic spaces shall be equipped with rate of rise type heat detectors.

20) 1216.3.4 Residential [R-2 and R-3] use: Delete reference to R-3 in the Title and delete the first sentence of this section inserting therefor the following:

1216.3.4 Residential [R-2] use: In each dwelling unit within new buildings of use group R-2 [residential - multifamily] three [3] or more stories high or containing more than six [6] units.

21) 1216.5 Manual Pull Stations: Delete the exception at the end of the section.

22) 1217.3.1 Automatic Alarm System: Delete the exception at the end of the section.

23) 1217.3.4 Residential [R-2] use: Delete the words "four [4]" and insert therefor the words "three [3]".

24) 1218.2 Fire Protection Systems: Under exception number three [3] delete the words "five [5]" and insert therefor the words "three [3]".

25) 1307.2.1 Deep Excavations: Insert "four [4]".

26) 1307.2.2 Shallow Excavations: Insert "four [4]".

27) 1402.1 General: Delete the section and insert therefor the following:

1402.1 General:

No sign permit shall be required for the signs or outside display structures covered by the provisions of this section. Such exceptions, however, shall not be construed to relieve the owner of the sign from responsibility for obtaining the necessary permit required by the Zoning Ordinance or for its erection and maintenance in a safe manner.

28) 1407.0 thru 1407.3 Bonds and Liability Insurance: Delete sections 1407.0, 1407.1, 1407.2, and 1407.3 entirely.

29) 1701.1 General: Add the following provision at the end of the section:

24. Drain tie-in: No cellar floor drain, footing drain, roof drain or other type drain not presently authorized to tie into the Derry sanitary sewer lines shall do so.

30) This code shall take effect upon adoption.

ARTICLE 8. By Petition: To see if the town will vote to amend Zoning Ordinance Section 1.410 to add in General Variety Store.

On special exception from the Zoning Board to allow a place of work within their legal residence for persons employed at the following professions, occupation or trade:

1. Lawyer, doctor, clergyman, real estate agent, insurance agent, or other similar recognized profession.
2. Artist, artisan or craftsman.
3. Tradesmen, repairmen or a general variety store.  
(No other changes).

ARTICLE 9. By Petition: Do you favor the continuation of a five-member Board of Selectmen as now in force in this town?

ARTICLE 10. To see what sum of money the town will raise and appropriate for the operational expenses of the town for 1977. (See posted town budget).

ARTICLE 11. To see if the town will vote to prohibit anyone from distributing campaign literature on any property where a town, state or federal election is being held.

ARTICLE 12. To see if the town will appropriate \$24,000 from the Sewer Equipment Capital Reserve Fund for the purchase of a new dump truck for the Sewer Department.

ARTICLE 13. To see if the town will vote to remove \$6,000 from the Sewer Maintenance Capital Reserve Fund for the purchase of radios for Sewer Department vehicles.

ARTICLE 14. To see if the town will vote to accept \$4,548 in Governor's Commission on Crime and Delinquency and Federal Law Enforcement Assistance Administration funds for the purpose of purchasing a \$4,788 Police Communications Recording system and remote control console.

ARTICLE 15. To see if the town will vote to appropriate the sum of \$97,500 in highway improvement funds to pay the town's share of the Ross Corner Improvement Project; further that the Selectmen be authorized to borrow such sum of money for this purpose and that the notes be paid over a period of 10 years through town and state TRA-B funds.

ARTICLE 16. To see if the town will vote to accept \$18,465 from the New Hampshire Governor's Commission on Crime & Delinquency and Federal Law Enforcement Assistance Administration funds for the purpose of funding a Probation Office for the Derry District Court.

ARTICLE 17. To see if the town will vote to authorize the Selectmen to apply, negotiate and do all other things necessary to obtain such federal, state or other assistance as may be available and pass any vote relating thereto.

ARTICLE 18. To see if the town will vote to authorize the Selectmen to sell at public auction any real estate acquired by the town at a tax collector's sale, provided, however, that instead the Selectmen may reconvey such real estate to the previous owner or his heirs and/or devisees in their discretion if they deem it advisable. The authority granted to the Selectmen hereunder shall continue in effect until such authority is terminated by a subsequent town meeting vote.

ARTICLE 19. To see if the town will vote to authorize the Treasurer and Selectmen under the provisions of RSA 33:7, as amended, to borrow, in anticipation of taxes, such sums as are necessary for the operation of the town, and to set the rates, effect the issuance of notes, and to otherwise negotiate for the sale of notes to be paid within the present fiscal year.

ARTICLE 20. To see if the town will vote to appropriate and authorize the withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as setoffs against budgeted appropriations for the following specific purposes and in amounts indicated herewith or take any other action hereon:

Appropriations:	Estimated Amount:
Macgregor Library Renovations	\$25,000.00
Office Equipment	28,800.00
Building & Appurtenances	25,000.00
Sewer Department	29,500.00
Highway Department	31,200.00
Ambulance	4,778.00
Police Department	23,021.00
Recreation	6,175.00
Highway Maintenance	<u>46,526.00</u>
	\$220,000.00

ARTICLE 21. To see if the town will vote to authorize the Selectmen to withdraw a sum not to exceed \$10,000 from the Capital Reserve Parking Lot Fund and expend the same for the purpose of developing and paving parking lots, and pass any vote relating hereto.

ARTICLE 22. To see if the town will vote to transfer the sum of \$28,000 from the 'Adams' Memorial Building Capital Reserve Fund to the Municipal Sites and Buildings Capital Reserve Fund.

ARTICLE 23. To see if the town will vote to remove \$25,000 from the Municipal Sites and Building Capital Reserve Fund for the planning and construction of a material receiving building.

ARTICLE 24. To see if the town will vote to appropriate \$3,350 plus any earned interest from the Water Department Capital Reserve Fund to replace water mains.

ARTICLE 25. To see if the town will accept \$1,415 in Federal Anti-Recession financial assistance and to use it and any interest earned thereon in 1977 as an offset against the Highway Department Salary Account to pay a portion of the "spare help" wages required to clear the roads and sidewalks of ice and snow.

ARTICLE 26. To see if the town will authorize the Selectmen to act as the town's franchising authority for the regulation of cable television systems."

ARTICLE 27. By Petition: To direct the Selectmen not to expend any further funds for the design, implementation or construction of a new sewage disposal facility for a period of one year in order to provide public hearings for the citizens of the town for the purpose of receiving reports and evaluating the full impact of the proposed facility and to consider all other alternatives.

ARTICLE 28. By Petition: To see if the town will vote to accept \$2,148.74 raised by the 1976 Walk-A-Thon. Said monies to be matched by town funds and used to purchase a HEAR Radio to be installed at Alexander Eastman Hospital.

ARTICLE 29. By Petition: To see if the town will vote to raise and appropriate the sum of \$6,600 for the purpose of updating the soils map of the Town of Derry and further to direct the Selectmen to encumber said amount and to expend said encumbered funds for a new soil survey to be done by the United States Department of Agriculture, Soil Conservation Service.

ARTICLE 30. By Petition: To see if the Town of Derry will vote to raise and appropriate a sum of \$37,500 to be expended for the construction of four (4) tennis courts at the Alexander-Carr Park and to seek federal funds equaling one-half the aforementioned amount or \$18,750 and if federal funds are not obtained, the total of \$37,500 will not be expended.

ARTICLE 31. By Petition: To see if the town will vote to raise and appropriate the sum of \$325,000 for the purchase of the so-called Carrie White Farm; and further, to direct the Selectmen to apply for, negotiate and do all other things necessary to obtain such federal, state or other.

assistance as may be available for municipal purposes including, but not limited to Revenue Sharing Funds, Bureau of Outdoor Recreation Funds and Community Development Funds, to encumber said funds and to expend the necessary amount from said funds and to expend the necessary amount from said encumbered funds for the purchase of the land and buildings owned by the John B. Sullivan Family Trust, this property being known as Map 5, Lot 46 on the Derry Property Tax Maps.

ARTICLE 32. By Petition: To see if the voters will approve the designation of English Range Road from Pingree Hill Road to Route No. 102 as a "scenic road."

ARTICLE 33. To see if the town will vote to grant an easement over the Wall Street Parking Lot to Richard and Lorraine Cummings, their heirs and assigns.

ARTICLE 34. To hear reports of agents, auditors and committees heretofore chosen, and pass any vote relating thereto.

ARTICLE 35. To appoint any necessary committee on any article embraced in this warrant.

ARTICLE 36. To transact any other business that may lawfully come before this meeting.

Given under our hands and seal of the Town of Derry this day of February, 1977.

## DERRY BICENTENNIAL COMMITTEE

1976 was a busy year for the Derry Bicentennial Committee with over 20 separate projects and events completed.

Starting off in 1975 with the "Lexington Alarm" calling to arms in April, and the many other commemorative events of 1975 it has been an interesting and rewarding two years.

Our Bicentennial store was open through July 4, it sold a variety of Bicentennial items to help pay for various activities.

A Bicentennial quilt and matching pillows were made by members of the Nutfield Grange, using squares submitted by local citizens and civic organizations. The quilt was left on display in the Bicentennial Museum.

A slide history of Derry, its people, its past, and its present, was created and widely shown. It is available for viewing by any interested group. Contact Donald Houston of the Historical Society at 432-5438.

In May, the Junior Women's Club sponsored a Colonial Ball held at the Grandview Ballroom.

A unit of the American Bicentennial Wagon Train visited the Derry schools. The visit was, in part, sponsored by the Hood Plaza Merchants Association. The Bicentennial Committee traveled to Northwood, N.H. to present an armful of scrolls signed by Derry citizens to the wagonmaster of the New England unit of the wagon train. The wagon train then carried the scrolls to Valley Forge, Pa., for the July 4 ceremonies. Derry's costumed Bicentennial Committee, escorted by the Derry Militia, was the largest group to attend the presentation ceremonies in Northwood.

The Fourth of July weekend was filled with events. A cake decorating contest was held. A parade of decorated doll carriages and wagons was conducted. MacGregor Park was the site of a two-day art show by local artists and a three-day encampment by the Derry Militia.

This weekend also saw a square dance sponsored by the Spacetown Squares. The V.F.W. was presented its charter as the John Stark Memorial VFW Post, and the Bicentennial Committee presented the Post with a large watercolor painting of John Stark done by Derry artist, Iris N. Smith.

A concert was presented by the Inter-faith Choir. The Declaration of Independence, The American Creed, and a Voice of Democracy essay were read. Hundreds of local citizens joined the local churches in participating in the national bell-ringing ceremony held at 2 p.m. July 4.

A 45 foot Liberty Pole was hand-drawn through town and erected in Carlton Park. On July 5, at 6:00 a.m., a Horribles Parade wandered through Derry rousing the citizens.

Churches held special services throughout the weekend, and picnics, bar-b-ques, and parties were held to commemorate the Bicentennial weekend. Guided tours of Derry's historical sites were conducted by members of the Bicentennial. The sites had already been designated with attractive numbered signs to be used with the self-guiding tour maps prepared by the Bicentennial Committee. These tour maps are available from Ben Franklin Store and the Book Corner at Hood Plaza.

Other events of 1976 included special ceremonies and projects in the Derry School system. The Derry Militia participated in ceremonies and parades throughout the year. They also hosted a muzzleloading shoot and a battle reenactment.

Two museums were founded and housed in the Old Central Fire Station. The ground floor is a fire museum founded by the Derry Firefighters. The upper floor is a historical museum. It is under the direction of the Derry Historical Society. It was organized by the Bicentennial Committee and presented to the

town as a Lasting Reminder of America's 200th Birthday. It is identified by a large, carved sign. The Greater Derry League of Women Voters won first prize in a voter turnout contest entitled "America's Votingest City". This was a national voting competition originating in Alameda, California and became a national Bicentennial project. A scrapbook contest was held. The theme was the activities conducted during the Bicentennial Celebration.

A history of Derry from 1827 until 1976 is in the process of being written. A parade "A Salute to Our Heritage the United Way" was held in October as a finale to the Bicentennial Committee's efforts. The parade also marked the beginning of the United Way's annual fund drive.

The Derry Bicentennial Committee consists of: Chairman Ralph S. Bonner Jr.; Vice Chairman Mrs. Evangeline Palmer; secretary, Mrs. Lois Rae; treasurer, Mrs. Gladys MacDonald; President of the Historical Society, Herbert MacGregor; School Representative, Mrs. Norma Sabella; Recreation Department, Gerald Cox; Executive Committee - Mrs. Mildred Gage, Gary F. Smith, Donald Houston. Tours Committee - Mrs. Hazel Snow, Mrs. Pauline Healey, Benjamin Newell, Mrs. Cheryl Lynch, and Miss Vickie Woodbury. History Committee - Richard Hoisington, Grant Davis, Mrs. Paul Anderson, Warrington Willis, Mrs. Martine Banister, Mrs. Richard Low, Miss Olive Abbott, Mrs. Robert Durward, Conrad Quimby, and Mrs. Geraldine Hoisington. Logo Committee - Mrs. Carl S. Daily, Joseph Hines and Mrs. Arthur Minzner. Liberty Trees, Warren Kelly. Costumes, Mrs. Nyla Hazen and Mrs. Virginia Lovejoy. Churches, Mrs. May Corvo. Scouts, Andrew Liles, Gerald Getlitz, Mrs. Jane Kageleiry. Doll Carriage Contest, Mrs. Donna Wright. Cake Decoration Contest, Mrs. Betty Buhrmann and Mrs. Marie Roppel. General Committee - Henry Weber, George Hey, Mr. and Mrs. Robert Gannon, Mrs. Norman Ashton, Mrs. Paul Nicolaisen and Howard Palmer. Colonial Ball Committee - Mrs. Harold Benoit and Mrs. Howard Cox. "Dig" Committee, Mrs. Thelma Hutton. Crafts Committee, Richard Waters and Gilbert Gage. Parade Committee - Scott Webster, May Casten, Mrs. John Folk, Mrs. Bruce Flanders, James Concannon, and George Casten. Quilting Bee, Mrs. Hazel Venner, Mrs. Marion Houston and Mrs. Eva Lunnie. Clerk

## DERRY PUBLIC LIBRARY

The Bicentennial year brought to the Derry Public Library some welcome accomplishments, namely, a large increase in circulation, many gifts and a goal realized.

The circulation has again increased and through a well developed inter-library loan system, we can supplement our own collection with books from other libraries, thereby supplying our patrons with needed materials. We offer this service to both adults and students and are glad to accept requests.

A Bicentennial flag was presented to the Library by the Business and Professional Women; curtains for the reading room were donated by the Derry Women's Club; the Christmas tree was given and decorated by the Derry Garden Club; books and bookmarkers were received from friends. For all these gifts we express our thanks and appreciation.

The main goal of the year was accomplished! The repairing of the ceiling and the painting of the interior of the Library has

greatly added to the attractiveness of our building; the refinishing of the dark woodwork now shows off to great advantage the handsome stained glass window which bears the MacGregor coat of arms.

Our collection of large print books grows and provides much enjoyment to our patrons; this collection is now the largest in our area. We maintain the small library at Nutfield Heights and books are replenished there at regular intervals. Several shut-ins are pleased to receive our books and we are happy to offer this service. A monthly Story Hour is conducted by the Junior Woman's Club; nursery and kindergarden classes visit the Library during their school year.

We find that our large section of paperback books for our young people is proving most successful and it is possible that this type of reading matter accounts for our large jump in circulation in that particular area.

I would like to offer my grateful thanks and appreciation to the Trustees and the Library staff for their encouragement, support and cooperation; and to all our patrons who have helped in some way to make this past year such a pleasant and rewarding one.

We shall continue to offer service to the community as efficiently as possible, in the hopes of making the Derry Public Library a source of enjoyment and knowledge.

Our hours are as follows:

Mondays, Tuesdays, Thursdays, Fridays:	1:30 until 8:00
Wednesdays:	10:00 until 8:00
Saturdays:	2:00 until 5:00

Annie Ashton  
Librarian

Volumes added during the year:	1,091

## TAYLOR LIBRARY

The Taylor Library has had another busy and successful year. The circulation has remained at the same high level as last year.

The State Library Bookmobile has visited us four times. From it, we have borrowed nine hundred twenty three adult fiction, one hundred twenty five adult non-fiction and seventy nine juvenile books.

We also have made numerous specific requests to the State Library and others in behalf of our patrons. This is a service we are happy to supplement our own collection.

We wish to thank all those who have so generously donated bookmarks, books and paperbacks. Our sincere appreciation to the Derry Garden Club for their continued interest and to all who have helped make this year a successful one.

Respectfully submitted,  
Ruth A. Varney, Librarian

## REPORT OF DISTRICT FIRE CHIEF AND TOWN FOREST FIRE WARDEN

Since its beginning in 1893, the State Forestry Department has recognized the fact that forest fire prevention and suppression is a joint state and town or city responsibility. Local authorities recommend names of persons to the State Forester, who appoints one person as town or city fire warden and several other persons as town or city deputy fire wardens to a three year term.

The local forest fire warden controls the kindling of all outside fires, when the ground is not covered with snow, by issuing a written permit for kindling a fire. Permits are only issued at such times and in such places as the fire warden deems as safe.

The State Forest Fire Service trains the local forest fire organization in modern forest fire prevention and suppression tactics. The State also provides backup personnel and equipment for suppression and prevention activities.

The combination of State and local forces has resulted in one of the smallest acreage loss due to forest fires in the United States for the past 20 years.

# Auditors' Report

## TOWN OF DERRY CERTIFICATE OF AUDIT

Received Oct. 6, 1975

This is to certify that we have examined and audited the accounts and records of the Town of Derry for the fiscal year ended DECEMBER 31, 1972.

Our examination was made in accordance with generally accepted auditing standards and accordingly, included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

In our opinion, the accompanying balance sheet and statements of sources of revenues and expenditures present fairly the financial position of the Town of Derry at December 31, 1972, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applicable to governmental entities, applied on a basis consistent with that of the preceding fiscal year.

Respectfully submitted,  
Kenneth E. Hartman  
Public Accountant

Received Sept. 30, 1976  
January 23, 1975

Board of Selectman  
Derry, New Hampshire

We have examined the balance sheets of the various funds of the Town of Derry as of DECEMBER 31, 1972, and the related statements of operations for the year ended December 31, 1972. Our examination was made in accordance with generally accepted auditing standards, and accordingly include such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In October, 1974 cash variances were determined in the District Court accounts. (Report of Audit Findings, District Court, May 7, 1975). In addition, in August, 1975 cash variances were found in the office of tax collector. Also, it is my understanding that in November, 1975 variances were disclosed in the general fund — sewer and wellfields, the capital projects fund and the water department. (See Note A — summary of findings and recommendations). Because of an inadequate system in the trustee of trust funds, transfers to income accounts lost their identity and had to be reconstructed. Internal control procedures are extremely deficient in all phases of the town operation.

Because of the possible material effect of the uncertainties described in the preceding paragraph, we do not express an opinion. In addition, certain exhibits previously given to the selectmen for comparison purposes and management use only are superseded by the exhibits contained in this report.

The accompanying supplemental exhibits presented are not necessary for a fair presentation of the financial statements, but are presented as additional analytical data.

Respectfully submitted,  
Kenneth E. Hartman

January 23, 1975

Board of Selectman  
Derry, New Hampshire

We have examined the balance sheets of the various funds of the Town of Derry as of DECEMBER 31, 1973, and the related statements of operations for the year ended December 31, 1973. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In October, 1974 cash variances were determined in the District Court accounts. (Report of Audit Findings, District Court, May 7, 1975). In addition, in August, 1975 cash variances were found in the office of tax collector. Also, it is my understanding that in November, 1975 variances were disclosed in the general fund — sewer and wellfields, the capital projects fund and the water department. (See Note A - summary of findings and recommendations). Because of an inadequate system in the trustee of trust funds, transfers to income accounts lost their identity and had to be reconstructed. Internal control procedures are extremely deficient in all phases of the town operation.

Because of the possible material effect of the uncertainties described in the preceding paragraph, we do not express an opinion. In addition, certain exhibits previously given to the selectmen for comparison purposes and management use only are superseded by the exhibits contained in this report.

The accompanying supplemental exhibits presented are not necessary for a fair presentation of the financial statements, but are presented as additional analytical data.

Respectfully submitted,

April 28, 1976

Board of Selectmen  
Derry, New Hampshire

I have examined the financial statements and accounting records of the Board of Selectmen, Town Treasurer, Town Clerk, Water Department, Derry Public Library, Taylor Library, Alexander Carr Playground, MacGregor Memorial Park and Cemetery Trustees for the calendar year ended DECEMBER 31, 1974. The records of the Tax Collector, District Court and Trustees of the Trust Funds have been examined by another independent accountant. Except as set forth in the section entitled "Restrictions in Scope of Examination," my examination was made in accordance with generally accepted auditing standards and included such tests of the accounting records and such other auditing procedures as I considered necessary in the circumstances.

### RESTRICTIONS IN SCOPE OF EXAMINATION

I reviewed and tested the Town's system of internal control to the extent I considered necessary to evaluate the system as required by generally accepted auditing standards. Under these

continued on page 84

## DERRY WATER DEPARTMENT REPORT

1976 was a very good year for the Water Department. We completed all scheduled projects for new mains and services. We were able to install new services on East Broadway before this street was repaved. We also added two hydrants to our system and replaced or installed 196 meters. All new house meters have outside Readers to improve the efficiency of our quarterly meter readings.

In 1977, we plan to overhaul the Fordway Pumping Station by installing a new Pump to increase capacity and reliability. Pump controls will be moved from the Holmes Street Water Tank to the new two million gallon Water Tank off Manchester Road.

We were pleased to be able to pay back to the Town, \$30,000. to reduce the Water Department debt. Although costs are rising everywhere, we expect to meet all expenses in 1977 without a rate increase.

Henry D. Treitel  
Superintendent

## DERRY FIRE DEPARTMENT

The Fire Department is foremost an Emergency Operation, pledged to render aid in any form to the populace which it is sworn to protect and serve.

It is semi-military in structure. It has a chain of command consisting of three (3) Fire Commissioners whose duty it is to assume responsibility for both the Administrative and Operating functions of the Department. The Chief of Department is charged with the overall operations of both men and equipment and is in command in all emergency situations. His responsibilities further include purchasing all items necessary to maintaining a force ever ready to handle any situation that arises.

In the absence of the Chief of Department, the Senior Captain is second in command. His responsibilities are similar to that of the Chief in that he is in command of all emergencies and the responsibility to execute the proper instructions are his. Third in the chain is the Lieutenant. He is usually first on the scene and his initial orders are paramount in effecting the proper steps to insure the least possible damage in the shortest amount of time. On arrival of the Senior officer, he reports actions already taken and turns responsibility over to that officer.

Fourth step in the chain is the backbone of the department, the Private. He is charged with carrying out all orders issued to him by a senior officer. His duties include Life Safety Rescue, Fire Extinguishment, Salvage and Overhaul. He is required to have training academically as well as outside practical application. Unlike a larger city where a private could, in fact, be assigned to one truck for an extended period of years, the Private in Derry has to be knowledgeable in all the equipment that Derry operates.

Now I would take this opportunity to relate some factors which guide me in determining what is necessary in planning future growth and equipment so vital to the task.

In 1976 we were charged with protecting approximately \$64 millions of taxable property in the Derry Fire District. As of 12-31-76, we had a fire loss of approximately \$100,000 against our total charges of \$64 millions. This amounts to 6 tenths of one percent of the total protected evaluation. Of the 12 odd thousand population we are sworn to protect, we have 18 men to do the job or 1.8 men per thousand population. To further magnify, this figure means one firefighter per 695 people in the Derry Fire District.

We are bound by Insurance Service Organizations (ISO) town classification rules which states that each Class A Pumper will have 6 men in attendance when responding to an emergency situation. We have presently 3 men on a Pumper when it leaves the station.

One of my immediate goals is to bring this Department up to (ISO) minimum Standards. There were several other areas last year that saw marked improvement as far as ISO town classification standards are concerned. In the area of Communications, we erected a 100 foot Radio Tower that eliminated that "Dead Spots" we were experiencing in several areas of our district.

In the area of training, we constructed a training tower with a multitude of different uses. We are currently in the process of building a smoke house which is to be attached to the training tower. We also installed a hydrant at the rear of the station which we use for instructions in water drafting problems which our training officer will apply to firefighters training to be Pump Operators.

In the area of Fire Prevention, we now have a full-time Fire Prevention Officer. His responsibilities include inspections of all

public buildings, reviewing plans for all proposed new building, instructing citizens in Fire Prevention and enforcing the Life Safety Code and other Ordinances passed by the Town of Derry.

With an eye towards future growth and expertise, your Fire Department stands ready and dedicated to protecting you and your investments from the holocaust of fire.

James J. Cote, Chief  
Derry Fire Department  
Derry, New Hampshire

1977

### WARRANT FOR FIRE DISTRICT MEETING

To the Inhabitants of the Derry Fire District Qualified to vote in District Affairs:

You are hereby notified to meet at the Engine House in said District on the eighth day of March, 1977 at 7:00 o'clock in the forenoon (morning) to act upon the following subjects:

ARTICLE 1. To choose all necessary District officers for e year ensuing.

ARTICLE 2. To hear the reports of agents, auditors and committees heretofore chosen and pass any vote relating thereto.

ARTICLE 3. To see if the District will vote to raise and appropriate the sum of Four Hundred Seventy-Seven Thousand, One Hundred Twenty-Four and 48/100 (\$477,124.48) Dollars, or any part thereof, by taxation or otherwise, to meet payments of principal and interest on debts of the District; for salaries of officers and agents of the District; and for all other necessary expenses arising in said District, and pass any vote relating thereto.

ARTICLE 4. To see if the District will vote to authorize the Fire Commissioners to borrow money in anticipation of the taxes of the municipal year in which such loans are incurred and made payable therefrom by such and pass any vote relating thereto.

ARTICLE 5. To see if the District will vote to authorize the Fire Commissioners to establish a capital reserve fund, or to place in the hands of the Trustees of Trust Funds any monies that may be donated to the District, made available to the District, or not spent by the District from the monies appropriated for the previous year.

ARTICLE 6. To see if the District will vote to raise and appropriate the sum of Sixty-One Thousand, Six Hundred and Twenty-One (\$61,621.00) Dollars for the purchase of a new pumper, and to authorize the Fire Commissioners to borrow said sum under the Municipal Finance Act and pass any vote relating thereto.

ARTICLE 7. To see if the District will vote to authorize the Fire Commissioners to withdraw the sum of Thirty-Two Thousand (\$32,000.00) Dollars or any part

thereof from the Capital Reserve Fund for the purpose of applying said sum authorized by this Article towards the purchase of the pumper authorized by Article 6, thereby reducing the amount raised under Article 6 by that amount authorized to be withdrawn from the Capital Reserve Fund by this Article.

ARTICLE 8. To see if the District will vote annually by an article in the warrant to authorize the Fire Commissioners to establish a contingency fund to meet the expenses that may arise during the year. Such fund shall not exceed one per cent of the amount appropriated exclusive of capital expenses and amortization of debt by such village district during the preceding year. A detailed report of all expenditures from the contingency fund shall be made by the Commissioners and published with their report.

ARTICLE 9. By Petition: To see if the District will vote to raise and appropriate the sum of Fifteen Thousand (\$15,000.00) Dollars for the purchase of a tract of land and the blueprints necessary to construct a building on said tract of land to be used as a sub-station in that area of the District known as Island Pond, and to pass any vote relating thereto.

ARTICLE 10. To transact any other business which may lawfully come before such meeting including the appointment of any committees on any article embraced in this warrant.

The polls for the election of officers of the District will remain open from 7:00 a.m. until 6:00 p.m. unless the District at the opening of the meeting, votes to keep the polls open until a later hour. It is planned to take up the remaining articles in the warrant at 7:30 p.m. on March 14, 1977.

Given under our hands and seals this 18th day of February, 1977

## 1977 WARRANT EAST DERRY FIRE PRECINCT

Derry, New Hampshire

February 3, 1977

To the inhabitants of the East Derry Fire Precinct as defined in Chapter 315 of the laws of New Hampshire, 1935, qualified to vote. Voters in District No. 1 and District No. 2 are hereby notified to meet at the East Derry Fire House in said district on the 8th day of March 1977 at 7 o'clock in the forenoon, to act upon the articles required to be voted on by Official Ballot, and to meet at eight o'clock in the afternoon on March 23rd in the East Derry Fire House to act on all other articles in this warrant.

1. To elect a Fire Ward for three years, Precinct Clerk for one year, Auditor for one year, and a Moderator for one year.
2. To hear the financial report of the Treasurer
3. To hear the Clerk's report.
4. To see if the Precinct will authorize the Board of Firewards to hire the present manpower firemen, if Rockingham/Strafford Manpower contract agreement cannot be renewed and pass any vote relating thereto.
5. To see if the Precinct will authorize the Boards of Firewards to establish a Contingency Fund of \$1,200.00 to meet the cost of unanticipated expenses that may arise during the year and pass any vote relating thereto.
6. To determine and fix the salaries of the Precinct officers or agent of the Precinct.
7. To see what sum of money the Precinct will raise and appropriate for the East Derry Fire Precinct the same to be expended under the direction of the Fire Wards.
8. To see if the Precinct will authorize the Fire Wards to borrow money in anticipation of taxes on the negotiable note or notes of the Precinct, and to pass any vote relating thereto.
9. To see if the Precinct will authorize the Board of Firewards, to accept gifts, of Government excess properties and authorize the Fireward to maintain and operate said equipment and pass any vote relating thereto.
10. To see if the Precinct will vote to authorize the Fire Wards to send men and equipment to other towns and cities if requested to do so, in accordance with R.S.A. 154:24, and pass any vote relating thereto.
11. To transact any other business that may legally come before this meeting including the appointment of committees.

Given under our hands at said Derry, New Hampshire, this 3rd day of February, 1977.

I hereby certify that the above returns are correct according to the best of my knowledge and belief.

Cecile Hoisington, Town Clerk

Auditor's con't from page 49

standards the purpose of such evaluation is to establish a basis for reliance thereon in determining the nature, timing and extent of other auditing procedures that are necessary for expressing an opinion on the financial statements. This examination revealed that the Town's 1974 system on internal accounting controls was inadequate in all the basic control elements.

The Board of Selectmen have not received the audited financial statements of the Tax Collector's office and the Trustees of the Trust Funds for the calendar year 1974 and all the various funds for the calendar year 1973 from the other independent accountant. As a result, the audit procedures were limited due to the absence of audited beginning 1974 account balances and verified interdepartment transactions that occurred during the same year.

This issue has also caused the omission of a statement of changes in financial position from the accompanying financial statements, which is needed for complete financial presentation; and the auditing standard of consistency of accounting principles between the current reporting period and prior years could not be established.

There was lack of sufficient competent evidential matter to substantiate various accounting transactions. The chief problem area was in the expenditures from both the general fund and the water department. In this same area, a situation has arisen regarding misappropriated funds (Note 6) from improper expenditures.

#### GENERAL FUND AND WATER DEPARTMENT DISCLAIMER OF OPINION

Because of the limitations in the scope of my examinations as discussed under the section entitled "Restrictions in Scope of Examination," I do not express an opinion on any of the General Fund or Water Departments financial statements.

#### OTHER CASH BASIS STATEMENTS OPINION

The statements of the Alexander-Carr Playground, MacGregor Memorial Park, Derry Public Library, Taylor Library and Derry Cemetery Trustees reflect the cash receipts and disbursements on the cash basis for the calendar year 1974. In my opinion, these statements present fairly the revenues collected and expenditures paid arising from cash transactions during the year then ended.

James J. Mulrennan  
Certified Public Accountant  
Londonderry, N.H.

November 19, 1976

Board of Selectmen  
Derry, New Hampshire

I have examined the financial statements and accounting records of the Board of Selectmen, Town Treasurer, Town Clerk, Water and Sewer Department, Tax Collector, District Court, Derry Public Library, Taylor Library, Alexander Carr Playground, MacGregor Memorial Park and Derry Cemetery Trustees for the calendar year ended DECEMBER 31, 1975. Except as set forth in the section entitled "Restrictions in Scope of Examination," my

examination was made in accordance with generally accepted auditing standards and included such tests of the accounting records and such other auditing procedures as I considered necessary in the circumstances.

#### RESTRICTIONS IN SCOPE OF EXAMINATIONS,

In my previous year's (1974) examination I noted that I reviewed and tested the Town's system of internal control to the extent that I considered necessary to evaluate the system as required by generally accepted auditing standards. Under these standards the purpose of such valuation is to establish a basis for reliance thereon in determining the nature, timing and extent of other auditing procedures that are necessary for expressing an opinion on the financial statements. This examination revealed that the Town's 1974 system on internal accounting controls was inadequate in all the basic control elements. In the later part of 1975, there was improvement in the town's internal control however, during the majority of the year the system was deficient as in 1974.

Due to not being in the proper condition to be examined, the records of the Trustees of the Trust Funds have not been audited since 1973. The Trustees have contracted with an independent accountant to prepare these records in such a manner that an audit is possible. These records were not completed as of the date of this report, therefore any transactions to or from these funds or the balances of these funds as presented in the accompanying financials could not be verified.

As also noted in the previous year's audit there was lack of sufficient competent evidential material to substantiate various accounting transactions. The situation regarding misappropriated funds (Note 2) also increased to a larger magnitude in 1975.

#### GENERAL FUND AND WATER DEPARTMENT DISCLAIMER OF OPINION

Because of the limitations in the scope of my examination as discussed under the section entitled "Restrictions in Scope of Examination," I do not express an opinion on any of the General Fund or Water Departments financial statements.

#### OTHER CASH BASIS STATEMENTS OPINION

The statements of the Derry District Court, Alexander-Carr Playground, MacGregor Memorial Park, Derry Public Library, Taylor Library, Derry Cemetery Trustees and Bonded Debt reflect the cash receipts and disbursements on the cash basis for the calendar year 1975. In my opinion, with the exception pertaining to transactions with the Trust Funds as described in a previous paragraph, these statements present fairly the revenues collected and expenditures paid arising from cash transactions then ended on a basis consistent with that of the preceding year. There has been a change in the reporting period for the Alexander-Carr Playground, MacGregor Memorial Park and the Derry Cemetery Trustees as stated in Note 1 of the financials.

James J. Mulrennan  
Londonderry, N.H.
